

ANDA-OLSEN AS

935692113 MVA

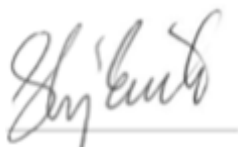

Environmental Certificate

This company is affiliated with the approved producer responsibility company NORSIRK AS and thereby fulfils its producer responsibilities for EE - products under the Waste Regulations' chapter concerning EE - products.

NORSIRK AS guarantees the operation of a nationwide collection system with the proper environmental treatment and recovery of EE - products, as well as reporting to the authorities.

NORSIRK AS is ISO 9001 and ISO 14001 certified, and has also been approved by the Norwegian Environment Agency as a collectively financed take-back company.

This certificate is valid until 12.31.2025.
