13. TRUTHFULNESS OF RENTAL APPLICATION: Tenant represents and warrants that the statements made on the Rental Application for this Lease are true and complete in all material respects. Tenant acknowledges that all representations on the Application are material representations that have been relied upon by the Landlord as an inducement to the rent the Premises to the Tenant. If any representation made by Tenant in the Application is false or misleading as to any material fact, Landlord shall have the right to terminate this Lease, to hold Tenant liable for any and all damages to the Premises, to exercise all legal and equitable rights and remedies, and to recover reasonable attorney's fees and costs. Tenant shall provide Landlord or Landlord's Agent with current home and work telephone numbers at start of Lease and at any time during this Lease that such numbers change.

14. SECURITY DEPOSIT NOTICE AND RECEIPT: The Tenant shall, upon execution of this Lease, deposit with the Landlord the sum indicated above [See Section 7], which shall not exceed two months' rent, to be held in an escrow account to ensure full compliance by Tenant of all provisions of this Lease, including but not limited to Tenant obligations with respect to damages caused by the Tenant, Tenant's family, agents, employees, guests, other invitees or pets. The Landlord hereby acknowledges receiving from the Tenant payment of the Security Deposit referred to in Section 7. Within 30 days after Landlord receives the security deposit, the Landlord shall deposit the funds into an interest-bearing account devoted exclusively to security deposits, and thereafter maintain the security deposit in a federally insured financial institution that does business in the State of Maryland.

At the end of the tenancy, the security deposit, or any portion thereof, may be withheld for unpaid rent, damage due to breach of lease or for damage by the Tenant or the Tenant's family, agents, employees, guests or invitees in excess of ordinary wear and tear to the leased premises, common areas, major appliances, and furnishings owned by the Landlord or unreturned keys and/or for any unpaid charges or attorney fees suffered by the Landlord by reason of Tenant's default of this Lease Agreement. The Tenant is hereby advised that Tenant has the right to be present when the Landlord or the Landlord's agent inspects the premises in order to determine if any damage was done to the premises, if the Tenant notifies the Landlord by certified mail, email of the Tenant's intention to move, the date of moving, and the Tenant's new address. The notice to be furnished by the Tenant to the Landlord shall be mailed or emailed (via official email on file) at least 15 days prior to the date of moving. Upon receipt of the Tenant's notice, the Landlord shall notify the Tenant by certified mail or official email on file of the time and date when the premises are to be inspected. The date of inspection shall occur within five days before or five days after the date of moving as designated in the Tenant's notice. Failure by the Landlord to comply with this requirement forfeits the right of the Landlord to withhold any part of the security deposit for damages, although Landlord may retain the right to pursue other legal remedies against the Tenant. The Landlord's application of the Security Deposit shall not be the Landlord's sole remedy in the event of the Tenant's default if the costs of repairs, replacements or other damages exceed the Security Deposit, the Tenant shall pay for such excess costs. During the tenancy, the Tenant may not use the Security Deposit for any payment of rent or other obligations, and the Tenant shall not use the Security Deposit as the last month's rent.

The security deposit is not liquidated damages and may not be forfeited to the Landlord for breach of the rental agreement, except in the amount that the Landlord is actually damaged by the Tenant's breach. In calculating damages for lost future rents any amount of rents received by the Landlord for the premises during the remainder if any, of the Tenant's term, shall reduce the damages by a like amount.

If Landlord withholds any portion of the security deposit for damages as described above, the Landlord must present by first-class mail (or official email on file) directed to the last known address of the Tenant, within 45 days after the termination of the tenancy, a written list of the damages claimed by Landlord together with a statement of the cost actually incurred. If the Landlord fails to comply with this requirement, the Landlord forfeits the right to withhold any part of the security deposit for damages.

Within 45 days after the end of the tenancy, the Landlord shall return the security deposit to the Tenant together with simple interest which has accrued in the amount of 1.5% percent per annum, or a rate equal to the U.S. Treasury Daily Yield Curve Rate, whichever is higher, less any damages rightfully withheld. For any year in which the Landlord has held the Security Deposit for less than the full year, the Landlord shall pay an amount of interest calculated by: 1) Multiplying the amount of the deposit by the Daily U.S. Treasury Yield Curve rate for 1 year that was in effect as of the first business day of that calendar year, or 1.5% whichever is greater; and 2) multiplying the result obtained under items 1 of the subparagraph by a fraction, the numerator of which the number of months that the deposit was held that year and the denominator of which is 12. Interest shall accrue at six-month intervals from the day the Tenant gives the Landlord the security deposit. Interest is not compounded. Interest shall be payable only on security deposits of \$50 or more. If the Landlord, without a reasonable basis, fails to return any part of the security deposit, plus accrued interest, within 45 days after the termination of the tenancy, the Tenant has an action for up to threefold of the withheld amount, plus reasonable attorney's fees.

If any security deposit is paid by Tenant [See Section 7], Tenant is hereby notified of the following:

- (1) At the commencement of the tenancy, if the Tenant specifically requests by certified mail within 15 days of the Tenant's occupancy, the Tenant has right to have the dwelling unit inspected by the Landlord in the Tenant's presence for the purpose of making a written list of damages that exist at the commencement of the tenancy;
- (2) At the conclusion of the tenancy, if the Tenant notifies the Landlord by certified mail at least 15 days prior to the date of the Tenant's intended move, of the Tenant's intention to move, the date of moving, and the Tenant's new address, the Tenant has the right to be present when the Landlord inspects the premises in order to determine if any damage was done to the premises; if Tenant provides such notice, the Landlord has the obligation to conduct the final move-out inspection within 5 days before or after the Tenant's stated date of intended moving, and the Landlord has an obligation to notify the Tenant in writing, by certified mail, of the date and time of the final move-out inspection;

- (3) The Tenant has a right to receive, by first class mail, delivered to the last known address of the Tenant, a written list of the charges against the security deposit claimed by the Landlord and the actual costs, within 45 days after the termination of the tenancy;
- (4) The Landlord has an obligation to return any unused portion of the security deposit, by first class mail, addressed to the Tenant's last known address, within 45 days after the termination of the tenancy; and
- (5) The failure of the Landlord to comply with the security deposit law may result in the Landlord being liable to the Tenant for a penalty of up to 3 times the security deposit wrongfully withheld, plus reasonable attorney's fees.

15. SURRENDER OF PREMISES AND MOVE-OUT INSPECTION: The Tenant shall, upon termination of this Lease, surrender the Premises and all fixtures and equipment of the Landlord in good, clean and functioning condition, ordinary wear and tear excepted. The move-out inspection shall be made to determine whether there are any damages to the Premises by the Tenant and whether the Tenant may be liable for damages exceeding the amount of the Security Deposit.

Prior to this inspection, the Tenant shall:

1. Ensure that the Premises are thoroughly cleaned, including the stove, refrigerator and windows, remove all personal property of Tenant as well as trash from the Premises; clean gutters and downspouts, cut grass and remove leaves as necessary;
2. Eliminate any other household pests from the interior of the Premises, including but not limited to fleas, ticks, roaches, ants and rodents;
3. Have the Premises professionally treated for fleas and ticks and provide a paid receipt, if pets have been present.

Within twenty four (24) hours after vacating the Premises, the Tenant shall return to the Landlord or Landlord's Agent all keys, garage door openers, passes and documents, including all provided appliance manuals and Community Association documents. Failure to comply will be cause to charge the Tenant for changing the locks and/or the cost of replacing the Community Association documents.

If the Tenant does not accomplish such cleaning, trash removal, exterminating and return of Landlord's property above, Landlord or Landlord's Agent may have such items completed at the Tenant's expense, and the Tenant hereby agrees to reimburse the Landlord for such expense. The costs and expenses referred to above shall be considered damages due to breach of Lease in excess of ordinary wear and tear. Any property which is left on or at the Premises after the termination of the tenancy shall be considered to be abandoned by the Tenant or others and Landlord or Landlord's Agent may dispose of it without liability to Tenant or others. Such storage or removal shall be at the expense of the Tenant.

16. PAYMENT OF RENT: Rent is due and payable on the **first day** of each month. It is agreed and understood by all parties to this Lease Agreement that any rental payment received by the Landlord or Landlord's Agent **seven** (7) days or more after the due date shall be subject to imposition of a late charge of five percent (5%) of the monthly rent. This late charge, if not remitted with the delinquent rental payment shall remain due and is payable immediately. All late fees payable by Tenant shall constitute additional rent due under this Lease. Should the Landlord or Landlord's Agent accept any partial payment of rent, this acceptance shall not be interpreted as changing the terms of the Lease which require the payment of rent in advance. Any payment made by the Tenant to the Landlord or Landlord's Agent shall first be applied to any outstanding amounts for charges other than the current month's rent (past rent, late charges, legal fees, returned check charges, repair bills or deductible charges, court costs and other reasonable and associated costs of judicial proceedings, etc.) before being applied to the current month's rent. Payment shall always be applied to the Security Deposit due before being applied to rent. If any personal check used in payment of rent, Security Deposit, or any other monies due the Landlord, is returned by the bank for insufficient funds, closed account, or any other reason, all future payments must be made in cash, certified check or money order at the option of the Landlord or Landlord's Agent. Tenant agrees to pay Landlord an administrative charge of \$25.00 on all such returned checks. Unless Tenant makes payment by check, Landlord or Landlord's Agent shall give Tenant a receipt showing payment and the time period the payment covers.

17. PERSONS WHO WILL OCCUPY THE PROPERTY: Tenant covenants and agrees that the Property shall be occupied only by the following person(s). and by no other persons: _____

18. USE, QUIET ENJOYMENT AND LOCAL LAWS: Landlord covenants that the Tenant, upon paying the rent and complying with the terms of this Lease, shall peaceably and quietly have, hold and enjoy the Premises for the Term of the Lease. The Tenant shall use the Premises in compliance with applicable laws and ordinances, in a manner which shall not increase the Premises' insurance rates.

19. PETS: No pets of any kind are permitted on the Premises at any time except those, if any, permitted in writing by Landlord or by Law. Tenants who are authorized to have pets agree to pay the cost of having the property treated for fleas and ticks by a professional exterminator. Tenant

further agrees to assume all liability for pet's behavior and actions and will be responsible for compliance with all laws, regulations and ordinances regarding pets and for any damage caused by said pet including but not limited to, odor and property damage. Additionally, Tenant agrees to pay for any and all damages caused by pets to the Property. If it is discovered that there is a pet on the premises without a signed pet addendum, the Tenant will immediately be billed up to a \$250.00 additional non-refundable pet fee per pet. This action is also considered breach of the terms of the Lease and could result in termination of the Lease. Tenant is authorized to have pet(s): (No). **If yes, see separate pet addendum.**

20. TENANT'S COMPLIANCE WITH SAFETY AND INSURANCE REGULATIONS: Tenant agrees not to do or permit to be done anything on the Property in contravention of any hazard insurance policy in force thereon or which will increase the premium payable on such policy. Landlord will keep the city, county or private water, sewer and/or trash bills in the Landlord's name, will receive these bills directly from the municipality, will pay these bills directly to the municipality and then add the full paid amounts to the monthly rent for payment by Tenant. Such arrangements shall not relieve the Tenant of the Tenant's financial responsibility or obligation under this Lease for these services. In the event Tenant fails to make such payments or any other utility payments critical to the maintenance or protection of the property (including but not limited to electricity, heat in cold months, proper sewer or septic tank operation), then Landlord or Landlord's Agent, at its option, may pay same for Tenant's account, in which event Tenant shall immediately, as additional rent, reimburse Landlord in full the amount thereof. Such payment may, at the discretion of the Landlord, be added to or deemed part of the rent due and the Landlord shall have the right to seek the remedies for the collection of such charges, together with any interest and penalties incurred, as additional rent.

23. ALTERATIONS AND REDECORATING: Tenant shall not remodel or make any structural changes, alterations or additions to the Premises unless done so with Landlord's prior written consent, and then only by contractors or those approved by Landlord. If any party to the Lease should die during the Lease Term, the Personal Representative of the Estate of the deceased may terminate this Lease by giving at least one month's written notice prior to any rental due date.

33. LEASE VIOLATIONS: If the Tenant, Tenant's family, employees, or guests violate any provision of this Lease, or any rule or regulation herein imposed, then Landlord may reasonably treat such representation or Lease violation as a material breach of the terms of this Lease, in which event Landlord may terminate the Lease by giving written notice to the Tenant to vacate the Premises, with Tenant's possession of the Premises terminating on the date specified in Landlord's notice. Under such circumstances, Landlord may re-enter and take possession of the Premises by utilizing applicable law. If Tenant's possession of the Premises should be so terminated, or if the Premises should otherwise become vacant during the Term of this Lease, or any renewal or extension, Tenant shall remain liable to the Landlord for the rent through what would have been the expiration date of this Lease, or any renewal or extension, had Tenant's possession not been so terminated; and shall further remain liable for such other damages sustained by the Landlord due to Tenant's breach of Lease and/or Tenant's termination of possession of the Premises as long as such liability is not expressly prohibited by applicable law. Such other damages shall include, but are not limited to, costs incurred in recovering possession of the Premises, costs incurred in re-leasing the Premises such as rental commissions, administrative expenses, a proportionate share of advertising expenses, utility costs for the Premises while it remains vacant, costs incurred in cleaning, repairing or redecorating the Premises and costs reasonably associated with necessary compliance with applicable State and Federal law including cleaning and testing for lead paint as mandated under Maryland Code, Environment Article, Sections 6-801 *et seq.*

If the Premises is part of a community association, Tenant agrees to abide by all parking rules, regulations and restrictions and to use only those parking spaces provided or assigned to the unit. Tenant shall be responsible for informing Tenant's guests and invitees of these rules and Tenant shall be responsible for Tenant's guests and invitees abiding by these rules. If vehicle registration is required by the community association, it shall be Tenant's responsibility to ensure that Tenant's vehicles are registered promptly and properly. Any community association parking fines or penalties caused by Tenant's vehicles shall be the responsibility of the Tenant under this Lease and payment for such shall be promptly made by Tenant. In the event that Landlord is required by the community association to pay for such, this amount shall be considered as additional rent under the terms of this Lease.

35. LIENS ON THE PREMISES AND SIGNS: Tenant shall not create or permit any lien upon the Premises or Tenant's interest in this Lease. Tenant shall not place nor display any sign, advertisement or notice on any part of the Premises.

Should Tenant not provide proof of such coverage at move-in, Landlord reserves the right (but in no case shall be required or expected) to place such liability coverage in Tenant's name and at Tenant's expense. The cost of such policy premium, if placed by Landlord, shall be considered as additional rent. An owner of pre-1978 housing is required to disclose to Tenant, based upon owner's actual knowledge of lead-based paint hazards in the property and provide Tenant with available reports in the owner's possession relating to lead-based paint or lead-based paint hazards applicable to the Property. In the event the Federal Program is applicable, the *Disclosure of Information on Lead-Based paint and/or Lead-Based Paint Hazards* is attached and hereby made a part of this lease.

Before and during any renovation, repair or painting projects on any pre-1978 housing, contractor(s) must comply with all requirements of the RRP.

Tenant shall not personally perform any renovation, repair or painting project which might disturb lead-based paint in pre-1978 rental housing. Tenant shall not hire any contractor(s) to renovate, repair or paint pre-1978 rental housing unless Tenant provides to Landlord/Agent written evidence, satisfactory to Landlord/Agent, that all such contractor(s) to perform such work are certified by the EPA or state equivalent, and shall perform such work in strict accordance with RRP. 39. ACCESS TO THE PREMISES AND INSPECTION DURING OCCUPANCY: The Landlord or Landlord's Agent, upon reasonable notice to the Tenant and at reasonable times, may enter the Premises to inspect, make necessary or agreed-upon repairs, decorations, alterations, or improvements, supply necessary or agreed-upon services, place a "For Rent" or "For Sale" sign upon the Premises and/or a key lockbox. "Reasonable times" shall generally be considered to be between 8:00 a.m. and 8:00 p.m. If Landlord or Landlord's Agent is unable to gain access after making reasonable attempts to arrange an appointment with the Tenant, Tenant authorizes Landlord or Landlord's Agent to use a key provided by Landlord or Landlord's Agent to gain entrance to the property. Before using this authorization, Landlord or Landlord's Agent shall notify the Tenant of the date and time of the inspection, although the Landlord or Landlord's Agent is under no obligation to inspect.

In case of emergency, where it is impractical for the Landlord or Landlord's Agent to give reasonable notice to the Tenant of the intent to enter the Premises, or in case the Premises have been vacated, abandoned or surrendered by the Tenant, the Landlord or Landlord's Agent may enter the Premises without notice and without the consent of the Tenant. Should it become necessary to make repairs or to decorate the Premises, the Landlord or Landlord's Agent, whenever possible, shall make arrangements for such workers to coordinate with the Tenant the time and date when workers may enter the Premises in order to accomplish the work. It then shall be the Tenant's responsibility to ensure that these workers have access to the Premises at a time and date convenient to both Tenant and workers and that this time and date should be during the regular business hours of the firm doing the work. If the Tenant refuses to allow or prevents this access as provided herein, Tenant shall bear any additional expense incurred by the Landlord or Landlord's Agent. The Landlord may take legal action to compel access or may terminate this Lease. In either case, the Landlord or Landlord's Agent may recover actual damages sustained and reasonable attorney's fees.

40 SHOWING OF PREMISES FOR RENT OR SALE: During the last **[See Section 11]** days of this Lease, the Tenant shall permit the posting of a "For Rent" sign and shall allow the Premises to be shown to prospective Tenants during the hours of 10:00 a.m. to 8:00 p.m. daily. Landlord or Landlord's Agent, if requested, shall give the Tenant at least one hour's telephone notice of such showings. However, if the Tenant is not home when the telephone call is made, the Premises may be shown utilizing the key retained by the Landlord or Landlord's Agent or by use of a key lockbox, as authorized by the Landlord. Tenant agrees to keep Premises reasonably clean and orderly and that any pets (permitted on the Premises only by an addendum to this Lease) shall not be allowed to obstruct nor interfere with any showing of the Property for rent or sale. Tenant agrees to make reasonable accommodations to comply.

41. RENEWAL PROVISION: At the end of the Term set forth above **[See Section 3]**, unless one of the parties provides to the other written notice prior to the first day of the final three full rental months of its intention to terminate this Lease at the end of such Term, then this Lease shall convert to and continue as a month-to-month Lease, subject to all remaining conditions of this Lease. Either party may terminate the month-to-month Lease at the end of any rental month provided that written notice of termination is delivered to the other party prior to the first day of the final rental month of the tenancy. **Please Initial:**

42. ASSIGNMENT, SUBLEASE AND USE: The Tenant covenants that the Tenant shall not carry on any business within the leased Premises, nor use the Premises for any purpose other than that of a private, single family residence, nor permit the Premises to be used for any disorderly or unlawful purposes. The Tenant shall not sublet the Premises, nor assign this Lease without consent in writing of the Landlord or Landlord's Agent which consent may be withheld at Landlord's sole discretion, with or without cause. The Tenant shall not use or permit the Premises to be used for any unlawful act in or upon the Premises. Further, the Tenant shall not make nor permit to be made any disturbing noises, or do anything which will unreasonably interfere with the rights, comforts or conveniences of neighbors, or act in any manner as to constitute or become a nuisance. Any breach of this provision shall be sufficient cause for the Landlord or Landlord's Agent to issue to the Tenant a thirty (30) day notice to vacate, any other provisions of this agreement notwithstanding.

43. CASUALTY DAMAGE: If the Premises are destroyed by fire, act of nature, act of God, public enemies, or other casualty, the Term of this Lease shall immediately cease upon payment of rent apportioned to the day of such happening. If, however, the Premises are only partially destroyed or damaged and the Landlord decides to repair the Premises, such repairs shall be made by the Landlord or Landlord's Agent without unreasonable delay, and this Lease shall remain in full force and effect, without any abatement of rent. Should Tenant negligence or omission be the cause of the destruction or damage, the Lease shall not cease nor shall there be any abatement in rent, and the Tenant shall be liable for the rent during the unexpired Term of this Lease, without abatement unless Landlord elects to terminate this Lease.

44. ACT OF GOVERNMENT: If the leased Premises is acquired or condemned by eminent domain for any public or quasi-public use or purpose, whether in whole or in part, and such acquisition or condemnation renders the Premises uninhabitable then the Term of this Lease shall cease and terminate as of the date the governmental body obtains title in such proceedings, and all rents shall be paid to that date and the Tenant shall have no claims against the Landlord or Landlord's Agent for any value of the unexpired Term of the Lease.

45. DRUG-FREE PREMISES: It is the policy of the Landlord to make reasonable efforts to provide an environment free from any illegal drug activity. Tenant acknowledges that the use or possession of illegal drugs (including any controlled dangerous substances as defined by federal, state or local law) upon the Premises is strictly prohibited. Tenant agrees that no person occupying or otherwise using the Premises, shall manufacture, sell, distribute, dispense, or store any illegal drugs on or about the Premises, nor shall any such person attempt, endeavor or conspire to manufacture, sell, distribute or store any illegal drugs on or about the Premises. Any violation of this prohibition shall give Landlord the right to terminate this Lease immediately, in which event Landlord shall give Tenant written notice to vacate the Premises. If Tenant fails to vacate the Premises in accordance with the notice, Landlord shall be entitled to immediately seek repossession of the Premises in accordance with applicable law. Tenant agrees Landlord shall be entitled to repossession of the Premises pursuant to this provision if Landlord or Landlord's Agent has a reasonable basis to believe there has been a breach of this covenant to maintain a drug-free environment.

46. MILITARY CLAUSE: In accordance with Service members Civil Relief Act (SCRA), in the event Landlord or Tenant is, or hereafter becomes a member of the United States Armed Forces on extended active duty and hereafter Landlord or Tenant receives permanent change of station orders or temporary change of station orders in excess of three (3) months to depart from the area where the Premises is located, or if either party is relieved from active duty, then in any of these events, such party may terminate this Lease upon giving at least one (1) month's written notice to the other party which notice shall have attached a copy of official orders or a letter signed by the party's commander reflecting the change which warrants termination under this clause. Termination of any such Lease providing for monthly payment of rent shall not be effective until thirty (30) days after the date on which such notice is received by the other party. In the event the transferred party is the Tenant, the Tenant additionally shall be responsible for the cost of repairing any damage to the Premises caused by his act or omission. Any temporary change of station orders of three

(3) months or less shall not constitute a basis for termination of the Lease. ***Transfer is defined as at least fifty (50) miles from the rented Premises. (A move to base quarters is not considered a transfer.)***

47. SEVERABILITY AND DEFAULT: The provisions of this Lease are severable and if any provision, clause, sentence, section or part thereof is held illegal, invalid, unconstitutional or inapplicable to any person or circumstance, such illegality, invalidity, unconstitutionality or inapplicability shall not affect nor impair any of the remaining provisions, sentences, clauses, sections, or parts of the Lease or their application to the Tenant or other persons or circumstances. If by reason of default or breach by the Tenant of the covenants contained in this Lease, the Landlord or Landlord's Agent is subjected to or incurs any liability, penalty, or expense, including reasonable attorney's fees, then the Tenant agrees to pay, reimburse, or otherwise be liable to the Landlord or Landlord's Agent for any such liability, penalty, or expense to which the Landlord or Landlord's Agent is subjected or which the Landlord or Landlord's Agent incurs. In the event that legal proceedings are instituted against the Tenant by the Landlord or the Landlord's Agent, whether for payment of rent, possession of the Premises or enforcement of any covenants contained in the Lease, the Tenant agrees to pay, reimburse, or otherwise be liable to the Landlord or Landlord's Agent for any expenses of such litigation, including but not limited to, court costs, litigation expense and reasonable attorney's fees incurred by the Landlord or Landlord's Agent incidental to such legal proceedings. Notwithstanding any of the above, the Landlord and Landlord's Agent waive any provision of this Lease which is now or shall become illegal or contrary to any law or legislation in the jurisdiction of said property.

48. HEIRS AND ASSIGNS: It is understood and agreed that the terms and conditions contained in this agreement to be performed by the respective parties are binding on and may be legally enforced by said parties, their heirs, executors, administrators, successors and assigns.

49. LANDLORD DOES NOT WAIVE LEGAL RIGHTS: The failure of landlord to insist upon strict performance of any of the terms and conditions of this Lease, in any one or more instances, or to exercise any election herein provided, shall not constitute or be construed as a waiver by landlord of such term or condition or an election for future instances.
