

iPhone Compatibility

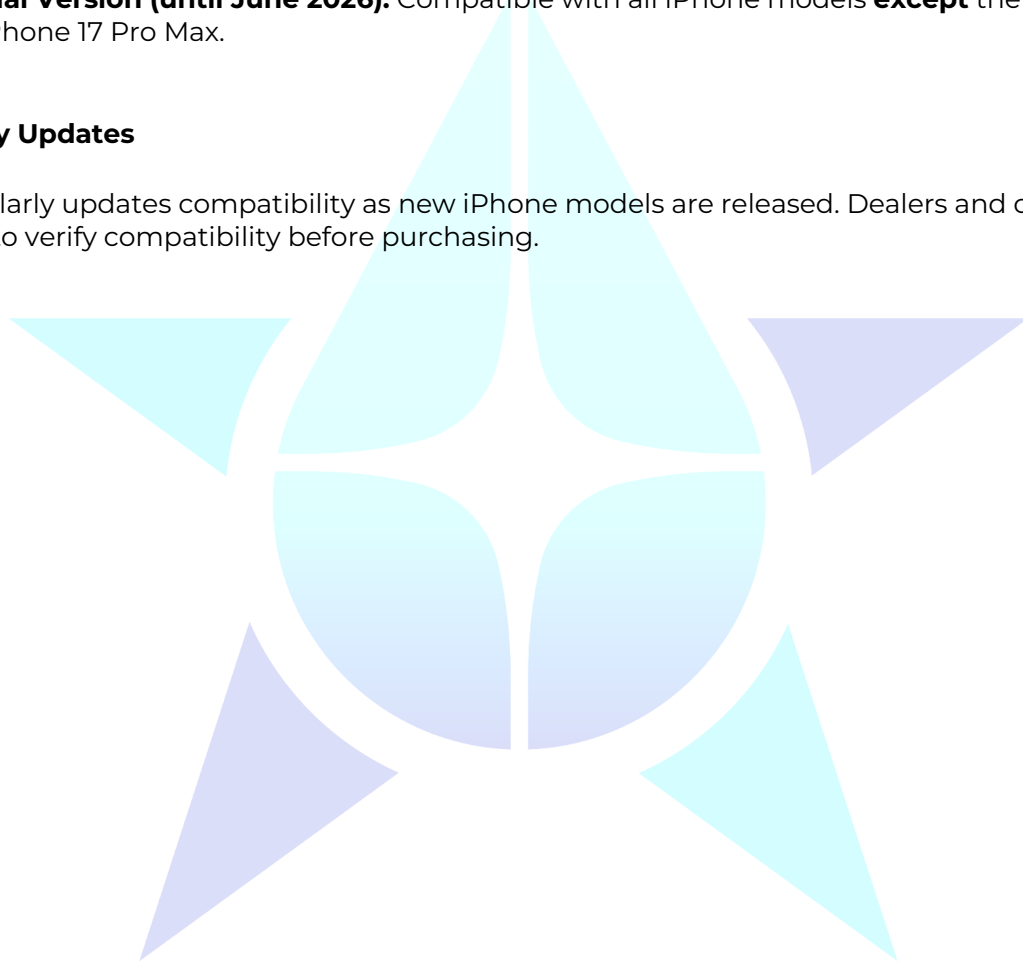

Both the **ProShot Dive 2.0 for iPhone** and **Proshot Touch 2.0 for iPhone** are compatible with all iPhone models, including the latest iPhone 17 Series.

Available Versions versions of both models

- **Newest Version (July 2026 - onwards):** Compatible with all iPhone models, including the iPhone 17 Pro and iPhone 17 Pro Max.
- **Original Version (until June 2026):** Compatible with all iPhone models **except** the iPhone 17 Pro and iPhone 17 Pro Max.

Compatibility Updates

ProShot regularly updates compatibility as new iPhone models are released. Dealers and customers are encouraged to verify compatibility before purchasing.
