

On February 2, 2026, at approximately 4:30 p.m., I left my home to run errands. When I returned later that evening, my back door had been kicked in during a break-in. The lock was broken, wood debris was on the floor, and the door would not properly secure.

My home was ransacked, personal property was stolen, and my child's emotional support dog was taken. Baltimore City Police responded, and forensic investigators collected evidence from my unit.

As of February 3, 2026, my door has still not been repaired or secured by property management, leaving my home unsafe for occupancy. I have a child in the home and do not feel safe.

I am requesting an immediate inspection and enforcement action for unsafe and unsecured entry points.
