

City of Baltimore 3-1-1 Service Request Update - 26-00465215

I initiated a service request for 909 Evesham Ave to have their grass cut...too high. I looked my 311 App and it states No fines were issued. However; I looked at the email dated May 21, 2026 I received and it states a Fine was issued. I'm confused and wanted to know the outcome. Can you tell me if a fine was issued for this service request?
