

I'm excited to invite you to my birthday party!

At the Tallink Spa &
Conference Hotel water centre

Sadama 11a, Tallinn

The party will start at the private sauna and after that we will continue to celebrate in the pools of the water centre! Please remember to **bring your swimwear and a towel**, and then just head to the water centre's reception, where they will guide you to our party room.

Looking forward to seeing you there!
