

TAA COMPLIANT SOLUTIONS

FROM LEGRAND | AV

Secure AV solutions that meet federal regulations

TAA refers to the Trade Agreements Act (19 U.S.C. & 2501-2581), which is intended to promote fair and open international trade. TAA requires that the U.S. Government may purchase only products made in the United States or a "designated country."

Legrand | AV's TAA compliant products are approved to be used in United States government projects and facilities.

Count on Legrand | AV

Legrand | AV is the most comprehensive AV partner for common applications in the federal government such as mission critical command and control centers, secure conference rooms and digital signage communication.

We deliver on what matters most to federal government agencies including:

- Extreme reliability
- Range of products
- One-stop shopping
- Stocking and availability
- Strong warranties
- Security
- Equipment monitoring and protection
