

DOMEVIEW™ FLUSH MOUNT DOME SYSTEMS

The Vaddio DomeVIEW Flush Mount Domes are integrated camera mounting systems that are attractive and easy to install. Designed for indoor security applications, the 7.3" (18.54cm) flush mount dome enclosure is outfitted with the internal brackets to support the option of using the Sony® EVI-D70 or the Canon® VC-C50iR (see Figure 1).

The DomeVIEW Flush Mount Dome features the Vaddio EZCamera™ Cabling System that provides for fast and efficient installations using Cat. 5 cabling for video, power and control.

The Domes are formed from optical grade polycarbonate and are available in clear (standard) or smoked tint (optional). The DomeVIEW Flush Mount Domes are excellent values that are high quality, attractive and durable solutions for indoor security applications.

Figure 1: DomeVIEW Flush Mount Dome System shown with Canon VC-C50iR camera and EZCamera Cabling Shoe mounted in the enclosure (Upper Right: Flush Mount Dome shown with plenum rated metal back can and smoke tinted bubble - clear is standard).
