BEFORE AND AFTER SCHOOL SUPERVISION PARENT NOTIFICATION

Student safety at Andersons Creek Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: Supervision at the beginning of the school day will **commence at 8.45am**. This supervision will include a staff member in each level area in addition to a teacher on Yard Duty outside in the playground area.

After school: Supervision at the end of the school day will be provided **until 3.45pm**. This supervision will include teachers on ACPS premises and a designated teacher on Yard Duty outside in the playground area.

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact TheirCare on 1300 072 410 or refer to [TheirCare](#) for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements.

Please follow this link for a copy of our school's [Yard Duty and Supervision Policy](#). This policy includes Andersons Creek Primary School's student supervision arrangements across the school day, including before and after school.
