From: Jay Kilby, Director of Product Management, Vaddio  
Subject: ConferenceSHOT and RoboTRAK Transition Notification

Due to popular demand, starting in April, Vaddio will begin transitioning its silver/black colored ConferenceSHOT and RoboTRAK cameras to all black. White colored ConferenceSHOT products and bundles and part numbers remain unchanged. As part of this transition to make traceability easier, these products part numbers will begin to include a "B" at the end (i.e., 999-9995-000B)

The new models are identical and priced the same as the previous models. Legacy units may be ordered as supplies last, please call Vaddio to check on availability. Otherwise, The Vaddio customer care team will automatically transition legacy orders and registrations to the corresponding new part numbers as they become available.

A list of cross-referenced part numbers is available below for your reference.
