EXCEPTIONAL SUPPORT & PROTECTION™

WS Series Writing Shelves

The WS Series writing shelves provide a secure work surface for our WRK, MRK, VRK and VMRK Series enclosures when used in multi-bay applications

Features

- Constructed of an attractive 1" thick industrial MDF board with graphite marbled laminate finish and black T-mold edging
- Supplied mounting system consists of sturdy steel-tubes that attach at both the front and rear rackrail in each rack bay
- Each writing shelf includes cable pass-through holes with grommets
- Offered in two, three and four-bay sizes for our WRK, MRK, VRK™ and VMRK Series racks

Architects' and Engineers' Specifications

Multi-bay work surface shall be installed on Middle Atlantic Products rack model # ___ (refer to chart). Work surface designed to install on Middle Atlantic Products model # ___ racks. Work surface shall be constructed of high-pressure laminate on 1" thick 45 density industrial MDF board. Mounting system shall be 16-gauge steel tubes. Work surface shall be ___" deep, span ___ (2, 3, 4) rack bays and occupy 2 rackspaces. Work surface shall have a weight capacity of 50 lbs. per bay when rack is permanently mounted to floor. Work surface shall be warranted to be free from defects in material or workmanship under normal use and conditions for a period of 7 years.
