Consumers are billed based on their use of the company's service. Applicable governmental taxes and fees are in addition to the rates and charges for calling service.

Interstate Collect and Prepaid Calling Rates

The below rates become effective October 26, 2021. Correctional facility rates will not exceed these maximum rate caps.

Type / Size of Facility	Maximum Rate Cap
Prison	\$0.14 per minute*
Jails with ADP of 1,000 or more	\$0.16 per minute*
Jails with ADP less than 1,000	\$0.21 per minute

"ADP" means average daily population.

* May include a site commission up to \$0.02 per minute pursuant to Securus' contract with the applicable correctional facility.

Pursuant to the Federal Communications Commission's Report and Order, Order on Reconsideration, Clarification and Waiver, and Further Notice of Proposed Rulemaking, FCC 24-75, released July 22, 2024 and effective November 19, 2024 (the "FCC 2024 Order"), new rate caps will be implemented in a rolling manner from January 1, 2025, through April 1, 2026, according to criteria set forth in the FCC 2024 Order regarding each correctional facility contract's effective date. Until the final transition of the correctional agencies, the maximum rate caps from the FCC 2021 Order, set forth above, will remain in effect.

Prepaid Expiration and Refund Policy: The end user may request a refund of the available balance in an AdvanceConnect Account either by written request to the Company or by contacting the Company at its toll free telephone number once the end user verifies certain account information. Any such unused balances will expire in one hundred eighty (180) days following the last call made unless the balance is either fully depleted or a refund has been requested. An End User may request a refund of an unused account balance until final disposition of those funds.

SERVICES AND RATES (Continued)

Securus Debit: Securus Debit is a prepaid telephone account offering made available to incarcerated individuals by the Company when permitted by the correctional facility. Incarcerated individuals purchase prepaid services and replenish their Securus Debit account through electing to transfer funds from either their facility trust fund or commissary account to their Securus Debit account. Prepaid services for Securus Debit accounts may also be purchased by the incarcerated individual's friends and family members via the Company's points-of-sale. Prepaid services in this account become the property of the incarcerated individual.

Refunds of unused Securus Debit account balances are issued by the entity controlling the actual cash deposits, which is either the Company, the commissary, the correctional facility or its agent, depending on the specific arrangements, unless otherwise directed by state law. Depending on the entity issuing the refund, refund fees and/or minimum refund amounts may apply. The prepaid balance expires ninety (90) days from the date of the last call placed on the Securus Debit account unless alternative arrangements are expressly requested by the correctional facility.

Other Charges

1. **Federal Universal Service Fund Fee:** The federal government requires that all telephone companies providing interstate service contribute to a fund to make phone service affordable and available to all Americans, including consumers with low incomes, those living in areas where the cost of providing telephone service is high as well as to schools, libraries, and rural health care providers. The law permits companies to pass this charge on to its consumers. This fee, which is known as the Federal Universal Service Fund (USF) fee, is based on a specific percentage of the cost of interstate calls that is set by the federal government. The FCC Contribution factor is subject to change quarterly. The current factor can be found at <https://www.fcc.gov/general/contribution-factor-quarterly-filings-universal-service-fund-usf-management-support>.
2. **Federal Cost Recovery Charge:** This is a charge used to recover the cost of fees and surcharges that Securus is permitted to pass through to Consumers. A Federal Cost Recovery Charge may be applied to recover government-imposed charges that can't be individually itemized including, without limitation, federal charges for Telecommunications Relay Services, Local Number Portability, North American Numbering Plan administration and certain other federal taxes and assessments applicable to the calling services.
