

As a deductible gift recipient, the Australian Sports Foundation (ASF) has an obligation to ensure that funds raised are used for the development of sport in Australia. Fundraisers that raise significant amounts may be randomly selected to complete an Audit, which is simply a 'spot check' on expenditures relating to your grant payment(s).

YOU WILL RECEIVE AN EMAIL NOTIFICATION IF YOU HAVE BEEN SELECTED FOR AN AUDIT 'SPOT CHECK'.

You can view and complete your Audit reports in the Programs section of the <u>ASF platform</u>, however the easiest way to see if you have any outstanding reporting to do is by clicking on the **Report My Expenditure** quick link on the Home page.

1. Select **Report My Expenditure** beside the relevant program.

2 Navigate across to the **Audits** tab; if anything is outstanding you'll see the triangular icon, as well as the audit period.

Repeat steps 4-6 for each invoice until you've accounted for at least 30% of the amount we've asked you to report on. You'll receive an error message if you have not accounted for at least 30% of the Audit Balance amount and will be required to request an extension of the 90-day Audit period (refer below).

7. For grant payments that remain unspent, you will need to upload a bank statement showing a balance of funds you're holding for future project expenditures.

To upload a bank statement, scroll to the bottom of the page, select **Bank Statement** and use the **Upload Files** function or attach the file by dragging and dropping. This bank statement should show a balance equal to or greater than your remaining balance to be acquitted.
