unpacking & handling

PRECAUTIONS**UNPACKING AND REMOVAL OF WOOD FURNITURE PRODUCTS:****1****Before moving any components, you must:**

- Have at least 2 able-bodied persons who are capable of lifting the weight of the product
- Plan ahead: know where it is going before you start to move it.
- Have a soft, smooth, dirt-free surface ready to place the product on, such as a moving blanket or soft carpet.
- Any dirt, such as that which is on the carpet in a busy area, will scratch the surface when sliding the product across it. A clean, soft surface is required.
- Do not slide finished furniture across any surface: Please lift and gently position in place.

2

Carefully remove each component and unwrap to inspect for shipping damage. If any pieces are missing or damaged, please report it immediately to Technical Support at av.middleatlantic.techsupport@legrand.com or (866) 977-3901.

Middle Atlantic Products will not be responsible for damage to any product that occurs after the product has been unpackaged.

3

Review the included documentation for your product assembly while heeding any specified tips, notes, warnings, and cautions.

Keep the provided documentation for future reference.

NOTE:

- This furniture has been inspected and found to be free of defects before shipping.
- This supplement is intended to aid installation of technical furniture products, and should be read thoroughly and used in conjunction with all supplied assembly instructions.
- Wood products, (particularly those with veneered surfaces) require careful handling during the unpacking and assembly process.
