

We had a missed recycling pick-up on Thursday 3/26/26.

We are at 3107 N. Charles St.

We put our recycling can out on the night before -- Wednesday 3/25/26.

We're the only recycling pick-up spot on our block, so I can't compare it with others, except I see the block next to ours did get their recycling picked up on the day in question.
