

FlexView with HuddleSHOT FC

Mobile Videoconferencing Cart

YOUR NEW FAVORITE VIDEOCONFERENCING SOLUTION

Another exciting product collaboration from Legrand | AV! This solution from Middle Atlantic and Vaddio was meticulously designed by our engineers to include all the necessary components for a videoconferencing system in small to medium collaboration spaces. The FlexView Conferencing Cart with HuddleSHOT FC makes installation and usability a breeze for installers and end-users alike, not to mention specification with 1 part number...did we mention it's only 1 part number?

**shown with optional front shelf*

FlexView Features & Benefits

Save time and money! The HuddleSHOT FC camera is factory installed.

No guesswork on camera placement. The FlexView has a pre-defined camera locations (36" and 42" above the floor) and with a simple rotation of the front panel the camera can be higher or lower to support various screen sizes (up to 75").

Mobile or stationary, you decide. The FlexView includes interchangeable casters (pre-installed) and leveling feet so you can keep the system where it is or move it from room-to-room

Of course there is equipment mounting, 2RU of vertical mounting and tool free Lever Lock™ small device mounting for everything else you need.

Supports larger displays: including most 75" interactive screens, with 300x300mm to 800x400mm VESA mounting pattern and overall weight capacity of 175lbs (79kg).

ADA compliant for touchscreen use. The FlexView base is scalloped for unimpeded display interaction.

Vaddio HuddleSHOT FC Features & Benefits

Let's be crystal clear. Be heard and be seen with unmatched audio and video clarity. The Vaddio HuddleSHOT FC has built in full stereo speakers, two integrated microphones with echo cancellation and a 2x Digital Zoom with 1080p/60 resolution lens with a 125 degree field of view.

Yes, you are on mute. A blinking red LED light indicates when the microphones are muted.

POE+ to power up the HuddleSHOT FC and reduce cable management.

Remote management For the Win. Connect and manage the included HuddleSHOT FC with the free Vaddio Deployment Tool along with all your other Vaddio cameras on the network for easy enterprise deployments/

Seamless integration with major cloud-based conferencing applications including Zoom, Microsoft Teams, Google Meet, Cisco WebEx, GoToMeeting and more.

For larger huddle space., HuddleSHOT FC can be paired with optional TableMIC or CeilingMIC microphones to extend the pickup range.

Optional Accessories:

Even more flexibility. Add the 15' power cord retractor and/or the 20' Cat6 retractor for a hardwired connection almost anywhere in the room.

Take a shelfie. Add the optional shelf to the front of the cart for anything from control system touch panels to pens and pencils.

What about Europe? The European power cable optional accessory make this cart very continental.
