

GRAZIA

CURRENTLY OBSESSED WITH...

1

Sheeny '90s shirts
Especially this one
by Jigsaw.
Purest
Monica
Geller.

2

Western belt buckles
They'll change an entire
outfit's vibe. This is
Ariat (who else?).

3

Astrid & Miyu's
piercing jewellery
I got a new one –
it's really helping
my winter blues.

4

By Terry's
Brightening CC serum
Also really helping
my winter blues.

5

Essentiel
Antwerp's
oversized
trench
Would go
so well with
the green
Jigsaw shirt.
