

LUXUL

COMPANY OVERVIEW

Luxul is the leading innovator of simple-to-deploy professional grade IP networking solutions for use by custom installation professionals. We design solutions for use in both commercial and residential environments that simplify network design and deployment—resulting in a scalable network that is both powerful and easy to install.

LUXUL TOOLS

TRAINING & PROGRAM

Network Training

NETWORK TRAINING

Become Confident in Networking

Networking doesn't need to be complicated. Use our free Luxul webinars, how-to-videos, and other training materials, to help you feel more confident in networking and Luxul products.

Customer Assurance Program

CUSTOMER ASSURANCE PROGRAM

Free Network Design Services

The Customer Assurance Program (CAP) is a free network design service for dealers with a guarantee. Submit your project along with answers to a few project-specific questions, then let our network designers do the heavy lifting for you. We'll provide a complete network design based on your specs, and all that's left is to install. Install the network based on our design - if it does not perform as expected, we'll guarantee the design - providing you with additional networking equipment at no cost.
