

Date: January 14, 2019  
To: Vaddio Dealers and Distributors  
From: Jay Kilby, Director of Product Management, Vaddio  
Subject: End of Life (EOL) Product discontinuation and transition notification

Effective February 1, 2019, Vaddio is replacing its popular EasyMic Ceiling MicPOD microphones with the new Vaddio CeilingMICs. The new CeilingMIC is fully compatible with existing Vaddio devices having an EasyMIC interface like the EasyUSB Mixer/Amp, ConferenceSHOT AV and AV Bridge MATRIX PRO, with a firmware update.

The new CeilingMIC features the following improvements:

- New and improved aesthetic design featuring acoustical fabric wrap
- Enhanced audio pickup and speech quality
- Cutting edge microphone elements with superior clarity and distortion-free response
- Easily accessible RJ45 jack for installing custom cable lengths/colors
- Redesigned ceiling mount box for sleeker installs
- Same simple EasyMIC Interface for fast, installer friendly installations

We will be offering a last time buy options on the end of life Ceiling MicPODs as follows:

- Last Time Purchase Orders: Must be received by Vaddio, no later than February 1, 2019. Orders will be filled on a first come, first serve basis, while supplies last.
- Last Delivery Date: Scheduled delivery must take place no later than Feb 28, 2019.

All last time buy purchases are non-cancellable and non-returnable.

A list of cross-referenced part numbers is shown in the table below for your reference.

For more information on these or other products, please contact your Vaddio sales representative.

Sincerely,

Jay Kilby  
Director of Product Management, Vaddio
