trueblue[®]

bath waste

Innovative, flexible and designed with the plumber in mind!

NOW AVAILABLE IN CONTRACTOR KITS WITH LOW PROFILE DOME STOPPER, SANITARY TEE, AND ANGLE ADAPTER!

FEATURES AND BENEFITS

- NEW to Contractor Kits:
 - Includes sanitary tee and angle adapter; all components necessary (except pipe) to install bath waste overflow assembly
 - Kits come with low profile dome stopper in Chrome
 - Alternate finish trim kits - Matte Black and Brushed Nickel - available in low case quantities.
- Foamed rubber overflow gasket provides better compression and memory, creating a better and more reliable seal to prevent leaks.
- Overflow fitting and lock nut tighten by hand making for a fast, secure installation.
- Locking drain gasket is designed with a softer durometer and will not fall off at tricky angles. Reduces installation frustrations while creating a better seal
- Reusable, easy to install test plugs are approved for testing up to 40 feet of head. Makes testing fast and reliable.
- Contemporary, screw-less face plate is engineered for a high flow rate and multiple tub thicknesses.
