# SIMPLIFIED CONNECTIVITY

Cables are the unsung hero for most AV and IT installs. C2G's high-performing cables connect screens, devices and collaboration equipment, allowing users crisp pictures and clear connections no matter the room size. With a lifetime warranty on all cables, C2G has been the manufacturer that the AV and IT industry has trusted for decades.

# INSTALLER INSPIRED

With over 40 years of proven product and service excellence, Chief has earned their place as the #1 Commercial AV mount. Chief's innovative features and collaborative design efforts ensure a quicker install, sleeker look, and a flexible set up that allows the space to change as your needs do. With product warranties for up to 10 years, your customer has peace of mind and can focus on the screen, not the mount.

## Projector Mount

Chief PN	Description	Weight Capacity
RPAU	Universal Ceiling Projector Mount	50 lbs

## Over-The-Board Mount

Chief PN	Description	Weight Capacity
OB1U	Over-the-Whiteboard Interactive Display Mount	310 lbs

## Time Saving Floor Supported Mount

Chief PN	Description	Weight Capacity
AVSFSS	Tempo™ Flat Panel Floor Support System	200 lbs

**OB1U** allows for easy installation and adjustment of heavy interactive flat panel displays over existing whiteboards.

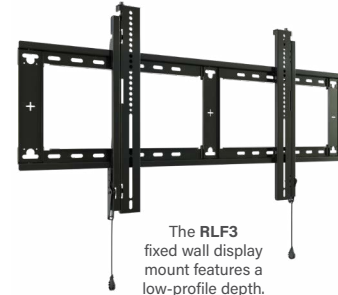

**AVSFSS** uses the floor instead of the wall to support displays, reducing install time and increasing cost savings across large roll outs.

# FOR YOUR IMAGE

Da-Lite, the inventor of the Silver Screen, has continued to be the leading producer of high-quality commercial screens for over 100 years. With more than 15 screen surfaces to choose from, Da-Lite's screen technology is specified for the most demanding installations allowing people to be seen and be heard.

## Tensioned Advantage with SightLine™

Da-Lite PN	Nominal Diagonal	Format	Screen Surface
DL15011LS	123" Diagonal	16:10	HD Progressive 1.1
DL15017LS	130" Diagonal		
DL15023L	137" Diagonal		

## Tensioned Advantage®

Da-Lite PN	Nominal Diagonal	Format	Screen Surface
21808LS	123" Diagonal	16:10	HD Progressive 1.1
21810LS	130" Diagonal		
21814LS	137" Diagonal		

21810LS

**DL15017LS,** SightLine gives the impression of a floating screen and eliminates the need to measure for a black back drop.

## No Fuss Installs: Tensioned Designer Contour®

Da-Lite PN	Nominal Diagonal	Format	Screen Surface
14552	94" Diagonal	16:10	HD Progressive 0.9
14567	109" Diagonal		
14573	113" Diagonal		

**29168** ships assembled. This technology mimics the look of a television, but without the glare from windows or lighting fixtures.

## Interactive Dry Erase Screen: IDEA™ Screen

Da-Lite PN	Nominal Diagonal	Format	Screen Surface
28273	87" Diagonal	16:10	IDEA
25940	100" Diagonal		
25943	108" Diagonal	16:09	

## Fixed Frame Screen: Parallax® Thin

Da-Lite PN	Nominal Diagonal	Format	Screen Surface
29171	100" Diagonal	16:09	Parallax Pure 0.8
29169	110" Diagonal		
29168	120" Diagonal		

**25940** being utilized to host a hybrid meeting. Paired here with a Chief short throw projector and a Vaddio camera, sold separately.

# WHAT GREAT SYSTEMS ARE BUILT ON

By providing exceptional support and protection products for all integrated electronic systems, a conferencing solution can now be easily managed remotely and securely. Middle Atlantic strives to design all products from an Installer's point of view, leaving tough installs in the past and the focus on the future of conferencing.

## EasyIP: AV-over-IP Solutions

### Start with EasyIP Decoder or Base Kit

Vaddio PN	Description	Available Colors	Zoom	
999-60210-000	EasyIP Decoder	Black	30x	Plug & Play 
999-30201-000W	EasyIP 10 Base Kit	Black / White	10x	Includes: camera, decoder and network switch 
999-30232-000W	EasyIP 20 Base Kit		20x	

### Connect Up to 4 EasyIP Cameras

Vaddio PN	Description	Available Colors	Zoom	
999-30200-000W	EasyIP 10 PTZ	Black / White	10x	Auto-Framing 
999-30230-000W	EasyIP 20 PTZ		20x	
999-30250-000	EasyIP 30 ePTZ		30x	

### Touch Screen Controller

Vaddio PN	Description	Available Colors	
999-42300-000	Vaddio Device Controller	Black	Included Table Stand 

### Why EasyIP?

- **Saves Money:** using AV-over-IP technology eliminates costly extenders and video switchers
- **Scalable:** connect up to 4 EasyIP cameras and 2 Vaddio CeilingMICs or TableMICs
- **FREE Remote Management:** deploy and manage hundreds of devices from anywhere on the network
- **Flexible:** Video from one camera can be delivered to 2 separate PC's (think multi-function spaces)
- **Software Agnostic:** works seamlessly with any video conferencing or streaming platform

### Need Audio?

Check out Vaddio TableMICs, CeilingMICs and Ceiling Speakers, compatible with EasyIP Decoder, on the previous page.

# SOLUTIONS FOR EVERY SPACE

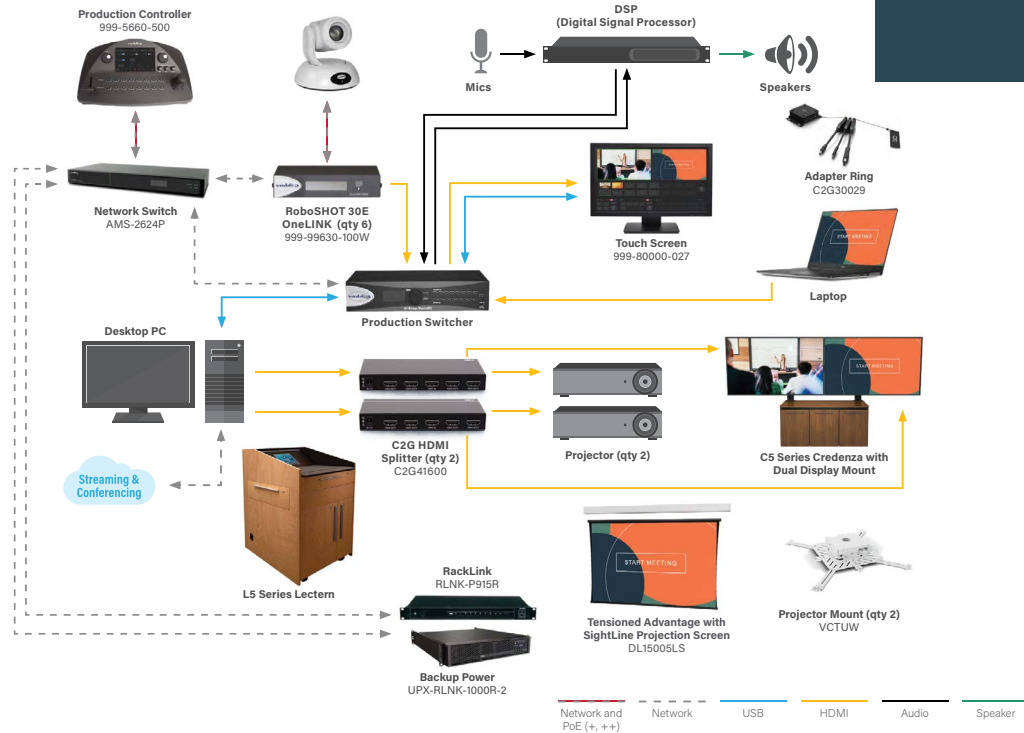

Conferencing has changed forever, sending everyone from SMBs to Fortune 100's seeking transformative workplace experiences to ensure employees feel like valuable members of the team, no matter where they are. And as much as your customers need these solutions yesterday there is a common 'wait and see' approach. We get it. Meeting the expectations of a changing work environment can be challenging. Luckily, we love a challenge.

You can build their confidence by presenting easily adaptable solutions that can be used in multiple ways, changing in tandem with their organization's needs. And we can help you do just that—from a simple video conferencing cart to a multi-camera hybrid collaboration space with accessible, interactive technologies, Legrand | AV solutions create the best seat in the house for all employees.
