COMPANY OVERVIEW

From small conference rooms to demanding AV over IP installations, businesses are **Simply Connected** with **Luxul**

LUXUL

Luxul is the leading innovator of simple-to-deploy professional grade IP networking solutions for use by custom installation professionals. We design solutions for use in both commercial and residential environments that simplify network design and deployment—resulting in a scalable network that is both powerful and easy to install.

LUXUL TOOLS
TRADING & PROGRAM

Network Training

Customer Assurance Program

NETWORK TRAINING
Become Confident in Networking

Networking doesn't need to be complicated. Use our free Luxul webinars, how-to-videos, and other training materials, to help you feel more confident in networking and Luxul products.

CUSTOMER ASSURANCE PROGRAM
Free Network Design Services

The Customer Assurance Program (CAP) is a free network design service for dealers with a guarantee. Submit your project then let our network designers do the heavy lifting for you. We'll provide a complete network design based on your specs, and all that's left is to install. If the installed network does not perform as expected, we'll guarantee the design - providing you with additional networking equipment at no cost.
