

# REPORTING YOUR EXPENDITURE FOR CHARITY GRANT PAYMENTS

Acquittals are the way our fundraising partners account for the funds they raise through the Australian Sports Foundation (ASF). This is to help ensure that donations are being used for the development of sport in Australia, and the intended/approved purpose.

We work on a 90-day reporting cycle, however completing your acquittals on the **ASF platform** has never been easier and you can do it at any time before the due date.

For organisations who have received grant payments, you'll receive regular email reminders to submit an Acquittal or Expenditure Report. If your project is approved for charitable giving, this process requires more detailed substantiation, as there are stricter compliance regulations to ensure funds are being used for a charitable sporting purpose.

You can view and complete your charity acquittals in the Programs section of the ASF platform, however the easiest way to see if you have any outstanding reports is by clicking on the quick launch **Report My Expenditure** link on your Home page.

1. Click on **Report My Expenditure** where you have a charitable grant to acquit.

2. Navigate across to the **Acquittals** tab; if you have any charity acquittals outstanding you'll see the Remaining Charity Grant Balance to Be Acquitted and Due Date above the list of standard acquittals. To create the charity acquittal, simply click on **Create Acquittal +.**
