Compton, CA 90220

Any implied warranty in connection with any Weld-On product hereby is limited in duration to the period of this limited warranty. Weld-On shall not be responsible for, nor does this limited warranty extend to, consequential damage, or incidental damage or expense, including without limitation, injury to persons or property or loss of use. This limited warranty is in lieu of all other express warranties of Weld-On, and Weld-On does not assume, nor does it authorize any person to assume on its behalf, any other obligation or liability.

Each Weld-On® cement is developed for a specific purpose by skilled technicians in our well-equipped laboratory. Every production batch of Weld-On cement is checked to assure that consistent quality is maintained. All retained batch samples are kept for a period of at least one year. A batch identification code is stamped on each can which gives the date of manufacture.

To assist you in the proper selection of Weld-On products, a Product Guide and Selection Guide are available. We also have installation literature available, as well as a Technical Department to assist you with the proper installation of our product.
