

Overview

This kit contains 13 pieces of non-combustible media used to adorn the firebox of the models listed below. Larger units (6015HO, 4415HO, ProBuilder 72) may wish to use two kits (or portions thereof). Any extra stones or driftwood may be kept for future use with the models listed below (or discarded).

Compatibility

- 3615HO, 4415HO, 4416 HO ST and 6015HO Fireplaces
- ProBuilder 42, ProBuilder 54 and ProBuilder 72 Linear Fireplaces
- DaVinci Fireplaces
- 616 Mod-Fyre Insert
- 430 Mod-Fyre Insert

Packing List

- 5 Pieces of Driftwood
- 8 Stones

Placing the Media

Place the media in a random manner on top of the crushed glass or Ember Rock media.

- **DO NOT PLACE MEDIA OVER BURNER PORTS (THIS WILL CAUSE SOOTING).**
- **DO NOT STACK MEDIA IN PILES THAT MAY FALL OVER OR BLOCK AIRFLOW.**
