

There are three Tiny Doors and seven Atlanta attractions hidden in this mural. All of the attractions are near Centennial Olympic Park. Can you find them?

WELCOME TO ATL!

Your Atlanta experience begins in Centennial Olympic Park, the world's gathering spot. It's where everyone is welcome — every creature, every color, every visitor, big and small. We'll show you just what to see and how to experience it all whether it's from a visitor's unique perspective or like a local (we're all ATLiens). Our friendly team is just through that door...
