DIGITAL SIGNAGE

HDMI over IP

Product #	Description	Mounting Location
29975	HDMI over IP Encoder	Encodes the HDMI signal from the source onto the network
29976	HDMI over IP Decoder	Decodes the HDMI signal from the network and onto a display
29977	Network Controller for HDMI over IP	Provide remote configuration and control for connected encoders and decoders

HDBaseT Certified Cat6 Cables

Product #	Description
43171	35ft HDBaseT Certified Cat6a Cable with Discontinuous Shielding - Plenum CMP-Rated - Blue
43172	50ft HDBaseT Certified Cat6a Cable with Discontinuous Shielding - Plenum CMP-Rated - Blue
43173	75ft HDBaseT Certified Cat6a Cable with Discontinuous Shielding - Plenum CMP-Rated - Blue
43174	100ft HDBaseT Certified Cat6a Cable with Discontinuous Shielding - Plenum CMP-Rated - Blue
43175	150ft HDBaseT Certified Cat6a Cable with Discontinuous Shielding - Plenum CMP-Rated - Blue
43176	200ft HDBaseT Certified Cat6a Cable with Discontinuous Shielding - Plenum CMP-Rated - Blue
43177	250ft HDBaseT Certified Cat6a Cable with Discontinuous Shielding - Plenum CMP-Rated - Blue
43178	300ft HDBaseT Certified Cat6a Cable with Discontinuous Shielding - Plenum CMP-Rated - Blue

Premium High Speed HDMI Cables

Product #	Description
50181	3ft Premium High Speed HDMI® Cable with Ethernet - 4K 60Hz
50182	6ft Premium High Speed HDMI® Cable with Ethernet - 4K 60Hz
50183	8ft Premium High Speed HDMI® Cable with Ethernet - 4K 60Hz
50184	10ft Premium High Speed HDMI® Cable with Ethernet - 4K 60Hz
50185	12ft Premium High Speed HDMI® Cable with Ethernet - 4K 60Hz
50186	15ft Premium High Speed HDMI® Cable with Ethernet - 4K 60Hz
50187	18ft Premium High Speed HDMI® Cable with Ethernet - 4K 60Hz
50188	20ft Premium High Speed HDMI® Cable with Ethernet - 4K 60Hz
