Request for improved Stop signage at intersection of Fort Ave and Andre Street

This intersection has high auto and 18-Wheeler traffic

- Daily neighborhood traffic
- Fort McHenry traffic, bus and car
- Heavy 18-Wheeler for various businesses
- Traffic for Latrobe Park
- Traffic for Ice Queens and City Limits.
- FSK school 1 block away high children crossing

This current signage is inadequate

- There are only 2 stop signs each direction
- No warning sign of stop ahead
- Routinely trucks and Ft. McHenry traffic go through intersection not seeing the inadequate signs.

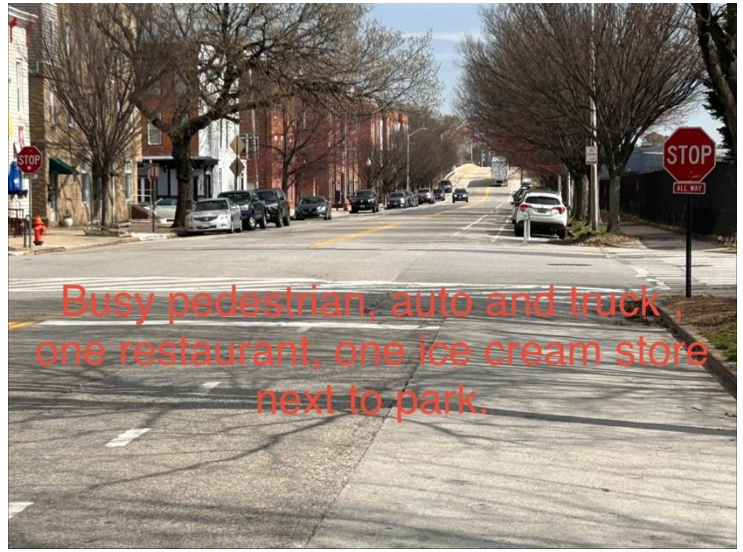

Request / Ask

- New lighted sign as used at the intersection of Webster and Fort
- Warning signs for both direction indication stop ahead.
- Stop signs on all corners both directions.

Current signage at intersection of Fort Ave and Andre Street
