

As of January 2026,

Blissful Care Assisted Living

at 611 Dumbarton Ave, Baltimore, MD 21218, is a licensed residential care provider.

Facility Overview

- **Capacity and Licensing:** The facility is a licensed Level 3 assisted living provider with a capacity of **5 beds**. It is registered under the Maryland Department of Health (License #30AL3624-A).
- **Key Contact:** The facility is managed by Sherre Williams.
- **Contact Information:**
 - **Phone:** (443) 453-1351
 - **Email:** blissfulLiving611@gmail.com

Services and Amenities

- **Care Levels:** As a **Level 3** facility, it is authorized to provide the highest level of assisted living care in Maryland, which includes assistance for residents with complex health needs or significant impairments.
- **Services Provided:** The facility offers an independent lifestyle for older adults with added personal assistance, support, and medication management.
- **Amenities:** Notable online listings mention the availability of **free WiFi** for residents.

Location Details

- **Neighborhood:** It is located in the **Pen Lucy** area of Baltimore.
- **Property Type:** The care is provided in a residential home setting, which typically offers a smaller, more intimate environment compared to large institutional facilities.
