Shell

▪ C2G Testing

100% of cables are tested at the production line to ensure that it meets our standards—providing the peace of mind that it will perform as expected in the field.

▪ HDMI Org Testing

The C2G Performance Series Premium Cable Series supports all HDMI 2.0 features and has been tested to conform with the Premium HDMI Cable Certification Program for highest performance and ultra-reliability.

▪ Rated Cable Jackets

Each cable jacket is rated to the highest standard required for the installation location—reducing the time and complexity required to select the right cable.

▪ Commercial Grade Connectors

The connectors feature a compact overmolding with integrated finger grips on all sides making these cables easy to insert and remove in limited access spaces and high-density environments. Additionally, the gripping connector shell provides two times the port retention of a standard connector reducing the chances of an accidental disconnect.

▪ Lifetime Warranty*

All C2G Performance Series Cables are backed by a lifetime warranty providing the peace of mind that C2G stands behind these products.

* HDMI Active Optical Cable is 3 Year Warranty
