

**TRAVIS  
INDUSTRIES®**

**THE HOUSE OF FIRE**

2023  
International  
Builders' Show  
**PRODUCT  
GUIDE**

NAHB **IBS**™

**Travis Industries** is the largest, privately-owned wood, pellet, and gas stove, insert, and fireplace company in America. We manufacture four premier brands of high-quality hearth products: Lopi™, Fireplace Xtrordinair™, DaVinci Custom Fireplaces™ and Fire Garden™. These brands are available exclusively from a network of more than 1,200 authorized retailers throughout the United States, Canada, and Australia. Our products are proudly built in Mukilteo, Washington at our 11-acre, state-of-the-art facility called 'The House of Fire.'

**Fire Garden™** provides the ultimate warmth and outdoor gathering space for any occasion. This captivating collection of outdoor fire pit burners, complete fire pits, outdoor fireplaces, and gas torches, featuring the most alluring presentations of fire available.

**DaVinci Custom Fireplaces™** are the most incredible custom fireplaces in the world. These innovative luxury fireplaces deliver near-limitless options to fit any design vision for all spaces, grand to small.

**Fireplace Xtrordinair®** is America's leader in premium fireplaces and fireplace inserts. Featuring a wide variety of wood and gas fireplaces in both traditional and contemporary styles, Fireplace Xtrordinair truly offers a fireplace for every room..

**Lopi®** has been North America's favorite choice in fire for over 43 years, featuring wood, pellet, and gas stoves and fireplace inserts. With a worldwide reputation for solid craftsmanship and award-winning innovations. Lopi heating products are the best investment for your home.

## **FIREPLACE XTRORDINAIR®**

### **864 40K CLEAN FACE GAS FIREPLACE**

This model is the “clean face” version of the 864 TV 40K, offering a look that resembles a traditional masonry fireplace and allows tile or other non-combustible finishes to be installed close to the glass.

#### **Features:**

- Incredibly realistic flames mimic a real wood burning fireplace
- High definition, hand-crafted detailed log sets
- 1,800 square foot heating capacity
- 70% turn-down rate
- Ember-Glo™ ember bed lighting, adjustable overhead Accent Lights
- Your choice of our beautiful 10-piece detailed Classic Oak or Birch log sets.
- GreenSmart® Remote Control
- 180 CFM convection fan.

#### **Options:**

- Beveled Tile Trim or 2” Trim Kit
- Seven decorative firebacks
- Optional CoolSmart TV Wall™
