Dear Prospective Participant,

We at CIMS, are pleased to invite you to read this digital catalogue of CIMS Campus, which indicates that you have an interest of exploring to pursue your higher studies or human resource development requirements. It is understood that there is a vacuum between the demands of job market and supplies of human resources globally and locally, that is why our presence became important today to fill this vacuum by producing best skilled and technically competent human resource through pro-active training to meet global challenges.

The differences at CIMS Campus are offering well-balanced programmes with practical skills, well-defined and designed theory delivered by dedicated and friendly team comprising academic and industrial tons. In addition, our participants are offered career guidance by locally and globally recognized advisors with many decades of experience and placements in various organizations. Affiliation of CIMS Campus with many higher educational institutions, professional bodies, universities and corporate sectors make the life of our participants better after completion of the programme. Specially, the partnership between CIMS and foreign Universities help the student community in Sri Lanka to fulfill their dreams.

Therefore, joining CIMS Campus to study a programme jointly offered with our partner universities will make changes in the life-style of our participants as well as their career.

*Admissions Team
CIMS, Sri Lanka*

About CIMS, Sri Lanka

19 years of continuous service in the higher education sector

TVEC Sri Lanka recognized Diploma programmes

UGC approved Undergraduates and Postgraduates programmes

WES approved programmes

Globally & Locally recognized Universities / HEIs affiliation

"Best Entrepreneur 2018" jointly awarded by NCC and WUSC

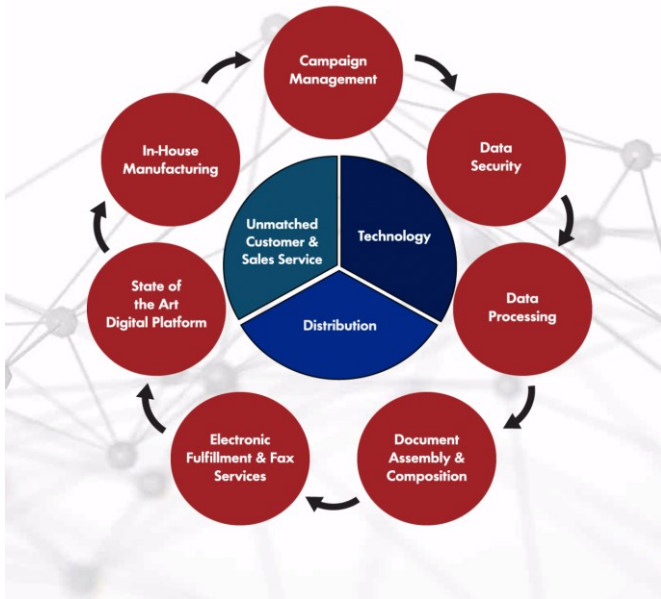

8500+ students passed-out

1600+ scholarships awarded

US Embassy, USAID, WUSC, ICTA has offered 650+ scholarships

10,000+ native Tamil speakers are taught Sinhala Language via SLBC channel

Higher Diploma in Management

Programme Objectives:

This programme is designed to provide in-depth knowledge alongside practical experience, equipping candidates with the essential techniques and skills required for middle-management roles. Furthermore, it provides a direct pathway to a Bachelor's Degree, allowing students to specialize in Business Management, Marketing, Human Resource Management (HRM), or International Business.

Entry Qualifications: Diploma

- ✓ G.C.E. (A/L) 3 Passes in one sitting OR
- ✓ NVQ Level 4 Qualification in the relevant field with 6 Passes in G.C.E (O/L) OR
- ✓ Accepted Certificate Level Qualification in the relevant field with G.C.E. (A/L) 2 Passes OR
- ✓ Foundation Programme with 6 Passes in G.C.E (O/L)

Entry Qualifications: Higher Diploma

- ✓ NVQ Level 5 Qualification
- ✓ Diploma in relevant field from a recognized institution
- ✓ Any other professional qualification in relevant field

Investment:

Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 190,000
- Duration : 12 Months

Higher Diploma

- Registration Fee: KR 15,000
- Tuition Fee: LKR 200,000
- Duration : 12 Months

Assessment and Evaluation:

- Attendance and Participation 05 Marks
- Un-announced Quiz 10 Marks
- Assignments 25 Marks
- Exam 30 Marks
- Final Project 30 Marks

Programme Modules

YEAR 1 - Diploma

1. Principles of Finance (4)
2. Principles of Economics (4)
3. Business Communication (3)
4. Entrepreneurship (3)
5. Management Information Systems(3)
6. Principles of Marketing (4)
7. Principles of Management(4)
8. Introduction to Business (3)
9. Introduction to Accounting (4)
10. Business Statistics(3)

YEAR 2 - Higher Diploma

1. Management Accounting (3)
2. Operation Management (3)
3. International Logistics & Transport (3)
4. Supply Chain Management(3)
5. Organizational Behavior(3)
6. Elective I
7. Elective II
8. Elective III
9. Internship (3)
10. Research Project(4)

Specialization: Business Management

- Business Process Management
- Organizational Theory and Design
- Leadership and Management

Specialization: Marketing Management

- Marketing Management
- Marketing Research
- Strategic Marketing

Specialization: International Business Mgmt.

- International Business Law
- International Finance
- International Management

Specialization: Human Resource Management

- Human Resource Planning
- Human Resource Development
- Industrial Relations

*** Each specialization subject is 3 credits**

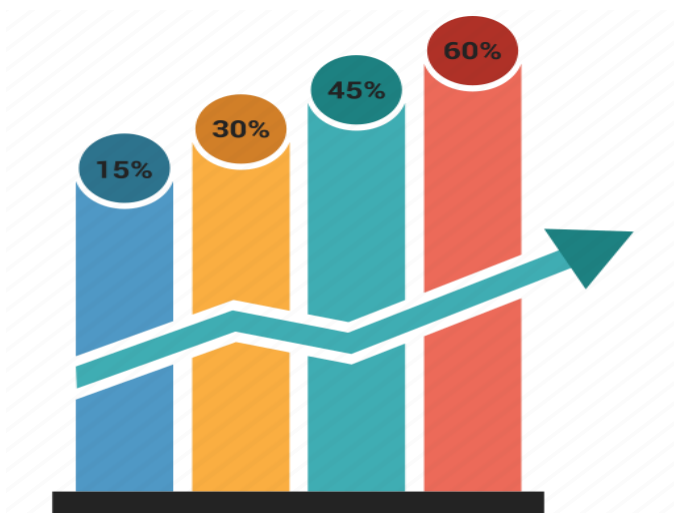

Awarding and Certifications:

Students are awarded both a Diploma and a Higher Diploma by CIMS. Additionally, they have the opportunity to obtain Qualifi Level 4, 5 and 6 regulated qualifications, providing a dual-certification pathway that enhances global employability

Academic Progression

Upon successful completion of the Diploma, students are eligible for a two-semester exemption from the BBA (Hons) program. Those who complete the Higher Diploma may receive three to four semesters of credit toward the degree, which is offered by CIMS in collaboration with prestigious foreign universities

Higher Diploma in Financial Management

Programme Objectives:

This programme is designed to provide students with the essential knowledge and practical experience required for a career in financial management. Furthermore, it offers a solid foundation for those seeking to pursue advanced studies within the field

Entry Qualifications: Diploma

- ✓ G.C.E. (A/L) 3 Passes in one sitting OR
- ✓ NVQ Level 4 Qualification in the relevant field with 6 Passes in G.C.E (O/L) OR
- ✓ Accepted Certificate Level Qualification in the relevant field with G.C.E. (A/L) 2 Passes OR
- ✓ Foundation Programme with 6 Passes in G.C.E (O/L)

Entry Qualifications: Higher Diploma

- ✓ NVQ Level 5 Qualification
- ✓ Diploma in relevant field from a recognized institution
- ✓ Any other professional qualification in relevant field

Investment:

Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 190,000
- Duration : 12 Months

Higher Diploma

- Registration Fee: KLR 15,000
- Tuition Fee: LKR 200,000
- Duration : 12 Months

Assessment and Evaluation:

- | | |
|--------------------------------|----------|
| - Attendance and Participation | 05 Marks |
| - Un-announced Quiz | 10 Marks |
| - Assignments | 25 Marks |
| - Exam | 30 Marks |
| - Final Project | 30 Marks |

Programme Modules

Year I : Diploma

1. Introduction to Audit (3)
2. Business Ethics and Law (3)
3. Principles of Economics (3)
4. Fundamentals of Management (3)
5. Accounting Information System (3)
6. Business Mathematics (3)
7. Organizational Behavior (3)
8. Management Accounting (4)
9. Financial Accounting and Reporting (4)
10. Business Communication (4)
11. Entrepreneurship (3)

Year II : Higher Diploma

1. Taxation (4)
2. Business Statistics (3)
3. Corporate Finance (4)
4. Costing (4)
5. Financial Management (4)
6. Strategic Management (3)
7. Investment Analysis (4)
8. Research Project (4)
9. Internship (4)

Awarding and Certifications:

Students are awarded both a Diploma and a Higher Diploma by CIMS. Additionally, they have the opportunity to obtain Qualifi Level 4, 5 and 6 regulated qualifications, providing a dual-certification pathway that enhances global employability

Academic Progression

Upon successful completion of the Diploma, students are eligible for a two-semester exemption from the Bachelors (Hons) program. Those who complete the Higher Diploma may receive three to four semesters of credit toward the degree, which is offered by CIMS in collaboration with prestigious foreign universities

Higher Diploma in Software Engineering

Programme Objectives:

This programme provides in-depth theoretical knowledge integrated with hands-on practical experience. It equips students with the essential tools, techniques, and problem-solving skills required to excel in the ICT sector, specifically focusing on software development, system design, and modern computing technologies.

Entry Qualifications: Diploma

- ✓ G.C.E. (A/L) 3 Passes in one sitting OR
- ✓ NVQ Level 4 Qualification in the relevant field with 6 Passes in G.C.E (O/L) OR
- ✓ Accepted Certificate Level Qualification in the relevant field with G.C.E. (A/L) 2 Passes OR
- ✓ Foundation Programme with 6 Passes in G.C.E (O/L)

Entry Qualifications: Higher Diploma

- ✓ NVQ Level 5 Qualification
- ✓ Diploma in relevant field from a recognized institution
- ✓ Any other professional qualification in relevant field

Investment:

Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 210,000
- Duration : 12 Months

Higher Diploma

- Registration Fee: KR 15,000
- Tuition Fee: LKR 220,000
- Duration : 12 Months

Assessment and Evaluation:

- Attendance and Participation 05 Marks
- Un-announced Quiz 10 Marks
- Assignments 25 Marks
- Exam 30 Marks
- Final Project 30 Marks

Programme Modules

Year I – Diploma

1. Introduction to Computer Science 03
2. Introduction to Programming 04
3. Data Communication Networks 04
4. Mathematics for Computing 03
5. Data Base Management Systems (DBMS) 04
6. Object Oriented Programming 03
7. Data Structures and Algorithms 04
8. Web Application Development 04
9. Artificial Intelligence and Machine Learning 04
10. Object Oriented Software Engineering 03

Year II – Higher Diploma

1. Operating Systems & System Administration 04
2. Probability and Statistics 04
3. Software Engineering Frameworks 04
4. Database Design and Development 04
5. Cloud Native Development 04
6. Quality Management in Software Engineering 04
7. Mobile Application Design and Development 04
8. Industry Training 04
9. Enterprise Application Development 04

Awarding and Certifications:

Students are awarded both a Diploma and a Higher Diploma by CIMS. Additionally, they have the opportunity to obtain Qualifi Level 4, 5 and 6 regulated qualifications, providing a dual-certification pathway that enhances global employability

Academic Progression

Upon successful completion of the Diploma, students are eligible for a two-semester exemption from the Bachelors (Hons) program. Those who complete the Higher Diploma may receive three to four semesters of credit toward the degree, which is offered by CIMS in collaboration with prestigious foreign universities

Higher Diploma in Cyber Security

Programme Objectives:

This programme aims to provide a strong foundation in computer science and cyber security principles, including networking, systems, and secure development. It develops practical skills to identify vulnerabilities and implement effective security solutions. The programme also prepares graduates with the analytical, ethical, and professional competencies needed for careers in the cyber security field.

Entry Qualifications: Diploma

- ✓ G.C.E. (A/L) 3 Passes in one sitting OR
- ✓ NVQ Level 4 Qualification in the relevant field with 6 Passes in G.C.E (O/L) OR
- ✓ Accepted Certificate Level Qualification in the relevant field with G.C.E. (A/L) 2 Passes OR
- ✓ Foundation Programme with 6 Passes in G.C.E (O/L)

Entry Qualifications: Higher Diploma

- ✓ NVQ Level 5 Qualification
- ✓ Diploma in relevant field from a recognized institution
- ✓ Any other professional qualification in relevant field

Investment:

Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 210,000
- Duration : 12 Months

Higher Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 220,000
- Duration : 12 Months

Assessment and Evaluation:

- Attendance and Participation 05 Marks
- Un-announced Quiz 10 Marks
- Assignments 25 Marks
- Exam 30 Marks
- Final Project 30 Marks

Programme Modules

Year I – Diploma

- | | |
|---|----|
| 1. Introduction to Computer Science | 03 |
| 2. Introduction to Programming | 04 |
| 3. Data Communication Networks | 04 |
| 4. Mathematics for Computing | 03 |
| 5. Data Base Management Systems (DBMS) | 04 |
| 6. Artificial Intelligence and Machine Learning | 04 |
| 7. Introduction to Cyber Security | 04 |
| 8. Network Programming | 03 |
| 9. Cryptography | 03 |
| 10. Network Security | 04 |

Year II – Higher Diploma

- | | |
|---|----|
| 1. Operating Systems & System Administration | 04 |
| 2. Vulnerability Assessment & Penetration Testing | 04 |
| 3. Probability and Statistics | 04 |
| 4. Database Design and Development | 04 |
| 5. DevOps Security | 04 |
| 6. Ethical Hacking & Cyber Ops | 04 |
| 7. Data & Systems Security | 04 |
| 8. Industry Training | 04 |
| 9. Cyber Law & Ethics | 04 |

Awarding and Certifications:

Students are awarded both a Diploma and a Higher Diploma by CIMS. Additionally, they have the opportunity to obtain Qualifi Level 4, 5 and 6 regulated qualifications, providing a dual-certification pathway that enhances global employability

Academic Progression

Upon successful completion of the Diploma, students are eligible for a two-semester exemption from the Bachelors (Hons) program. Those who complete the Higher Diploma may receive three to four semesters of credit toward the degree, which is offered by CIMS in collaboration with prestigious foreign universities

Higher Diploma in Artificial Intelligence

Programme Objectives:

The programme aimed to equip students with a solid foundation in Artificial Intelligence concepts, methods, and tools, develop the ability to design and implement intelligent systems, apply machine learning and data-driven techniques to solve real-world problems, and build ethical, analytical, and professional competencies relevant to AI-driven industries and research.

Entry Qualifications: Diploma

- ✓ G.C.E. (A/L) 3 Passes in one sitting OR
- ✓ NVQ Level 4 Qualification in the relevant field with 6 Passes in G.C.E (O/L) OR
- ✓ Accepted Certificate Level Qualification in the relevant field with G.C.E. (A/L) 2 Passes OR
- ✓ Foundation Programme with 6 Passes in G.C.E (O/L)

Entry Qualifications: Higher Diploma

- ✓ NVQ Level 5 Qualification
- ✓ Diploma in relevant field from a recognized institution
- ✓ Any other professional qualification in relevant field

Investment:

Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 210,000
- Duration : 12 Months

Higher Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 220,000
- Duration : 12 Months

Assessment and Evaluation:

- | | |
|--------------------------------|----------|
| - Attendance and Participation | 05 Marks |
| - Un-announced Quiz | 10 Marks |
| - Assignments | 25 Marks |
| - Exam | 30 Marks |
| - Final Project | 30 Marks |

Programme Modules

Year I – Diploma

- | | |
|---|----|
| 1. Introduction to Computer Science | 03 |
| 2. Introduction to Programming | 04 |
| 3. Data Communication Networks | 04 |
| 4. Mathematics for Computing | 03 |
| 5. Data Base Management Systems (DBMS) | 04 |
| 6. Artificial Intelligence and Machine Learning | 04 |
| 7. AIML Project | 03 |
| 8. Software Engineering | 03 |
| 9. Python Language | 04 |
| 10. Machine Learning | 04 |

Year II – Higher Diploma

- | | |
|--|----|
| 1. Operating Systems & System Administration | 04 |
| 2. Web and Mobile Technologies | 04 |
| 3. Statistical Modelling | 04 |
| 4. Deep Learning | 04 |
| 5. Natural Language Processing | 04 |
| 6. Current Trend in AI | 04 |
| 7. Secure Software Development | 04 |
| 8. Industry Training | 04 |
| 9. Ethical, Legal and Social Issues in AI | 04 |

Awarding and Certifications:

Students are awarded both a Diploma and a Higher Diploma by CIMS. Additionally, they have the opportunity to obtain Qualifi Level 4, 5 and 5 regulated qualifications, providing a dual-certification pathway that enhances global employability

Academic Progression

Upon successful completion of the Diploma, students are eligible for a two-semester exemption from the Bachelors (Hons) program. Those who complete the Higher Diploma may receive three to four semesters of credit toward the degree, which is offered by CIMS in collaboration with prestigious foreign universities

Higher Diploma in Data Science

Programme Objectives:

The programme aims to provide students with a strong foundation in data science, including core concepts in programming, statistics, databases, and data analysis. It develops the ability to extract, process, and interpret data to generate meaningful insights and support data-driven decision-making.

Entry Qualifications: Diploma

- ✓ G.C.E. (A/L) 3 Passes in one sitting OR
- ✓ NVQ Level 4 Qualification in the relevant field with 6 Passes in G.C.E (O/L) OR
- ✓ Accepted Certificate Level Qualification in the relevant field with G.C.E. (A/L) 2 Passes OR
- ✓ Foundation Programme with 6 Passes in G.C.E (O/L)

Entry Qualifications: Higher Diploma

- ✓ NVQ Level 5 Qualification
- ✓ Diploma in relevant field from a recognized institution
- ✓ Any other professional qualification in relevant field

Investment:

Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 210,000
- Duration : 12 Months

Higher Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 220,000
- Duration : 12 Months

Assessment and Evaluation:

- Attendance and Participation 05 Marks
- Un-announced Quiz 10 Marks
- Assignments 25 Marks
- Exam 30 Marks
- Final Project 30 Marks

Programme Modules – (72 Credits hours)

Year I – Diploma

1. Introduction to Computer Science 03
2. Introduction to Programming 04
3. Data Communication Networks 04
4. Mathematics for Computing 03
5. Data Base Management Systems 04
6. Object Oriented Programming 03
7. Data Structures and Algorithms 04
8. Probability and Statistics 03
9. Artificial Intelligence and Machine Learning 04
10. Data Warehousing and Business Intelligence 04

Year II – Higher Diploma

1. Operating Systems & System Administration 04
2. Web and Mobile Technologies 04
3. Statistical Modelling 04
4. Deep Learning 04
5. Cloud Data Analytics 04
6. Technical Writing 04
7. Professional Training 04
8. Industry Training 04
9. Database Implementation and Administration 04

Awarding and Certifications:

Students are awarded both a Diploma and a Higher Diploma by CIMS. Additionally, they have the opportunity to obtain Qualifi Level 4, 5 and 6 regulated qualifications, providing a dual-certification pathway that enhances global employability

Academic Progression

Upon successful completion of the Diploma, students are eligible for a two-semester exemption from the Bachelors (Hons) program. Those who complete the Higher Diploma may receive three to four semesters of credit toward the degree, which is offered by CIMS in collaboration with prestigious foreign universities

[illegible]

This programme aimed to provide depth knowledge equipped with practical experience for a Teacher of English Language to gain necessary techniques and skills to teach English as a Second Language to the learners effectively.

- ✓ G.C.E. (A/L) 3 Passes in one sitting OR
- ✓ NVQ Level 4 Qualification in the relevant field with 6 Passes in G.C.E (O/L) OR
- ✓ Accepted Certificate Level Qualification in the relevant field with G.C.E. (A/L) 2 Passes OR
- ✓ Foundation Programme with 6 Passes in G.C.E (O/L)

- ✓ NVQ Level 5 Qualification
- ✓ Diploma in relevant field from a recognized institution
- ✓ Any other professional qualification in relevant field

Diploma

- *Registration Fee:* LKR 15,000
- *Tuition Fee:* LKR 190,000
- *Duration :* 12 Months

- *Registration Fee:* LKR 15,000
- *Tuition Fee:* LKR 200,000
- *Duration :* 12 Months

- Attendance and Participation 05 Marks
- Un-announced Quiz 10 Marks
- Assignments 25 Marks
- Exam 30 Marks
- Final Project 30 Marks

1. *Introduction to Linguistics* (4)
2. *Second Language Acquisition* (3)
3. *Introduction to Literature* (4)
4. *English Phonology* (3)
5. *Introduction to Academic Writing* (4)
6. *Teaching Literature in ESL Classroom* (3)
7. *Classroom Management* (4)
8. *Teaching Reading in ESL Classroom* (3)
9. *Teaching Writing in ESL Classroom* (3)

Higher Diploma in Early Childhood Education

Programme Objectives:

This programme is designed to provide in-depth knowledge alongside practical experience, preparing students to become effective educators in Primary and Early Childhood Education.

Entry Qualifications: Diploma

- ✓ G.C.E. (A/L) 3 Passes in one sitting OR
- ✓ NVQ Level 4 Qualification in the relevant field with 6 Passes in G.C.E (O/L) OR
- ✓ Accepted Certificate Level Qualification in the relevant field with G.C.E. (A/L) 2 Passes OR
- ✓ Foundation Programme with 6 Passes in G.C.E (O/L)

Entry Qualifications: Higher Diploma

- ✓ NVQ Level 5 Qualification
- ✓ Diploma in relevant field from a recognized institution
- ✓ Any other professional qualification in relevant field

Investment:

Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 190,000
- Duration : 12 Months

Higher Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 200,000
- Duration : 12 Months

Assessment and Evaluation:

- | | |
|--------------------------------|----------|
| - Attendance and Participation | 05 Marks |
| - Un-announced Quiz | 10 Marks |
| - Assignments | 25 Marks |
| - Exam | 30 Marks |
| - Final Project | 30 Marks |

Programme Modules

Year I : Diploma

1. Academic English (4)
2. Child Growth and Development (4)
3. Introduction to Early Childhood Education (3)
4. Creative and Critical Thinking (4)
5. Curriculum and Development for ECE (3)
6. Social Studies in ECE (4)
7. Science for ECE (3)
8. Teaching Approaches in ECE (4)
9. Teaching Mathematics in ECE (3)
10. Teaching English to ECE (3)

Year II : Higher Diploma

1. Entrepreneurship (3)
2. Classroom Management (3)
3. Music & Drama for ECE (3)
4. ICT in ECE (3)
5. Behavior Management for ECE (4)
6. Special Needs in ECE (4)
7. Nursery Practices in ECE (3)
8. Families and Community Involvement in ECE (4)
9. Moral and Spiritual Development in ECE (4)
10. Internship & Final Project (4)

Awarding and Certifications:

Students are awarded both a Diploma and a Higher Diploma by CIMS. Additionally, they have the opportunity to obtain Qualifi Level 4, 5 and 6 regulated qualifications, providing a dual-certification pathway that enhances global employability

Academic Progression

Upon successful completion of the Diploma, students are eligible for a two-semester exemption from the Bachelors (Hons) program. Those who complete the Higher Diploma may receive three to four semesters of credit toward the degree, which is offered by CIMS in collaboration with prestigious foreign universities

Higher Diploma in Psychological Counselling

Programme Objectives:

This programme is designed to provide comprehensive knowledge integrated with practical experience, equipping students with the essential techniques and skills to become experts in Psychological Counselling. Additionally, it serves as a robust foundation for those wishing to pursue a Bachelor's Degree in the field.

Entry Qualifications: Diploma

- ✓ G.C.E. (A/L) 3 Passes in one sitting OR
- ✓ NVQ Level 4 Qualification in the relevant field with 6 Passes in G.C.E (O/L) OR
- ✓ Accepted Certificate Level Qualification in the relevant field with G.C.E. (A/L) 2 Passes OR
- ✓ Foundation Programme with 6 Passes in G.C.E (O/L)

Entry Qualifications: Higher Diploma

- ✓ NVQ Level 5 Qualification
- ✓ Diploma in relevant field from a recognized institution
- ✓ Any other professional qualification in relevant field

Investment:

Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 190,000
- Duration : 12 Months

Higher Diploma

- Registration Fee: LKR 15,000
- Tuition Fee: LKR 200,000
- Duration : 12 Months

Assessment and Evaluation:

- Attendance and Participation	05 Marks
- Un-announced Quiz	10 Marks
- Assignments	25 Marks
- Exam	30 Marks
- Final Project	30 Marks

Programme Modules

Year I : Diploma

1. Introduction to Psychology (3)
2. Developmental Psychology (3)
3. Cognitive Psychology (3)
4. Research Methods in Psychology (3)
5. English for Academic Purposes (2)
6. Abnormal Psychology (3)
7. Principles of Counselling (4)
8. Theories of Personality (3)
9. Developing Professional Practice (3)
10. Social Psychology (3)
11. Ethics in Psychology (3)
12. Positive Psychology (3)

Year II : Higher Diploma

1. Brain & Behaviour (3)
2. Key Studies in Psychology (3)
3. Statistics in Psychology (3)
4. Adult & Aging Psychology (3)
5. Sensation & Perception (2)
6. Clinical Psychology (3)
7. Psychology of Learning (3)
8. Psychology Testing & Measurement (3)
9. Human Sexuality (3)
10. Cross Cultural Psychology (3)
11. Industrial Training (4)
12. Research Project (3)

Awarding and Certifications:

Students are awarded both a Diploma and a Higher Diploma by CIMS. Additionally, they have the opportunity to obtain Qualifi Level 4, 5 and 6 regulated qualifications, providing a dual-certification pathway that enhances global employability

Academic Progression

Upon successful completion of the Diploma, students are eligible for a two-semester exemption from the Bachelors (Hons) program. Those who complete the Higher Diploma may receive three to four semesters of credit toward the degree, which is offered by CIMS in collaboration with prestigious foreign universities.
