PLUMBING

PRODUCTS

INTRODUCTION

This collection of plumbing products is intended as a quick reference of our most popular products among plumbers. Please visit the "Plumbing Products" page on our website to see our entire line.

With nearly 45 years of existence, Bélanger UPT is a Canadian leader in the design and manufacture of plumbing accessories and faucets. Renowned for its excellent customer service, its enviable reputation has been built on the quality and durability of its products. Bélanger UPT owns numerous manufacturing plants in North American and Asia and markets its products under the Bélanger®, H2flo®, Quik®, Essential®, PlumbPak® and K® brands.
