

CONNECTRAC

BRAND OVERVIEW

Connectrac, a proud Legrand | AV brand, is the most innovative floor-based cable management solution provider, bringing power, data, and communications access right where it's needed in any interior commercial application. Since 2005, Connectrac has offered the flexibility to meet the demands for new technology connectivity while maintaining the aesthetic and structural integrity of the building. It is the go-to solution for a wide variety of customers, including those in education, office space, retail, finance, government, airports, healthcare, and libraries.
