MISSION CRITICAL PERFORMANCE FROM LEGRAND | AV

At Legrand | AV, we understand the importance of reliable performance in mission critical spaces. After all, there's a lot on the line. Public safety and security. Emergency situations. Military installations. Traffic and transportation operations. Critical information that must never be compromised.

It's imperative that your AV solutions perform reliably all day, every day without missing a beat.

Count on Legrand | AV for the most critical applications in federal government.

With Legrand | AV, you eliminate the hassles of working with multiple vendors and gain the benefits of innovation and market leadership, plus a solid portfolio of solutions including:

- Chief video walls
- C2G cables and connectivity
- Da-Lite projection screens
- LundHalsey control room consoles
- Middle Atlantic racks and furniture
- Raritan and Server Technology power distribution
- Vaddio PTZ cameras

Legrand | AV offers an extensive selection of TAA-compliant products for mission critical command and control centers.

Strong warranties

LUNDHALSEY

VISIONLINE 24/7
(Fixed Height)

Flip-up cover to access cables and base of the console, with soft-close feature

Kontrol touch desktop power module (optional)

Corner LED Lights for facilities that use color code designations (optional)

Available in small (49.5"), medium (63") and large (83") widths

Metal frame in high quality steel

Front and Rear access for 19" rackmount

Bottom side-to-side cable duct

Electrically height adjustable from 26" to 47" (66 – 119 cm)

Integrated cable management

Cable duct with 3U 19" rack mount ready for small devices like thin clients, KVM, extenders etc.

Universal mounting and cable pass-through for monitors

VISIONLINE AIR 24/7
(Adjustable Height)

Total access to active area without disrupting operator's tasks

Backlit customizable end panels

Dual side cable entrance

Removable service cover

VISIONLINE AIR provides a sit/stand setting for optimized operator comfort – electrically height adjustable at the touch of a button
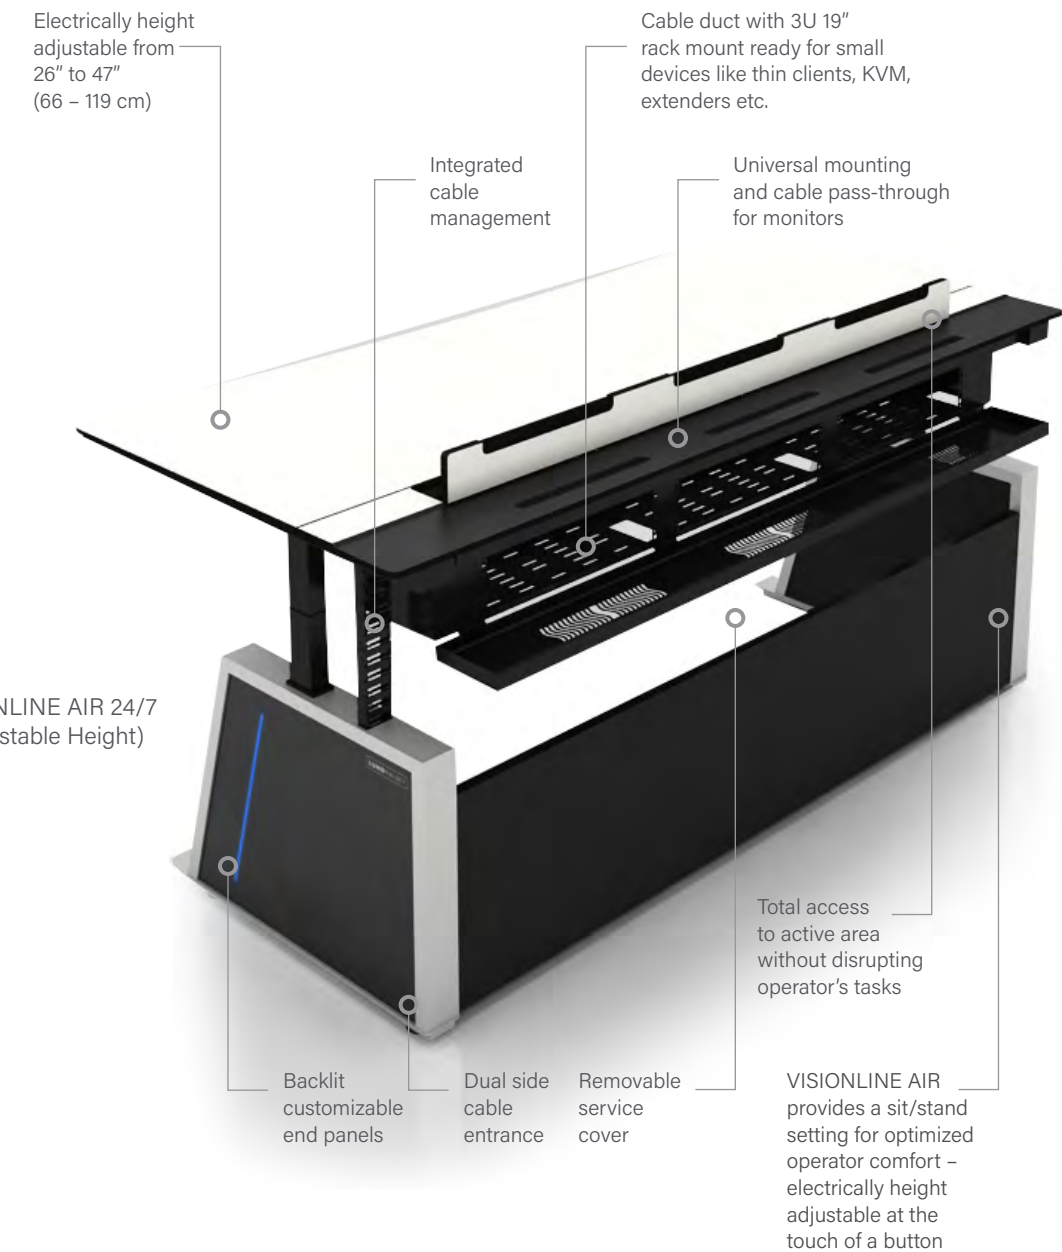

MAXIMIZE OPERATOR EFFICIENCIES WITH AV FURNITURE THAT'S DESIGNED FOR THE JOB

VISIONLINE 24/7. The ideal modular solution for the modern 24/7 control room.

VISIONLINE 24/7 Consoles provide unrivaled flexibility – thanks to a modular design and configuration options including straight, concave and convex. Operators will appreciate the ergonomics as VISIONLINE is available in electric height adjustable models or fixed heights. Designed with features that accommodate AV solutions and make them easily accessible, VISIONLINE truly makes a huge difference in control room efficiencies.

Our exclusive partnership with LundHalsey brings their innovative, award-winning solutions to North America.

legrand | AV

OPTIMIZE THE SETUP WITH VISIONLINE ACCESSORIES

CORNER LED LIGHTS

For secured facilities with different codes (code red, code blue). Programmable – set it up for any color you want using a remote. Lighting options can also be tied into a DMS control or lighting control system.

CPU HOLDER

Attaches to leg to keep the CPU off the floor and worksurface.

SINGLE MONITOR ARM

Articulating monitor arm adjusts to user's height and reach.
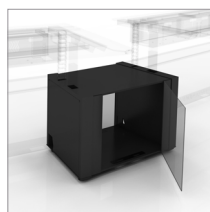

KONTROL TOUCH DESKTOP POWER UNIT

Touch it and it will automatically flip to reveal two power outlets and two USB charging ports.

BRIDGING CABINETS

Connect consoles together to create straight, convex or concave layouts while providing rackmount storage as well.

LED DIMMABLE TASK LIGHT

Sleek design is dimmable for just the right amount of light.
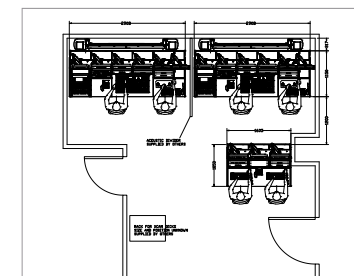

DEFINE THE FUTURE WITH FORWARD-THINKING INNOVATION

### LUNDHALSEY CUSTOM DESIGN SERVICES

Count on LundHalsey's experienced design team to help you achieve the perfect solution for your control room.

A dedicated project manager will work with you throughout your project, from design to implementation, providing concept drawings and high-quality 3D renderings so you will have an accurate vision of what your end product will look like.

LUNDHALSEY®

Fully modular and customizable

Kontrol monitor arm solution

Integrated power and cable management

Adjustable KVM shelf

Kontrol Touch desktop power unit

Kontrol Touch to access power and USB

Available in fixed height or electric height adjustable

Available in straight, concave and convex

Side panel feature lighting

Pull out front access panel (lockable)

Cable access point

MCB panels

Pull out PC tray

Cable route management grommet

4U rack frame (up to 10U)

Low noise ventilation fan

TAKE COMMAND WITH CONSOLES THAT EASILY ADAPT TO YOUR ROOM

KONTROL COMMAND. The customizable solution for today's mission critical rooms.

For control rooms with specific setup needs, Kontrol Command Consoles are modular and fully customizable as well. They accommodate a wide range of accessories and are available in straight, concave and convex models to fit any room configuration.
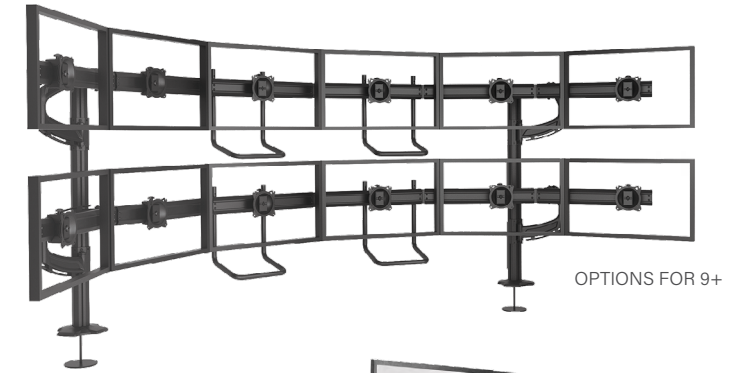

ONLINE TOOL FOR CUSTOM DESIGNS

Visit **www.lundhalsey.com** and use the 3D configurator tool to design your own Kontrol Command custom consoles and then use them to design a mission critical room.
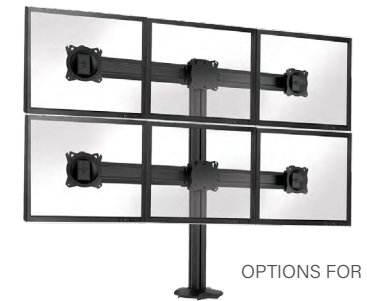

CHIEF®

CATCH EVERY PIXEL WITH MULTI-USER DESKTOP SOLUTIONS

OPTIONS FOR 9+

KONTOUR K4 GROMMET MOUNTED ARRAY

Chief Kontour K4 provides an aesthetic and easily adjustable solution for monitor array stations where multiple users will want to reposition the bank of screens to their preferred viewing distance.

OPTIONS FOR 6

OPTIONS FOR 3

CHIEF®

SEAMLESS, SCALABLE VIDEO WALL SOLUTIONS

TiLED™ LED VIDEO WALL MOUNTING SYSTEM

Video walls are the backbone of a mission critical environment. LED video walls provide pristine viewing quality for data and graphics – critical in helping visualize information needed to make serious decisions.

The TiLED Series from Chief is a modular, LED mounting system that allows for a high quality, seamless display and endless configurations as well. Its scalable design meets the needs of even the most expansive video walls.
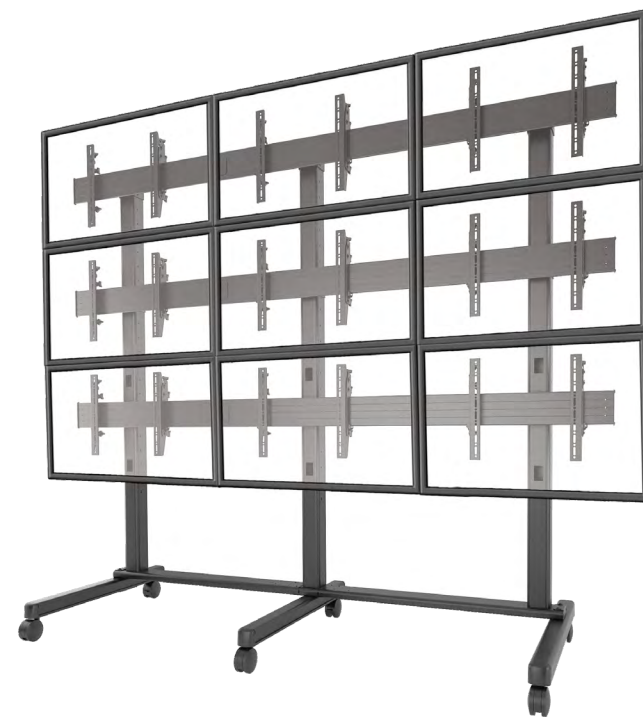

CHIEF

PORTABLE COMMAND CENTERS

CHIEF FUSION MICRO-ADJUSTABLE LARGE FREESTANDING VIDEO WALL SOLUTIONS

Chief's FUSION freestanding solution makes it possible to construct video walls in any location – and easily move them to another area. Comes in landscape or portrait arrangements to fit any application. The LVM cart allows a video wall to be moved into any application, while the LBM bolt-down freestanding video wall creates a permanent solution when a wall isn't available. Available in 2x2, 3x1, 3x2 and 3x3.

DA-LITE.

PROJECTION FOR LIMITLESS, CURVED SPACES

DA-LITE CURVED SERIES 300 LACE & GROMMET FRAME

Ideal for viewing dashboard data in large control rooms, the Da-Lite Series 300 is available in a variety of screen surfaces and sizes. Use with Da-Lite's front projection screen surfaces in sizes up to 90' wide, and rear projection surfaces up to 40' wide

MIDDLE ATLANTIC®

SET THE FOUNDATION FOR RELIABILITY

The foundation of every command and control space is a robust enclosure that takes into account not only the mounting of the critical electronic components, but also the management of heat and cables. Middle Atlantic has an extensive offering to meet virtually any requirement, from code compliance needs to access challenges.

GRK SERIES RACK ENCLOSURE

Designed for narrow multi-bay systems with high density video cable bundles where horizontal or vertical lacing is desired. Up to 52RU.

VRK SERIES RACK ENCLOSURE

Designed for narrow multi-bay systems with high density video cable bundles where horizontal or vertical lacing is desired, and higher weight capacity and seismic certification are required.

SWR SERIES SHALLOW WALL RACKS

Acts as both a connector panel and a generous pull-box. Includes adjustable rackrail and LKO's for conduit entry on top and bottom of backpan.

SNE SERIES SECURITY NETWORK ENCLOSURE

This purpose-built series was designed to meet the specific requirements of IP, analog and hybrid systems. Four available configurations fit your system type, wiring needs, cooling requirements and rack location.desired. Up to 52RU.

BGR SERIES GANGABLE RACK ENCLOSURES

Achieve 5x faster installs while maximizing usable space with the innovative mounting features from the Forward and Lever Lock™ series of products available in this 23" (58 cm) width rack.

SR SERIES WALL MOUNT RACKS

Challenged by space limitations? The SR Series provides the capacity of a full size rack with the access of a wall mount enclosure. Now Forward and Lever Lock compatible.
