Are You Planning To Buy, Rent, or Renovate a Home Built Before 1978?

Many houses and apartments built before 1978 have paint that contains high levels of lead (called lead-based paint). Lead from paint, chips, and dust can pose serious health hazards if not taken care of properly.

Federal law requires that individuals receive certain information before renting, buying, or renovating pre-1978 housing:

LANDLORDS have to disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a disclosure form about lead-based paint.

SELLERS have to disclose known information on lead-based paint and lead-based paint hazards before selling a house. Sales contracts must include a disclosure form about lead-based paint. Buyers have up to 10 days to check for lead.

RENOVATORS have to give you this pamphlet before starting work.

IF YOU WANT MORE INFORMATION on these requirements, call the National Lead Information Center at **1-800-424-LEAD (424-5323)**.

This document is in the public domain. It may be reproduced by an individual or organization without permission. Information provided in this booklet is based upon current scientific and technical understanding of the issues presented and is reflective of the jurisdictional boundaries established by the statutes governing the co-authoring agencies. Following the advice given will not necessarily provide complete protection in all situations or against all health hazards that can be caused by lead exposure.

IMPORTANT!

Lead From Paint, Dust, and Soil Can Be Dangerous If Not Managed Properly

- FACT:** Lead exposure can harm young children and babies even before they are born.
- FACT:** Even children who seem healthy can have high levels of lead in their bodies.
- FACT:** People can get lead in their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- FACT:** People have many options for reducing lead hazards. In most cases, lead-based paint that is in good condition is not a hazard.
- FACT:** Removing lead-based paint improperly can increase the danger to your family.

If you think your home might have lead hazards, read this pamphlet to learn some simple steps to protect your family.

Lead Gets in the Body in Many Ways

Childhood lead poisoning remains a major environmental health problem in the U.S.

Even children who appear healthy can have dangerous levels of lead in their bodies.

People can get lead in their body if they:

- ◆ Breathe in lead dust (especially during renovations that disturb painted surfaces).
- ◆ Put their hands or other objects covered with lead dust in their mouths.
- ◆ Eat paint chips or soil that contains lead.

Lead is even more dangerous to children than adults because:

- ◆ Children's brains and nervous systems are more sensitive to the damaging effects of lead.
- ◆ Children's growing bodies absorb more lead.
- ◆ Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Lead's Effects

If not detected early, children with high levels of lead in their bodies can suffer from:

- ◆ Damage to the brain and nervous system
- ◆ Behavior and learning problems (such as hyperactivity)
- ◆ Slowed growth
- ◆ Hearing problems
- ◆ Headaches

Lead is also harmful to adults. Adults can suffer from:

- ◆ Difficulties during pregnancy
- ◆ Other reproductive problems (in both men and women)
- ◆ High blood pressure
- ◆ Digestive problems
- ◆ Nerve disorders
- ◆ Memory and concentration problems
- ◆ Muscle and joint pain

**Lead affects
the body in
many ways.**

Where Lead-Based Paint Is Found

In general, the older your home, the more likely it has lead-based paint.

Many homes built before 1978 have lead-based paint. The federal government banned lead-based paint from housing in 1978. Some states stopped its use even earlier. Lead can be found:

- ◆ In homes in the city, country, or suburbs.
- ◆ In apartments, single-family homes, and both private and public housing.
- ◆ Inside *and* outside of the house.
- ◆ In soil around a home. (Soil can pick up lead from exterior paint or other sources such as past use of leaded gas in cars.)

Checking Your Family for Lead

Get your children and home tested if you think your home has high levels of lead.

To reduce your child's exposure to lead, get your child checked, have your home tested (especially if your home has paint in poor condition and was built before 1978), and fix any hazards you may have.

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect high levels of lead. Blood tests are usually recommended for:

- ◆ Children at ages 1 and 2.
- ◆ Children or other family members who have been exposed to high levels of lead.
- ◆ Children who should be tested under your state or local health screening plan.

Your doctor can explain what the test results mean and if more testing will be needed.

Identifying Lead Hazards

Lead-based paint is usually not a hazard if it is in good condition, and it is not on an impact or friction surface, like a window. It is defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter, or more than 0.5% by weight.

Deteriorating lead-based paint (peeling, chipping, chalking, cracking or damaged) is a hazard and needs immediate attention. It may also be a hazard when found on surfaces that children can chew or that get a lot of wear-and-tear, such as:

- ◆ Windows and window sills.
- ◆ Doors and door frames.
- ◆ Stairs, railings, banisters, and porches.

Lead dust can form when lead-based paint is dry scraped, dry sanded, or heated. Dust also forms when painted surfaces bump or rub together. Lead chips and dust can get on surfaces and objects that people touch. Settled lead dust can re-enter the air when people vacuum, sweep, or walk through it. The following two federal standards have been set for lead hazards in dust:

- ◆ 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors.
- ◆ 250 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills.

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. The following two federal standards have been set for lead hazards in residential soil:

- ◆ 400 parts per million (ppm) and higher in play areas of bare soil.
- ◆ 1,200 ppm (average) and higher in bare soil in the remainder of the yard.

The only way to find out if paint, dust and soil lead hazards exist is to test for them. The next page describes the most common methods used.

Lead from paint chips, which you can see, and lead dust, which you can't always see, can both be serious hazards.

Checking Your Home for Lead

Just knowing that a home has lead-based paint may not tell you if there is a hazard.

You can get your home checked for lead in one of two ways, or both:

- ◆ A paint **inspection** tells you the lead content of every different type of painted surface in your home. It won't tell you whether the paint is a hazard or how you should deal with it.
- ◆ A **risk assessment** tells you if there are any sources of serious lead exposure (such as peeling paint and lead dust). It also tells you what actions to take to address these hazards.

Hire a trained, certified professional who will use a range of reliable methods when checking your home, such as:

- ◆ Visual inspection of paint condition and location.
- ◆ A portable x-ray fluorescence (XRF) machine.
- ◆ Lab tests of paint, dust, and soil samples.

There are standards in place to ensure the work is done safely, reliably, and effectively. Contact your local lead poisoning prevention program for more information, or call **1-800-424-LEAD** for a list of contacts in your area.

Home test kits for lead are available, but may not always be accurate. Consumers should not rely on these tests before doing renovations or to assure safety.

What You Can Do Now To Protect Your Family

If you suspect that your house has lead hazards, you can take some immediate steps to reduce your family's risk:

- ◆ **If you rent, notify your landlord of peeling or chipping paint.**
- ◆ **Clean up paint chips immediately.**
- ◆ **Clean floors, window frames, window sills, and other surfaces weekly.** Use a mop or sponge with warm water and a general all-purpose cleaner or a cleaner made specifically for lead. **REMEMBER: NEVER MIX AMMONIA AND BLEACH PRODUCTS TOGETHER SINCE THEY CAN FORM A DANGEROUS GAS.**
- ◆ **Thoroughly rinse sponges and mop heads after cleaning dirty or dusty areas.**
- ◆ **Wash children's hands often, especially before they eat and before nap time and bed time.**
- ◆ **Keep play areas clean.** Wash bottles, pacifiers, toys, and stuffed animals regularly.
- ◆ **Keep children from chewing window sills or other painted surfaces.**
- ◆ **Clean or remove shoes before entering your home to avoid tracking in lead from soil.**
- ◆ **Make sure children eat nutritious, low-fat meals high in iron and calcium, such as spinach and dairy products.** Children with good diets absorb less lead.

Reducing Lead Hazards In The Home

Removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

Always use a professional who is trained to remove lead hazards safely.

In addition to day-to-day cleaning and good nutrition:

- ◆ You can **temporarily** reduce lead hazards by taking actions such as repairing damaged painted surfaces and planting grass to cover soil with high lead levels. These actions (called “interim controls”) are not permanent solutions and will need ongoing attention.
- ◆ To **permanently** remove lead hazards, you should hire a certified lead “abatement” contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent removal.

Always hire a person with special training for correcting lead problems—someone who knows how to do this work safely and has the proper equipment to clean up thoroughly. Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Once the work is completed, dust cleanup activities must be repeated until testing indicates that lead dust levels are below the following:

- ◆ 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors;
- ◆ 250 $\mu\text{g}/\text{ft}^2$ for interior windows sills; and
- ◆ 400 $\mu\text{g}/\text{ft}^2$ for window troughs.

Call your local agency (see page 11) for help with locating certified contractors in your area and to see if financial assistance is available.

Remodeling or Renovating a Home With Lead-Based Paint

Take precautions before your contractor or you begin remodeling or renovating anything that disturbs painted surfaces (such as scraping off paint or tearing out walls):

- ◆ **Have the area tested for lead-based paint.**
- ◆ **Do not use a belt-sander, propane torch, heat gun, dry scraper, or dry sandpaper** to remove lead-based paint. These actions create large amounts of lead dust and fumes. Lead dust can remain in your home long after the work is done.
- ◆ **Temporarily move your family** (especially children and pregnant women) out of the apartment or house until the work is done and the area is properly cleaned. If you can't move your family, at least completely seal off the work area.
- ◆ **Follow other safety measures to reduce lead hazards.** You can find out about other safety measures by calling 1-800-424-LEAD. Ask for the brochure "Reducing Lead Hazards When Remodeling Your Home." This brochure explains what to do before, during, and after renovations.

If you have already completed renovations or remodeling that could have released lead-based paint or dust, get your young children tested and follow the steps outlined on page 7 of this brochure.

If not conducted properly, certain types of renovations can release lead from paint and dust into the air.

Other Sources of Lead

While paint, dust, and soil are the most common lead hazards, other lead sources also exist.

- ◆ **Drinking water.** Your home might have plumbing with lead or lead solder. Call your local health department or water supplier to find out about testing your water. You cannot see, smell, or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might have lead in it:
 - Use only cold water for drinking and cooking.
 - Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.
- ◆ **The job.** If you work with lead, you could bring it home on your hands or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- ◆ **Old painted toys and furniture.**
- ◆ **Food and liquids stored in lead crystal or lead-glazed pottery or porcelain.**
- ◆ **Lead smelters** or other industries that release lead into the air.
- ◆ **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture.
- ◆ **Folk remedies** that contain lead, such as "greta" and "azarcon" used to treat an upset stomach.

7. RENEWAL OF LEASE TERMS (Landlord and Tenant to initial one selection):

☒ **A. END OF INITIAL TERM.** Tenant agrees to vacate the Property by the last day of the Initial Term. Landlord shall provide Tenant with a minimum of sixty (60) days notice to vacate prior to the end of the initial term.

☐ **B. MONTH-TO-MONTH:** This Lease shall continue in force from month to month after the expiration of the

Initial Term. Either party may terminate the month- to-month lease at the end of any rental month, provided that written notice of not less than sixty (60) days is given to the other party.

NOTICE: notice requirements vary depending on the jurisdiction. The State requires that Landlord give 90 days' notice to Tenant of termination of a lease with a term of a year or longer.

C. YEAR-TO-YEAR: This Lease shall continue in force from year to year after the expiration of the Initial Term. Either party may terminate this year-to-year Lease at the end of any renewal term, provided that written notice of not less than ninety (90) days is given to the other party prior to the end of any renewal term.

8. PAYMENT OF RENT: Tenant agrees to pay the rent when due without any deduction or setoff. If a monthly installment of rent is paid more than **Five** (**5**) days after the date when due, Tenant shall pay, as additional rent, a sum equal to 5% of the amount of delinquent rent due. If a check is accepted by Landlord from Tenant for rent, it is purely as an accommodation to Tenant. If the check is dishonored, Tenant agrees to pay a \$ **100.00** charge to Landlord as additional rent. The amount of late fees and bad check fees shall be added to and deemed part of the rent due and shall be payable by Tenant to Landlord on demand. Landlord shall have the same remedies for the collection of such charges and fees as Landlord has for the non-payment of rent. Tenant is hereby notified that all payments will be applied first toward late charges, then toward returned check service charges, then toward attorney's fees and finally toward rent. If the remaining amount is not sufficient to cover the full current month's rent, a late fee will be assessed on the current month's rent. Should the Landlord accept any partial payment of rent, this acceptance shall not be interpreted as changing the terms of the Lease which require the payment of rent as specified herein.

9. TENANT RESPONSIBLE FOR ADDITIONAL RENT: Tenant agrees to pay as additional rent (a) any and all sums which may become due by reason of the failure of Tenant to comply with any of the terms and conditions of this Lease; (b) any and all damages, costs and/or expenses which the Landlord may suffer or incur by reason of any default under this Lease by Tenant; and (c) any and all damages to the Property caused by any act or negligence of Tenant, other residents of the Property, or Tenant's agents, employees, invitees, or family members. In the event Tenant fails to make any such payments, then the amount thereof shall be added to and deemed part of the rent due, and Landlord shall have the same remedies for the collection of such payments as Landlord has for non-payment of rent under this Lease.

10. TENANT OPPORTUNITY TO PURCHASE: If Landlord intends to sell the Property while occupied by Tenant, Tenant may have the right to an exclusive negotiation period to submit an offer to purchase the Property. To determine whether Tenant has the right to an exclusive negotiation period, Tenant may contact the Office of Tenant and Landlord Affairs of the Maryland Department of Housing and Community Development. **Landlord shall attach as an Addendum to this Lease a copy of the most recent Maryland Tenant's Bill of Rights published by the Office of Tenant and Landlord Affairs.**

11. ACTIVE MILITARY DUTY: In the event Tenant is a member of the Armed Services and on active duty at the time Tenant enters into this Lease, and Tenant subsequently receives a "change of assignment" as defined in Section 8-212.1 of the Real Property Article, Annotated Code of Maryland, Tenant's liability to pay rent may not exceed: (1) any rent or lawful charges then due and payable plus 30 days' rent after written notice and proof of the change of assignment is given to the Landlord; and (2) the cost of repairing damage to the premises caused by an act or omission of Tenant.

12. LEGAL RIGHTS OF LANDLORD: If Tenant shall fail to pay the rent or any additional rent as herein provided, or if Tenant shall breach any other term, covenant, or condition of this Lease, including, but not limited to, any misrepresentation in Tenant's application, Landlord may (a) re-enter the Property and terminate this Lease in accordance with the applicable provisions of law; (b) bring summary ejectment proceedings to evict Tenant; or (c) pursue any and all other remedies available to Landlord at law or in equity. No such termination of the Lease, nor recovery of possession of the Property, however, shall constitute a waiver by Landlord of any available action by Landlord against Tenant for unpaid rent or for damages which may be due or sustained prior to or subsequent to the termination of this Lease, nor shall such termination extinguish Tenant's obligation to pay all rent and other sums due and owing to Landlord prior to or subsequent to such termination and/or recovery of possession.

13. DELIVERY OF NOTICES: All notices required to be given by Landlord to Tenant shall be sufficiently given by leaving the same at the Property, except that notice of the withholding by Landlord of any portion of the Security Deposit shall be mailed by Landlord to Tenant at Tenant's last known address, within forty-five (45) days after the termination or expiration of this Lease.

All notices required to be given by Tenant to Landlord, and all rent, shall be delivered to the following address: (Notices shall be given by certified mail.)

14. SECURITY DEPOSIT: In accordance with the Annotated Code of Maryland, Real Property Article, Tenant has deposited with Landlord the sum of One Thousand Four Hundred Dollars (\$ 1400), ("Security Deposit") receipt of which is hereby acknowledged, which sum does not exceed one (1) months' Rent. **NOTICE: Total security deposit, including pet deposit, may not exceed one month's rent.**

The Security Deposit is to be held as collateral security and applied to any rent or unpaid utility bill that may remain due and owing at the expiration of this Lease, any extension thereof or holding over period, or applied to any damages to the Property in excess of ordinary wear and tear caused by the Tenant, Tenant's family, guests, agents, employees, trades people, or pets, or other damages and expenses suffered by Landlord as a result of a breach of any covenant or provision of this Lease.

Tenant may not utilize the Security Deposit as rent and must not apply the same as the last month's Rent. The Security Deposit will be deposited within thirty (30) days after it has been received and maintained in an escrow account, devoted exclusively to security deposits, in a federally insured financial institution which does business in the State of Maryland. The Security Deposit may be held in insured certificates of deposit at branches of a federally insured financial institution within the State of Maryland or in securities issued by the federal government or the State of Maryland. The Landlord must provide the Tenant, within forty-five (45) days after the termination of the tenancy by first class mail directed to the last known address of the Tenant, a written list of any damages to the Property together with a statement of costs actually incurred. Within forty-five (45) days after the termination of the tenancy, Landlord must return the Security Deposit to Tenant together with simple interest which will accrue at the legal rate less any damages rightfully withheld. Interest will accrue at six (6) month intervals from the day Tenant deposits said collateral security with Landlord, provided the said Security Deposit is Fifty Dollars (\$50.00) or more. Interest on the Security Deposit shall not be compounded. Landlord need not notify Tenant of his/her intention to withhold all or any part of the Security Deposit if Tenant has been evicted, or ejected for breach of a condition or covenant of the Lease prior to the termination of the tenancy, or if Tenant has abandoned the Property prior to the termination of the tenancy. In such event Tenant may make demand for return of the Security Deposit by giving written notice by first class mail to Landlord within forty- five (45) days of being evicted or ejected or of abandoning the Property. The notice shall specify the Tenant's new address. Landlord, within forty-five (45) days of receipt of said notice, shall supply Tenant with a list of damages and costs by first class mail.

Tenant's obligations under this Lease may not end when Tenant ceases to occupy the Property. Repairs required may be so substantial or of such a nature that work will not be completed within the forty-five (45) day period following the termination of the tenancy. In such event, Landlord reserves the right to pursue Tenant for reimbursement for costs incurred for damages.

Tenant has the right to have the Property inspected by Landlord, in the presence of Tenant, for the purpose of making a written list of damages to the Property that exist at the commencement of the Tenancy if Tenant so requests, in writing, by certified mail, to Landlord within fifteen (15) days of the Tenant's occupancy of the Property. Tenant has the right to be present at the time of inspection to determine if any damage has been done to the Property if Tenant notifies Landlord by certified mail of Tenant's intention to move, date of moving and Tenant's new address. Such notice, from Tenant to Landlord, must be mailed at least 15 days prior to date of moving. Upon receipt of notice, Landlord shall notify Tenant by certified mail of the time and date when the Property is to be inspected. The inspection date shall occur within five (5) days before or five (5) days after the Tenant's stated date of intended moving as designated in Tenant's notice.

In the event of a sale of the Property or the transfer or assignment by Landlord of this Lease, Landlord has the obligation to transfer the Security Deposit to the transferee. After the transfer is made and after written notice of same is given to Tenant with the name and address of the transferee, Landlord is released from all liability for the return of the Security Deposit and Tenant must look solely to the new Landlord for the return of his Security Deposit. It is agreed that the foregoing will apply to every transfer or assignment made of the Security Deposit to a new Landlord.

In the event of any rightful or permitted assignment of this Lease by Tenant to any assignee or sublessee, the Security Deposit is deemed to be held by Landlord as a deposit made by the assignee or sublessee and Landlord will have no further liability with respect to return of such Security Deposit to the assignor.

The failure of Landlord to comply with the Security Deposit Law may result in Landlord being liable to Tenant for a penalty of up to three (3) times the Security Deposit withheld, plus reasonable attorney's fees. Landlord, by Maryland law, shall retain a copy of this receipt for a period of two (2) years following the termination of the tenancy, abandonment of the Property, or eviction of the Tenant.

Landlord or Landlord's estate but not the managing agent or court appointed receiver shall remain liable to Tenant for the maintenance of the Security Deposit as required by law.

Tenant acknowledges that this paragraph (SECURITY DEPOSIT) shall serve as receipt of Security Deposit.

Age Classification Unknown (**check if applicable**)

- ☐ Landlord is uncertain as to age classification, therefore, Landlord acknowledges that, for the purposes of the rental contemplated by this Lease, the Property will be treated as though it had been constructed prior to 1978, and agrees that the Property is fully subject to both the Federal Program and the Maryland Program as to the presence of lead-based paint and/or lead-based paint hazards.

D. ACKNOWLEDGEMENT: Tenant understands that the Property may be subject to the Federal Program and the Maryland Program as to the presence of lead-based paint and/or lead-based paint hazards. If the Property is subject to Federal Program and the Maryland Program as to the presence of lead-based paint and/or lead-based paint hazards, Tenant acknowledges receipt of the following required brochures:

1. **Under Federal Law** (The Residential Lead-Based Paint Hazard Reduction Act of 1992)
 - a. The EPA "Protect Your Family From Lead In Your Home" brochure.
2. **Under Maryland Law** (The Maryland Lead Poisoning Prevention Program)
 - a. The Notice of Tenants' Rights, Lead Poisoning Prevention, as published by the Maryland Department of the

Environment

b. The EPA "Protect Your Family From Lead In Your Home" brochure (the same brochure as in 1.a.)

E. RENOVATION, REPAIR AND PAINTING OF PROPERTY: In accordance with the Lead Renovation, Repair and Painting Rule ("RRP") as adopted by the Environmental Protection Agency ("the EPA"), effective April 22, 2010, if the improvement(s) on the Property was built before 1978, the contractor(s) engaged by the Tenant to renovate, repair or paint the Property must be certified by the EPA to perform such renovation, repair or painting projects that may disturb paint. Before and during any renovation, repair or painting projects on any pre-1978 housing, contractor(s) must comply with all requirements of the RRP.

Tenant shall not personally perform any renovation, repair or painting project which might disturb paint in pre-1978 rental housing. Tenant shall not hire any contractor(s) to renovate, repair or paint pre-1978 rental housing unless Tenant provides to Landlord written evidence, satisfactory to Landlord, that all such contractor(s) to perform such work are certified by the EPA, or state equivalent, and shall perform such work in strict accordance with the RRP. For detailed information regarding the RRP, Tenant should visit <http://www2.epa.gov/lead/renovation-repair-and-painting-program>.

Tenant understands and acknowledges that compliance under Federal and Maryland law is the sole responsibility of Landlord and that Tenant agrees to read and become familiar with the requirements of Federal and Maryland law as contained in the above brochures and notice. JO / **TENANT'S INITIALS**

35. TENANT ACCEPTS PROPERTY: Tenant has been provided with an opportunity to inspect the Property and accepts the Property in its present condition, unless otherwise agreed in writing.

36. CRIMINAL ACTIVITY AND SEXUAL OFFENDERS: Tenant may contact the state, county or municipal police departments in which the Property is located or check the "Sex Offender Registry" at the Maryland Department of Public Safety and Correctional Services website in order to ascertain criminal activity in the vicinity of the Property or the presence of registered sexual offenders who live or work within the vicinity of the Property. Tenant acknowledges that Tenant is solely responsible to inquire of such matters before signing this Lease. Tenant shall have no right to cancel this Lease based upon criminal activity or the presence of registered sexual offenders in the vicinity of the Property. Tenant further acknowledges that no real estate licensee involved in the leasing of the Property, whether acting as the agent for Landlord or Tenant, has any duty nor assumes any duty or responsibility to ascertain criminal activity or the presence of registered sexual offenders in the vicinity of the Property.

37. FLOOD-PLAIN NOTICE: In the event any part of the Property is located within a designated flood hazard area, Tenant is advised of the following:

The rental unit you are to occupy or the motor vehicle parking area or separate storage facility you are to use (as the case may be) is situated in an area prone to flooding during unusually heavy or prolonged steady periods of rain. Such flooding may damage personal belongings and motor vehicles. Because of this possible loss, you may be eligible for U.S. Government subsidized flood insurance which may be purchased from some insurance agents. Damage to motor vehicles may not be covered by such insurance; therefore, you may also wish to determine whether or not you have sufficient motor vehicle insurance to cover loss due to damage to your motor vehicle resulting from flooding in this area. The local zoning authority can provide information pertaining to the susceptibility of this area to flooding. You may wish to contact the appropriate department before signing either this acknowledgement or Lease for this rental unit. Detailed information regarding flood insurance coverage, the premiums that are likely to be required to purchase such insurance and any available information about how those premiums may increase in the future may be obtained at: <https://www.fema.gov/national-flood-insurance-program>. Detailed information regarding updated flood insurance rate maps may be obtained at: <http://www.mdfloodmaps.net/home.html>.

I acknowledge reading and understanding the foregoing warning concerning flooding. I have been provided time, prior to signing either this acknowledgement or Lease, to contact the appropriate governmental agency concerning the susceptibility of the area around my rental unit to flooding. JO / **TENANT'S INITIALS**

NOTICE: Some jurisdictions require acknowledgement of this notice.

38. TENANT'S LIABILITY AND RESPONSIBILITY TO OBTAIN INSURANCE: Tenant agrees that with respect to those portions of the Property within the exclusive control of Tenant, Landlord shall not be responsible or liable for any loss or damage to any goods or chattels placed on, in, or about the Property, nor for any personal injury to Tenant or any agent, employee, invitee, or family member of Tenant. Landlord shall not be deemed a bailee as to any goods or chattels placed on, in, or about the Property. It is the responsibility of Tenant to obtain and pay the costs of any insurance to protect Tenant from loss or damage to Tenant's personal property placed on, in, or about the Property, and to maintain adequate personal liability insurance ("Tenant Liability Insurance"). Tenant agrees to obtain Tenant Liability Insurance in the minimum amount of \$ 10,000. Notwithstanding any provision of this Lease to the contrary, no provision of this Lease shall be construed to indemnify Landlord, or to hold Landlord harmless, or to exonerate Landlord from any liability to Tenant, or to any other person, for any injury, loss, damage, or liability

arising from any omission, fault, negligence, or other misconduct of Landlord on or about those areas which are not within Tenant's exclusive control.

39. JOINT AND SEVERAL LIABILITY: Each Tenant is jointly and severally liable to Landlord for full performance under each and every covenant and condition of this Lease and for compliance with applicable law.

40. TENANT INDEMNIFIES LANDLORD: Tenant shall indemnify and hold Landlord harmless against and from any and all liability arising from any injury or death, property damage, or other loss during the Term to person or property arising within those portions of the Property within the exclusive control of Tenant, or occasioned by any act or omission of Tenant, any resident of the Property, or of any agent, employee, invitee, or family member of Tenant.

41. TENANT'S RESPONSIBILITY AT END OF TERM: Tenant agrees to surrender the Property to Landlord at the end of the Initial Term, or any renewal thereof, in the same condition as when received, ordinary wear and tear excepted. Tenant further agrees to surrender the Property free and clear of all furniture and debris and in a broom clean condition.

42. FAILURE TO VACATE AT TERMINATION: If Tenant does not vacate the Property on or before the last day of the applicable Term, Landlord may in accordance with Maryland law (a) eject Tenant and take possession of the Property; (b) hold Tenant liable as a tenant holding over at the same rent; and/or (c) exercise any other remedy granted to a landlord under Maryland law.

43. TENANT RESTRICTED FROM SUBLEASING OR ASSIGNING LEASE: Tenant shall not assign this Lease or sublet all or part of the Property without the prior written consent of Landlord, which consent may be withheld in the Landlord's sole and absolute discretion. Any assignment or subletting without Landlord's prior written consent shall be null and void and of no effect. Landlord may elect to accept rent directly from any assignee or subtenant, but the acceptance of rent from an assignee or subtenant shall not constitute a release of Tenant from Tenant's liability hereunder. Any consent to a subletting or assignment shall not constitute a waiver of the obligation of Tenant to obtain consent for any subsequent assignment or subletting, and such consent shall not constitute a release of Tenant from Tenant's liability hereunder.

44. TENANT'S AND LANDLORD'S RIGHTS IF PROPERTY IS DAMAGED: If the Property is (a) rendered totally uninhabitable by fire, act of God, or by the acts of rioters or public enemies; or (b) if the Property is only partially damaged or destroyed and Landlord, upon notice to Tenant, elects not to repair such damage or destruction, the tenancy hereby created shall immediately cease and all rent payable under this Lease shall be apportioned to the date of such occurrence. If, however, the Property is only partially destroyed or damaged and Landlord elects to repair the damage to the Property, then Landlord shall restore the Property to substantially the same condition as existed immediately before such occurrence without unreasonable delay. In such event, the rent payable under this Lease shall not be abated and this Lease shall remain in full force and effect.

45. TENANT'S AND LANDLORD'S RIGHTS IF PROPERTY IS TAKEN BY THE GOVERNMENT: If the Property or any part thereof is taken or condemned for a public or quasi-public use, this Lease shall, as to the part so taken, terminate as of the date title shall vest in the condemnor. Tenant waives all claims against Landlord and condemnor by reason of the complete or partial taking of the Property, and all damages awarded as a result of any condemnation, whether for the whole or a part of the Property, shall belong to and shall be the sole property of Landlord, whether such damages shall be awarded as compensation for diminution in value to the leasehold or to the fee of the Property.

46. LANDLORD'S RIGHT TO RE-RENT THE PROPERTY: If the Property becomes vacant because of the exercise by Landlord of Landlord's remedies under this Lease, or should Tenant abandon the Property, Landlord may take possession of and re-let the Property, as agent of Tenant, upon such terms and conditions as Landlord shall reasonably determine. Abandonment of leased Property means there is an absolute relinquishment of Property by Tenant consisting of act and intention. Tenant, upon demand by Landlord, shall pay to Landlord all costs and expenses incurred by Landlord in such re-letting and may be liable to Landlord for the difference between the rent payable under this Lease and the amount of the rent received upon any such re-letting. Nothing contained in this Lease shall be deemed to impose upon Landlord any obligation to show or lease the Property in preference to any other rental property(ies) owned by Landlord.

47. TENANT AND LANDLORD MAY MEDIATE DISPUTES: In the event a dispute between Landlord and Tenant arises out of or from this Lease, Landlord and Tenant acknowledge that such dispute may be voluntarily submitted to mediation through the local board/association of REALTORS®, the Maryland Association of REALTORS®, or through such other mediator or mediation service as may be mutually agreed upon by Tenant and Landlord in writing. Mediation is a process by which the parties attempt to resolve a dispute with the assistance of a neutral mediator who is trained to facilitate the resolution of disputes. The mediation process requires the voluntary participation by both Tenant and Landlord. The mediator has no authority to make an award, to impose a resolution of the dispute upon the parties, or to require the parties to continue mediation if either party does

not desire to do so. A resolution of a dispute through mediation is not binding upon the parties, unless the parties voluntarily enter into a binding written agreement resolving the dispute.

48. ATTORNEY'S FEES AND COURT COSTS: Should any action be brought by either party hereto to enforce any provision of this Lease, the prevailing party in such action shall be reimbursed by the other party for all reasonable attorney's fees, necessary expenses, and court costs incurred by the prevailing party in the action.

49. LANDLORD DOES NOT WAIVE LEGAL RIGHTS: The failure of Landlord to insist upon the strict performance of any of the terms and conditions of this Lease, in any one or more instances, or to exercise any election as herein provided, shall not constitute or be construed as a waiver by Landlord of such term or condition or an election for future instances.

50. HEIRS AND ASSIGNS ARE BOUND BY LEASE: The terms and conditions of this Lease shall be binding upon and inure to the benefit of the heirs, personal representatives, successors, and assigns (if permitted) of Landlord and Tenant.

51. CONTROLLING LAW: This Lease shall be construed and interpreted in accordance with the laws of the State of Maryland. As used in this Lease, the singular shall include the plural and the plural shall include the singular and the use of any genders shall be applicable to all genders. It is understood and agreed by the parties hereto that if any part, term, or provision of this Lease is by the Courts held to be illegal or in conflict with any law of the state or county where made, the validity of the remaining portions or provisions are not affected, and the rights and obligations of the parties will be construed and enforced as if the contract did not contain the particular part, term, or provision held to be invalid.

52. REAL ESTATE BROKER LEGAL LIMITATIONS: As used in this Lease, the term "Broker(s)" shall mean: (a) the two (2) Brokers as identified on Page 12 of this Lease; (b) the two (2) named Sales Associates identified on Page 12 of the Lease; and (c) any agent, subagent, salesperson, independent contractor and/or employees of Broker(s). The term "Broker(s)" shall also mean, in the singular, any or either of the named Broker(s) and/or Sales Associate(s) as identified or, in the plural, both of the named Brokers and/or Sales Associates as identified. Landlord and Tenant understand and acknowledge that any broker and broker's agents, subagents, and employees are not and were not at any time authorized to make any representations regarding this Lease or the Property other than those expressly set forth herein. Broker and broker's agents, subagents, and employees do not assume any responsibility for the condition of the Property or for the performance of this Lease by any or all parties hereto. By signing this Lease, Tenant acknowledges that Tenant has not relied upon any representations made by broker or any agent, subagent, or employee of broker, except those representations expressly set forth herein. In the event a dispute arises under this Lease between Landlord and Tenant resulting in broker or broker's agents, subagents, or employees being made a party to any litigation, whether as a defendant or third party defendant, Landlord and Tenant, jointly and severally, agree to indemnify broker and broker's agents, subagents, or employees for all costs and expenses, including reasonable attorney's fees incurred by broker or broker's agents, subagents, or employees as a result of such litigation, provided that such litigation does not result in a judgment against broker or broker's agents, subagents, or employees for any wrongdoing.

53. REAL ESTATE LICENSEE DISCLOSURE: If applicable, Landlord and/or Tenant acknowledges receipt of the Disclosure of Licensee Status Addendum.

54. AGENCY DISCLOSURE: If applicable, Landlord and/or Tenant acknowledges receipt of "Understanding Whom Real Estate Agents Represent."

MARYLAND TENANTS' BILL OF RIGHTS

(Effective October 1, 2025)

Maryland law requires the Office of Tenant and Landlord Affairs to publish a Tenants' Bill of Rights and update it annually. The Maryland Office of Tenant and Landlord Affairs website has additional language translations of the Tenant Bill of Rights on the website listed at the end of this document. The Maryland Department of Housing and Community Development's Office of Tenant and Landlord Affairs drafted this document, not your landlord.

Landlords must attach the latest version of this document to every residential lease. (Housing and Community Development Article of the Maryland Code, Sections 5-101 through 5-104 and Real Property Article of the Maryland Code, Section 8-208)

This document summarizes significant rights of tenants under Maryland law. It is not a complete list of every tenant right. It does not cover every detail, exception, or difference that may apply on a case-by-case basis.

Additional information may be available through:

- The Maryland Code references listed with each right or other applicable laws
- Independent research through Maryland Court Help Centers and The Peoples' Law Library of Maryland
- Consulting with an attorney

Some local jurisdictions within the state may offer additional rights to residential tenants. But the rights in this Maryland Tenants' Bill of Rights apply to all residential tenants in Maryland unless specifically noted otherwise.

This is general information and does not constitute legal advice. You are encouraged to speak with an attorney if you have questions about your rights as a tenant. Contact information for legal services is listed at the end of this Bill of Rights.

1. RENTAL APPLICATIONS

Application fees:

- Landlords who rent five or more units can only keep a maximum of \$25 for an application fee, unless their actual application related costs (such as credit checks) are more than \$25.
- If a landlord charges more than \$25 but their costs were less than the amount charged, they must refund the portion of the application fee that was not used for application-related costs.
- The refund must be made within 15 days of one of the following:

- The tenant moved into the unit, or
- The landlord or the applicant gives written notice that the applicant will not rent the unit.

Application expenses:

- Applicants may ask the Landlord for a list of the application expenses.
- The list must include monetary amounts and descriptions of each expense.

Tenant screening report:

- Some landlords may choose to accept a tenant screening report that was:
 - Prepared by a consumer reporting agency within the 30 days before application is submitted,
 - Prepared by a consumer reporting agency, and
 - Obtained and paid for by the tenant.
- If a landlord accepts such a report, they may not charge you an application fee.

Pet policy:

- Landlords must include a written copy or a summary of their pet policy in their rental application form.
- The pet policy must include:
 - Any breed or weight restrictions.
 - Any limit on the number of pets allowed.
 - Any required fees, including:
 - Up front non-refundable pet fees,
 - Refundable pet deposits, and
 - Monthly pet fees.
 - Any vaccination requirements.
 - Any liability insurance requirements.
 - Any additional requirements

Assistance Animals:

- Assistance animals are not pets and are always allowed, regardless of your landlord's pet policy. An assistance animal is an animal that:
 - works, provides assistance, or performs tasks for the benefit of a person with a disability, or
 - provides emotional support that reduces one or more identified effects of a person's disability,
- If you have an assistance animal, your landlord can't charge an additional application fee or additional security deposit for your assistance animal. Your landlord can charge you repair fees if your assistance animal causes damage to your unit or common areas.
- Landlords may ask for information that allows them to evaluate a request for an assistance animal if:
 - Your disability is not obvious, and/or
 - Your need for an assistance animal is not obvious.

(Real Property Article of the Maryland Code, Sections 8-210, 8-213, and 8-218, 42 U.S.C. 3604)

2. LEASES & TENANCIES

Written lease requirements:

- A landlord who rents five or more units in Maryland is required to use a written lease.
- A landlord who rents four or fewer units in the state is not required to use a written lease. If the landlord does not use a written lease, tenancy is presumed to be 1 year from the tenant's first use of the unit.
- If your landlord gives you a written lease, it must include:
 - A statement of the condition of the property
 - An explanation of who is required to pay for heat, gas, electricity, water utilities and make repairs of the premises
 - A receipt for your security deposit
 - A copy of the most recent version of the Maryland Tenants' Bill of Rights
 - Contact information for the landlord or the agent authorized to receive notices and service of process on the landlord's behalf (unless posted in a noticeable place on the property).
- Local jurisdictions may require additional information in leases.

A lease may not include:

- Anything that requires you to allow the landlord to "confess judgment" (agree in advance to let the landlord win a claim) on a claim arising out of the lease.
- Anything that says you give up your legal rights under the law or your right to a jury trial.
- Any provision that shortens any notice period required by law.
- Any other provision identified in Section 8-208 of the Real Property Article of the Maryland Code, or any other provision otherwise prohibited by law.

An automatic renewal term in a lease must:

- Be separate from other parts of the lease.
- Be signed or acknowledged separately by you.

Ending tenancy:

- For the landlord to end your tenancy:
 - For a written lease with a stated term, the landlord must give you at least 60 days written notice before terminating the tenancy.
 - For month-to-month periodic tenancies, the landlord must give you at least 60 days written notice before terminating the tenancy.
 - For year-to-year periodic tenancies, the landlord must give at least 90 days written notice before the tenancy ends.
- For you to end your tenancy:
 - For leases with a stated term, month-to-month tenancies, and all other tenancies except year-to-year tenancy, you must give at least 30 days written notice before terminating the tenancy, unless the lease requires more time.
 - For year-to-year tenancies you must give at least 90 days written notice before terminating the tenancy. (This requirement does not apply in Baltimore City where tenants are only required to provide 30 days notice to end all tenancies.)

Ending your lease early due to abuse:

- If you have experienced abuse, you can end your lease early by giving notice to your landlord. The notice must include
 - A copy of a final protective order or peace order issued by the courts, or
 - A copy of a report from a qualified third party like a doctor, psychologist, social worker, or an advocate from a domestic violence organization.
- After providing notice, you have up to 30 days to move out.
 - You are only responsible for the rent from the notice date until you move out, which may be less than 30 days.

- If you move out in fewer than 30 days, you must give your landlord a signed, notarized, and written notification that you have moved out. The notification must be hand delivered or sent by first class mail.
- If you do not give your landlord this notice, you will be responsible for the rent for the full 30 days.

If the lease ends and no one gives notice:

- If neither side gives notice, your lease may automatically renew or become month-to-month, depending on the terms of your lease.
- Less common tenancies like week-to-week, year-to-year, or farm tenancies have different notice requirements.

(Real Property Article of the Maryland Code, Sections 8-5A-01, 8-5A-02, 8-5A-03, 8-208, 8-210, and 8-402; Baltimore City Public Local Law Section 9-16)

3. RENT

- Rent is due as your lease states.
- If you pay rent late, your landlord can charge a late fee, but it cannot be more than 5% of the late rent amount. You cannot be charged a late fee on partial rent payments paid on time.
- Your landlord must give you a receipt for your rent payment if you pay rent in cash or if you ask for a receipt.
- Rent Increases:
 - Your landlord may only increase your rent when your lease is renewed.
 - In most cases, they must tell you in writing 90 days in advance of any rent increase.
 - Some local jurisdictions may limit how much rent can be increased, but there is no statewide law that limits rent increases when your lease is renewed.
 - Your landlord can provide notice of a rent increase by email, text, or electronic tenant portal only if you have agreed to receive notices electronically.

(Real Property Article of the Maryland Code, Sections 8-205, 8-205.1, 8-208, and 8-209)

4. UTILITIES

Your unit must offer heat, light, electricity, hot and cold water, and proper sewage disposal. However, your landlord is not responsible if these utilities are not available because you have not paid bills that are your responsibility.

If your lease requires you to pay utilities directly to your landlord, your landlord must

- Give you copies of the monthly utility bills or,
- At the beginning of each lease term, give you in writing the total utility costs billed to the landlord for the previous year. Annual costs for water, sewer, gas, and electricity bills for the previous year must be provided separately.

Some landlords in larger buildings use a Ratio Utility Building System (RUBS) where tenants are charged a portion of the building's total utility costs. If your landlord uses RUBS, they must:

- Tell you before you sign your lease that they use RUBS,
- Provide copies of the last two utilities bills, and
- Describe how they calculate your share of the total utility costs.

(Real Property Article of the Maryland Code, Sections 8-208, 8-211, 8-212)

5. SECURITY DEPOSITS

Maximum deposit:

- In most cases, a landlord may not require you to pay a security deposit higher than one month's rent.
- You may offer a larger security deposit if your rental application would be denied based on credit or rental history.
- Your security deposit may be up to two months' rent If:
 - You signed your lease before October 1, 2024 or
 - If you qualify for utility assistance from the Department of Human Services and lease agreement requires you to pay utilities directly to the landlord.

What is a security deposit:

- A "security deposit" is any payment you give to the landlord, including pet deposits, to protect the landlord against
 - Unpaid rent
 - Property damage to the unit, common areas, major appliances, and furnishings
 - Damage due to lease violations

Payment rules:

- Your landlord may not require you to pay more than the sum of the first month's rent and the security deposit before you move in.

- The landlord must keep your security deposit in an interest-paying bank account.
- The landlord must give you a written receipt, which must be included with the written lease.
- The landlord must inform you about your rights and the landlord's responsibilities relating to the security deposit when you pay the security deposit.

Move-out inspection at end of tenancy:

- In the move-out inspection, the landlord inspects the unit for damage that may reduce your security damage.
- If you plan to move out and want the right to be present during the inspection, you must send your landlord a certified letter at least 15 days before leaving. The letter should:
 - Say that you plan to move,
 - Share your move-out date, and
 - Include your new address
- At the end of your tenancy, your landlord must give you a written list of any charges deducted from the security deposit and documents supporting the charges.
- They must return the rest of your deposit with interest within 45 days.

Allowed deductions:

Charges a landlord may legally deduct your security deposit include:

- Damage to the property beyond normal wear and tear
- Unpaid rent or utility bills
- Costs or fees from an eviction case judgment

If the deposit is not returned on time:

- If the landlord does not return your deposit or give you a written list of charges within 45 days after your lease ends, they may lose the right to keep any of the deposit.
- You may sue the landlord for up to three times the amount the landlord did not return.

(Real Property Article of the Maryland Code, Sections 8-203 and 8-203.1)

6. CONDITION OF RENTAL UNITS

Every rental property must be "fit for human habitation," meaning that it must be safe and suitable for people to live in. It must be free from serious defects or conditions that could cause a fire or are a serious and substantial threat to your life, health or safety.

Reporting a problem:

- Notify your landlord in writing right away if you find a problem.
- You can also reach out to your local code enforcement agency and request an inspection.
- A citation or violation notice is considered written notice to the landlord.

Mold-specific requirements:

- Landlords must test for a mold within 15 days of receiving written notice of possible mold in your unit.
- If mold is found, the landlord must remove it and fix the cause within 45 days if possible.
- If the mold can't be fixed within 45 days, it must be fixed within a reasonable time frame after the mold is found.
- Landlords must keep you informed during the mold testing and repair process.

Repair and Access:

- Landlords must provide at least 24 hours of advance notice before entering your apartment, except in an emergency.
- You must provide your landlord with access to your property to make repairs.

If problems are not fixed:

If your landlord doesn't fix the problem within a reasonable time after you provide notice, and the problem threatens life, health, or safety you have options:

- File a lawsuit in District Court for damages and a decrease in rent.
- Refuse to pay rent and use the issues as a defense if the landlord sues you for rent.
- File a rent escrow case, which allows you pay rent to the court instead of the landlord until the problems are fixed.

Lead paint:

If lead paint is present in the unit, you may, in certain circumstances, have the right to:

- Receive money from your landlord for a temporary relocation
- Take legal action if your landlord does not assist with safe relocation

Living in your unit:

- You have the right to quiet enjoyment of your rental unit for the duration of your tenancy.

- You have the right to move in and use the unit starting on the date listed in your lease.

(Real Property Article of the Maryland Code, Sections 8-204, 8-211, 8-212, 8-215, and 8-220)

7. EVICTIONS

Your landlord may start the eviction process by filing a case in the District Court if you:

- Violate your lease
- Don't pay rent on time
- Don't move out when your lease ends

Court process required:

- Your landlord may not evict you unless the District Court has given the landlord the right to the property (called a judgment of possession) and issued an order to remove you (called a warrant of restitution).
- Efforts to evict you like changing the locks, shutting off utilities, or other similar actions to prevent your access to the unit or ability to live safely in the unit are not allowed.

Your rights in court:

- You have the right to attend any court hearing in an eviction case brought against you by a landlord.
- You may qualify for a free attorney through Maryland's Access to Counsel in Evictions program if your income is 50% of the Area Median Income or less. Call 211 or visit legalhelpmd.org to find out if you qualify.
- You can access legal counsel as soon as you receive notice that your landlord is seeking to end the lease or to start the eviction process.

Notice before eviction:

- If you owe rent, your landlord must notify you in writing at least 10 days before filing an eviction case for failure to pay rent against you in District Court.
- In a "Failure to Pay Rent" eviction case, rent only includes the base rent. It may not include utility charges, maintenance charges or other penalties.
- A longer notice period may be required if you receive a housing subsidy funded by the state or federal government.
- Other types of eviction filings, such as a lease violation or staying in the rental unit longer than the time allowed by your lease may also require more notice.

Eviction requirements and stopping the eviction:

- If the court rules against you, you have seven days to move out or the landlord can ask the court to issue a warrant of restitution to evict you by removing all of your property from the unit.
- In most cases, you can stop the eviction by paying all past-due rent and any court costs the court orders you to pay before the eviction is carried out. This is called the “right of redemption.”
- Redemption may not be an option if:
 - you have had three (four in Baltimore City) or more eviction judgments for unpaid rent in the 12 months before the current case, and
 - your landlord asks the court not to allow you to redeem.
- Your landlord must give you written notice before the initial scheduled eviction. Six days is required under state law. Your local jurisdictions can the number of days required but it must be between four and 14 days of notice before the initial scheduled eviction.

(Real Property Article of the Maryland Code, Sections 8-401, 8-402, 8-402.1, 8-407, and 8-902)

8. CONSTRUCTIVE EVICTIONS

In Maryland, constructive eviction occurs when your landlord doesn’t fix a major issue that stops your use and enjoyment of your rental unit and you move out instead.

When it applies:

You may not be responsible for the rent if you can prove all of the following:

- Your landlord’s actions or neglect cause the major issue that disrupted your use and enjoyment of your unit.
- You told your landlord about the issue.
- You gave the landlord a reasonable amount of time to fix it before you moved out.
- You moved out within a reasonable time after your landlord failed to fix a major issue.

Before moving out, you should consult with an attorney. If you can prove construction eviction,

- Your lease will be considered ended (terminated).
- You will not be responsible for paying rent after you move out.
- You may be able to sue your landlord for your losses-- including moving costs, rent differences, attorney fees, and other related expenses.

What landlords must do to avoid constructive eviction:

- Landlords must avoid substantial interference with the tenant's enjoyment of their rental property,
- Ensure the rental property is safe and livable.
- Generally respond to tenant complaints promptly to avoid legal and financial consequences.

9. TENANT RIGHT OF FIRST REFUSAL

The "right of first refusal" (a legal term) means you get the first chance to buy the property you rent before the landlord sells it to someone else.

When it applies:

- You are a named tenant on the lease.
- You have lived in a rental property with 1, 2, or 3 units for at least six months.
- Your landlord plans to sell the property or receives an offer to buy it from a third party.

However, this rule does not apply in certain situations, such as when the landlord transfers the property without selling it, including transfers:

- To a family member
- To a business owned by the landlord
- Under court order

Notice process:

If your landlord notifies you that they intend to sell the property to a third party, the notice should also include your right to make an offer to buy it.

- You have 30 days from the date of the notice to make an offer to buy the property or decline.
- If you make an offer with the same or better terms than those in the notice, your landlord must accept it.
- If you decline to make an offer, your landlord may sell the property to a third party.

Some local jurisdictions may have their own laws about a tenant's right of first refusal or the opportunity to buy a rental property in cases not covered by state law.

(Real Property Article of the Maryland Code, Section 8-119)

10. PROHIBITED ACTS BY LANDLORDS

Housing discrimination is illegal under state and federal law. Landlords may not discriminate against potential or current tenants on the basis of:

- Race
- Color
- Religion
- Sex
- Disability
- Marital status
- Familial status
- Sexual orientation
- Gender identity
- National origin
- Source of income
- Military Status.

Some local jurisdictions may provide additional anti-discrimination protections.

Retaliation:

A landlord may not retaliate, or threaten to retaliate, against you for:

- Making a good faith complaint about a violation of your lease, violation of the law, or the condition of the rental property.
- Filing or participating in a lawsuit involving the landlord.
- Participating in a tenants' organization.
- Requesting police or emergency services at the property.
- Providing information to the landlord relating to lead paint issues.

Retaliation may include actions such as:

- Filing or threatening to file a lawsuit against you.
- Threatening to notify law enforcement about your immigration status.
- Increasing the rent, decreasing the services to you as a tenant (for example, shutting off utilities).
- Failing to make necessary repairs, or terminating your tenancy, among other things.

It is a crime for anyone, including landlords, to attempt to take money, property, labor, services, or anything of value by threatening to notify law enforcement about your immigration status.

Notice requirements before your landlord can enter your unit:

Unless your lease says otherwise, you have the right to quiet enjoyment of your residence. Your landlord has the right to enter your unit for legitimate purposes such as making necessary repairs, inspecting the unit, or showing the unit to prospective renters.

- Your landlord must notify you in writing at least 24 hours in advance of the inspection or repairs
- They can only enter the unit Monday through Saturday, from 7am to 7pm, unless it is an emergency.
- You can give your landlord written permission to enter your home with less than 24 hours notice.

Your lease may provide more details, and your local jurisdiction may have more rules on when your landlord may enter your unit.

(42 U.S.C. Sections 3601, et seq.; State Government Article of the Maryland Code, Sections 20-101, 20-704, and 20-705; Real Property Article of the Maryland Code, Sections 2-115, 8-204, 8-208.1, and 8-208.2; Criminal Law Article of the Maryland Code, Section 3-701)

Exceptions to the protections of these laws exist in certain circumstances.
