

Baltimore city trash complaint

Resident of 6009 Walther Ave, (anonymous complaint)

Baltimore, MD 21206

Department of Sanitation or Baltimore City Department of Public Works

Subject: Repeated Complaint Regarding Illegal Trash Disposal by 6011 Walther Avenue Residents.

To Whom It May Concern,

I am writing to formally report an ongoing issue concerning the residents of 6011 Walther Avenue. Despite previous complaints and requests, these neighbors continue to dispose of their trash directly in the alley, unbagged and unmanaged. Every week, this results in the alley becoming unsanitary and the garbage frequently ends up at my property, 6009 Walther Avenue.

This is not the first occasion I have raised this concern. I respectfully urge the city to take appropriate enforcement action to ensure compliance with trash disposal regulations. The persistent negligence by 6011 Walther Avenue residents must be addressed to maintain the cleanliness and safety of our community.

Thank you for your immediate attention and action.

Sincerely,

Eliselda Rodriguez
