

Mis-Using a “Parking Authority Out of Town Pass Letter” On Vehicle to Keep SUV Parked on Street for Weeks

Photo 1: Same car is now parked in front of 707 Druid Hill for 12 days. It has a Maryland Tag No. 2 DR 4780 (Toyota 4 Runner SUV). The owner continues to leave this car parked on the street for weeks. He was issued a “Residential Parking Permit” violation where he corrected that issue. However, he parks his SUV for long periods of time on the street.

He is using a “Parking Authority Out of Town Pass Letter” in his dashboard. However, is his not out of town. He comes home at this house at 704 Druid Hill Avenue everyday.
