

# Reveal Sleek 71 Pivot Shower Doors – 8 mm

Introducing Reveal Sleek, a revamp of our famous Reveal door. This door is designed to fit on many showers and shower bases and offers the user easy access with its wide opening, and the header-less design gives you freedom with no height restriction.

Reversible shower door panels allow for left or right opening with magnetized closure to provide maximized water tightness solution. The patent hinge mechanism offers three inches of lateral adjustment, giving you confidence in adapting the door to your specific showering space.
