

Dear parent/guardian,

Andersons Creek Primary School is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions for 2022.

The environment and resources that we enjoy today represent the contributions made by our parent/carer community over many years. Parent/Carers voluntary contributions make significant difference to the quality of our programs. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children. Your support in 2021 allowed us to:

- Provide high quality programs and specific subject materials and equipment for: English, Mathematics, Science, Art, Music, Inquiry, Italian and PE
- Maintain and develop the school grounds
- Ensure the upkeep of our computer devices to enhance learning opportunities
- Maintain sufficient class sets of books for students to develop their reading skills
- Provide hands on maths equipment i.e.: measuring materials for teaching purposes
- Facilitate Literacy and Mathematics online digital subscriptions
- Deliver a range of sporting equipment
- Offer effective First Aid for all students

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all you support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Yours sincerely,
