

## AV Bridge MATRIX PRO Certification Program

---

### Online AV Bridge MATRIX PRO Certification Training Course Details

This free, 1.5-hour online class is for integrators, dealers and consultants who want to specify the Vaddio AV Bridge MATRIX PRO into their system designs. Please allow 30 minutes following training to complete an online certification exam. The exam must be taken within 10 days of the training session. This class offers 1 credit toward AVIXA Certified Technology Specialist (CTS) certification.

**All Vaddio dealers must complete this online certification in order to submit a purchase order for the AV Bridge MATRIX PRO.**

#### What will be covered?
