## 1.2 RENT. TERM

In consideration of the rental of the Property by Landlord to Tenant, Tenant hereby covenants and agrees to the following terms, conditions and provisions of this Residential Rental Agreement (the "Agreement").

**1. Rent. Term.** Landlord rents to Tenant and Tenant hires from Landlord the Property for the term of **12 month** beginning on **08/01/2026** and ending on **07/31/2027** for the total sum of **\$16,200.00** payable in equal monthly payments of **\$1,350.00** each in advance on the first day of each month, in full, without demand, deduction, set-off, recoupment or any counterclaim whatsoever. ### 1.3 POSSESSION

**2. Possession.** If there is a delay in delivery of possession of the Property by Landlord, rent shall be abated on a daily basis until possession is granted. If possession is not granted within seven (7) days after the beginning day of the initial term, Tenant may void this Agreement and shall receive a refund of any rent and Security Deposit (hereinafter defined) actually paid. Landlord shall not be liable for any damages for delay in possession.

### 1.4 SECURITY DEPOSIT

---

**3. Security Deposit.**

In accordance with the Annotated Code of Maryland, Real Property Article 8-203.1, as amended, Tenant has deposited with the Landlord or Landlord's Agent the sum of **\$1,350.00 Dollars** receipt of which is hereby acknowledged, which sum does not exceed one (1) month's rent. Tenant may not utilize the Security Deposit as rent and must not apply the same as the last month's rent.

The Security Deposit will be deposited and maintained in an escrow account in a federally insured financial institution which does business in the State of Maryland, devoted exclusively to security deposits, within thirty (30) days after it has been received. The Security Deposit may be held in insured certificates of deposit at branches of a federally insured financial institution within the State of Maryland or in securities issued by the federal government or the State of Maryland.

Within forty-five (45) days after the end of the tenancy, Landlord shall return the Security Deposit to Tenant together with simple interest which has accrued at the daily U.S. Treasury yield curve rate for one (1) year, as of the first business day of each year, or One and one-half (1.5%), whichever is greater, less any damages rightfully withheld. For any year in which Landlord has held the Security Deposit for less than the full year, the landlord shall pay an amount of interest calculated by:

1. Multiplying the amount of the Security Deposit by the daily U.S. Treasury yield curve rate for one (1) year that was in effect as of the first business day of that calendar year, or one and one-half (1.5%), whichever is greater; and
2. Multiplying the result obtained under item 1 of this subparagraph by a fraction, the numerator of which is the number of months that the Security Deposit was held that year and the denominator of which is twelve (12).

Interest shall accrue at monthly intervals from the day the tenant gives the landlord the security deposit. Interest is not compounded. No interest is due or payable:

1. Unless the landlord has held the security deposit for at least six (6) months; or
2. For any period less than a full month

Interest shall be payable only on security deposits of Fifty (\$50) or more.

If Landlord, without a reasonable basis, fails to return any part of the Security Deposit, plus accrued interest, within forty-five (45) days after the termination of the tenancy, Tenant has an action of up to threefold of the withheld amount, plus reasonable attorney's fees.

The Security Deposit, or any portion thereof, may be withheld for unpaid rent, damage due to breach of lease or for damage by Tenant or Tenant's family, agents, employees, guests, or invitees in excess of ordinary wear and tear to the

Property, common areas, major appliances, and furnishings owned by Landlord.

Tenant has the right to be present when Landlord or Landlord's Agent inspects the Property in order to determine if any damage was done to the Property, if Tenant notifies Landlord or Landlord's Agent by certified mail of Tenant's intention to move, the date of moving and Tenant's new address. The notice to be furnished by Tenant to Landlord shall be mailed at least fifteen (15) days prior to the date of moving. Upon receipt of the notice, Landlord shall notify Tenant by certified mail of the time and date when the Property is to be inspected. The date of inspection shall occur within five days before or five days after the date of moving as designated in Tenant's notice. The language contained in this paragraph and the Security Deposit Receipt shall serve as written notice to Tenant as to Tenant's rights under the security deposit laws. Failure by Landlord to comply with this requirement forfeits the right of Landlord to withhold any part of the Security Deposit for damages.

The Security Deposit is not liquidated damages and may not be forfeited to Landlord for breach of this Agreement, except in the amount that Landlord is actually damaged by the breach.

In calculating damages for lost future rents, any amount of rents received by Landlord for the Property during the remainder, if any, of Tenant's term, shall reduce the damages by a like amount.

If any portion of the Security Deposit is withheld, Landlord shall present by first-class mail directed to the last known address of Tenant, within forty-five (45) days after the termination of the tenancy, a written list of damages for unpaid rent, damage due to breach of lease or for damage by Tenant or Tenant's family, agents, employees, guests, or invitees in excess of ordinary wear and tear to the Property, common areas, major appliances, and furnishings owned by Landlord, together with an itemized statement of the cost incurred. If Landlord fails to comply with this requirement, Landlord forfeits the right to withhold any part of the Security Deposit for damages. If Tenant has been evicted or ejected for breach of a condition or covenant of this Agreement prior to the termination of the tenancy or who has abandoned the Property prior to the termination of the tenancy, then Landlord does not have to notify Tenant of its intention to withhold all or any portion of the Security Deposit. Tenant, however, may demand return of the Security Deposit by giving written notice by first-class mail to Landlord within forty-five (45) days of being evicted or ejected or of abandoning the Property. The notice shall specify Tenant's new address. Landlord, within 45 days, of receipt of such notice, shall present, by first-class mail to Tenant, a written list of the damages together with an itemized statement of costs incurred and shall return to Tenant the Security Deposit together with the statutory interest, less any damages rightfully withheld. If Landlord fails to send the list of damages, the right to withhold any part of the Security Deposit for damages is forfeited. If Landlord fails to return the Security Deposit as required (less any damages rightfully withheld), Tenant has an action of up to threefold of the withheld amount, plus reasonable attorney fees.

Tenant's obligations under this Agreement may not end when Tenant ceases to occupy the Property. Repairs required may be so substantial or of such a nature, that work will not be completed within the forty-five (45) day period following the termination of the tenancy. As such, Landlord's recovery of damages will not be limited to the amount of the Security Deposit. In such event, Landlord reserves the right to pursue Tenant for reimbursement for costs incurred to repair damages to the Property.

In the event of a sale of the Property or the transfer or assignment by the Landlord of this Agreement, Landlord has the obligation to transfer the Security Deposit to the transferee. After the transfer is made and after written notice of same is given to Tenant with the name and address of the new Landlord, Landlord is released from all liability for the return of the Security Deposit and Tenant must look solely to the new Landlord for the return of his or her Security Deposit. It is agreed that the foregoing will apply to every transfer or assignment made of the Security Deposit to a new Landlord.

In the event of any rightful or permitted assignment of this Agreement by Tenant to any assignee or sublessee, the Security Deposit is deemed to be held by Landlord as a deposit made by the assignee or sublessee and the Landlord will have no further liability with respect to return of such Security Deposit to the assignor.

The failure of Landlord to comply with the Security Deposit Law may result in Landlord being liable to Tenant for a penalty of up to three (3) times the Security Deposit withheld, plus reasonable attorney's fees.

Landlord or Landlord's estate, but not Landlord's Agent or court appointed receiver, will remain liable to the Tenant for the maintenance of the Security Deposit as required by law.

An itemized statement of costs provided shall include supporting documentation that identifies the materials or services provided.

## 1.5 PAYMENT. LATE FEES. RENT COLLECTION

### 4. Payment. Late Rental Collection Charge. Interest.

Landlord is prohibited from applying a penalty fee for late payment of rent until:

- (a) Tenant's payment of rent is more than ten (10) days past due with the rent; or

(b) Tenant has received Tenant's regularly scheduled government benefit disbursement if Tenant has previously provided Landlord with written notice that shows the day of the month the government benefit is normally issued or mailed is later than the day on which the rent is due.

(c) Government benefit means:

(i) Temporary cash assistance or other assistance described in Title 5 of the State Human Services Article;

(ii) Supplemental Security Income;

## 1.6 LANDLORD'S LEGAL RIGHTS AND TENANT OBLIGATIONS

6. Tenant shall pay his or her rent on time each and every month regardless of any other debts or responsibilities Tenant may have. Tenant shall be fully liable for any back rent owed. If the rent called for in paragraph 1 hereof has not been paid by the tenth (10th) of the month, or if Tenant shall breach any other term, covenant or condition of this Agreement, Landlord

(a) may distraint therefore all in accordance with the applicable provisions of law,

(b) re-enter the Property and terminate this Agreement in accordance with the applicable provisions of law, or

- (c) bring summary proceedings to evict Tenant or
- (d) pursue any other remedy available to Landlord at law or in equity.

Neither such termination or expiration of this Agreement nor recovery of possession of the Property, shall deprive Landlord of any other action against Tenant for rent or for damages which may be due or sustained prior to, or subsequent to, the termination of said Agreement. Nor shall such termination or expiration extinguish Tenant's obligation to pay all rent and other sums due and owing to Landlord prior to such termination or re-entry or subsequent thereto. Tenant shall pay as additional rent any and all sums which may become due by reason of the failure of Tenant to comply with any of the terms, conditions or provisions of this Agreement; and, all damages, costs, and expenses which the Landlord may suffer or incur by reason of any default of Tenant or failure on Tenant's part to comply with the terms, conditions or provisions of this Agreement. Tenant also acknowledges that breaching any term, condition or provision of this Agreement may result in an action being filed against Tenant, a court judgment being entered against him or her and/or a lien and/or garnishment being filed against his or her current and future assets and/or wages.

## 1.7 RENT COURT AND COSTS

**6A. Rent Court Agent.** Should Landlord employ an agent to institute proceedings for rent and/or repossession of the Property for non-payment of any installment of rent; and should such rent be due and owing as of the filing of the proceedings, Tenant; provided that judgment for possession is granted in Landlord's favor, shall pay to Landlord the reasonable costs incurred by Landlord in utilizing the services of said Agent, including, without limitation, any surcharge pursuant to the Annotated Code of Maryland, Courts and Judicial Proceedings Article, Section 7-202, as amended. Further such amount recoverable may not exceed the amount of Tenant's security deposit.

**6B. Administrative and Attorney Fees. Court Costs.** In the event Tenant, other residents of the Property, or Tenant's guests, invitees, family, agents, servants, or employees violate any term, condition or provision of this Agreement (other than paragraph 4 of this Agreement), or the rules and regulations thereof, Tenant shall pay to Landlord, in addition to any other damages and expenses incurred by Landlord as a result thereof, including without limitation any court costs and costs of any required notices for filing any court action for nonpayment of rent, an administrative fee (the "Administrative Fee") in the amount of ten percent (10%) of Tenant's then current monthly rental to help defray Landlord's costs incurred in connection with the remedy of such violation of this Agreement. Should Landlord employ an attorney because of any such violation, Tenant shall pay in addition to the aforesaid Administrative Fee, and not in lieu thereof, such reasonable attorney fees as are incurred by Landlord. Tenant shall be liable for such attorney fees whether or not Landlord institutes legal proceedings. Should Landlord institute any legal

proceeding or bring any legal action to enforce any term, condition or provision of this Agreement, Landlord in such action shall be reimbursed by Tenant for all reasonable attorneys' fees, court costs and service of process costs incurred by Landlord in the action; provided Landlord is the prevailing party in the action. Tenant shall reimburse any and all collection agent's fees incurred pursuant to obtaining and enforcing any court judgment and lien. If Landlord pursues action in District Court for judgment and lien, or, if Tenant pursues action in District Court for Rent Escrow prior to giving Landlord or Landlord's Agent proper notice of defects, in writing and delivered by certified mail to proper parties, and sufficient time to remedy the defects pursuant to applicable Maryland law, Tenant shall be charged One Hundred Dollars (\$100) per hour for any court time and time associated with preparation for court by Landlord or Landlord's Agent plus any miscellaneous charges including, but not limited to, parking, copies, etc., Landlord shall charge a \$5 fee for expenses actually incurred in providing the notice required pursuant to the Annotated Code of Maryland, Real Property Article, §8-407.

**6C. Pre-Suit Mediation.** Except for actions for nonpayment of rent, tenant holding over, breach of lease, wrongful detainer, rent escrow, collection actions, actions seeking possession of the Property, emergency relief, or any summary proceeding authorized by Maryland law, either party asserting a claim arising out of the tenancy and seeking monetary damages in excess of the jurisdictional limits of the District Court of Maryland shall, prior to commencing litigation, provide written notice to the other party describing the nature of the claim and the relief sought.

Upon written request of either party, the parties shall participate in one good-faith mediation session before commencing litigation. The mediation shall be conducted by a mutually agreeable mediator and the cost shall be shared equally unless otherwise agreed.

The unreasonable refusal of a party to participate in mediation after written request may be considered by a court in determining entitlement to attorney's fees, costs, and litigation expenses otherwise recoverable under this Agreement.

## 1.8 RELETTING AND SUBLEASE. APPLICATION

**7. Reletting.** If the Property becomes vacant because of the exercise by Landlord of its remedies hereunder, or should Tenant abandon the Property, Landlord may take possession of the same, and may relet the Property to others, as the agent of Tenant, upon such terms and conditions as Landlord shall reasonably determine. Tenant shall

immediately pay to Landlord the costs incurred by Landlord in such reletting and thereafter pay monthly in advance the difference between the rent payable under this Agreement and the amount of the rent received upon any such reletting. In addition, if Tenant does not fulfill the full term of this Agreement, a pro-rated leasing commission will be charged to Tenant which shall be immediately due and payable. This fee will be calculated by multiplying the new monthly rental amount by the number of months remaining on the original Agreement, and the product thereof is then divided by twelve. Nothing contained in this Agreement shall be deemed to impose upon Landlord any obligation to show or lease the Property in preference to any other rental units owned by Landlord. Additionally, if Tenant does not fulfill the full term of this Agreement (does not apply to tenants with leases for more than one year and who reside in the property for one year or more), a pro-rated lead certificate reimbursement fee will be charged to Tenant and become immediately due and payable. This fee will be calculated by multiplying the number of months remaining on this Agreement at the date that Tenant vacates the property by the cost of the lead certificate and the product thereof is then divided by twelve.

**7A. Lease Change Fee.** If any Tenant wishes to be removed as a party to this Agreement ("Departing Tenant") or any person wishes to be added as a party to this Agreement ("New Tenant") and one or more Tenant(s) shall remain as party(s) to this Agreement, such request shall be made to Landlord's Agent in writing and there shall be no existing balance due under the terms of this Agreement (unless such requirement that there be no existing balance due is waived by Landlord, in its sole and absolute discretion). If Landlord, in its sole and absolute discretion, agrees in writing to remove Departing Tenant as a party to this Agreement and/or add a New Tenant as a party to this Agreement, Departing Tenant and/or New Tenant, as the case may be, shall pay a fee of \$150.00 as compensation for the administrative costs for such change to this Agreement, such payment shall be considered Additional Rent and shall be payable at the time of the change to the Agreement. Departing Tenant shall be released as a party to this Agreement and shall no longer be financially responsible for any amounts due under this Agreement except if Departing Tenant holds over or otherwise fails to depart from the Property whereby all applicable provisions of this Agreement shall then apply. In the event of the addition of a New Tenant, such New Tenant shall execute a copy of this Agreement and, upon such execution, shall be a party to this Agreement and shall be bound by any and all terms, conditions and covenants of this Agreement.

In the event of the removal of a Departing Tenant or addition of a New Tenant, all terms, conditions and covenants of this Agreement shall remain in full, force and effect and remain binding as to the remaining Tenant(s) (and any New Tenant), including, but not limited to, the payment of Rent, utilities and all other costs, fees and expenses due under this Agreement. The remaining Tenant(s) (and any New Tenant) shall remain responsible for payment of Rent, utilities and all other costs, fees and expenses due under this Agreement.

**7B. Early Termination of Rental Agreement.** If Tenant wishes to terminate this Agreement prior to the expiration of its term, Landlord's agent shall prepare for Tenant and Landlord's execution an Agreement of Early Termination of Residential Rental Agreement. Other than as specifically modified by the terms and conditions of the Agreement of Early Termination of Residential Rental Agreement, all terms and conditions of the Residential Rental Agreement shall remain in full force and effect until Landlord secures a new tenant for the property and the subsequent commencement of the term of the new tenant's rental agreement. Tenant shall pay a fee of \$150.00 to Landlord's Agent for the reimbursement of the cost of the preparation of the Agreement of Early Termination of Residential Rental Agreement, such payment shall be considered Additional Rent and shall be payable at the time of the execution of the Agreement of Early Termination of Residential Rental Agreement.

**8. No Assignment or Sublease.** Tenant shall not assign this Agreement in whole or in part nor shall any portion of the Property be sublet without the prior written consent of the Landlord, which consent may be withheld in the sole and absolute discretion of Landlord. This prohibition includes assignment or subletting by operation of law or otherwise. Any assignment or subletting without Landlord's prior written consent shall be null and void and of no effect. **In the event that Tenant assigns this Agreement in whole or in part or sublets any portion of the Property without the prior written consent of Landlord, Landlord may, in Landlord's sole and absolute discretion, exercise all of its legal rights under Maryland law, including, without limitation, its right to bring an action to have and again repossess said property for breach of lease pursuant to Maryland Real Property Article, Section 8-402.1, as amended. The prohibition under Paragraph 8 includes, but is not limited to, overnight rentals or any other occupancy for any period of time arranged on Airbnb or other similar online rental sites and platforms. Tenant acknowledges and agrees that such assignment or subletting shall be considered a substantial breach of this Agreement warranting eviction.** Landlord may elect to accept rent directly from any assignee or subtenant, but the acceptance of rent from an assignee or subtenant shall not constitute a release of Tenant from Tenant's liability hereunder.

**9. Credit Application.** Landlord having received and reviewed a credit application filled out by Tenant, and Landlord having relied upon the representations and statements made therein as being true and correct, has agreed to enter into this Agreement with Tenant. Tenant and Landlord agree the credit application Tenant filled out when making application to rent the Property is hereby incorporated by reference and made a part of this Agreement. If any of Tenant's representations on said application are found to be misleading, incorrect, untrue or omitted, Landlord has the right to terminate this Agreement immediately, demand that Tenant immediately vacate the Property, and Landlord shall be entitled to retain the Security Deposit and any prepaid rent as liquidated damages and not as a penalty. In the event Landlord exercises its option to terminate this Agreement, Tenant will remove himself or herself and his or her possessions from the Property within 24 hours of notification by Landlord of the termination of this Agreement. Tenant

shall indemnify and hold Landlord harmless for any damages to the Property of Landlord including, but not limited to, any and all costs necessary to make the Property suitable for renting to another tenant.

## 1.9 INDEMNIFICATION

**10. Indemnification.** : Tenant hereby releases Landlord and Landlord's Agent from any and all claims and liability to Tenant, other residents of the Property, or Tenant's guests, invitees, family, agents, servants, or employees, and shall indemnify and hold Landlord and Landlord's Agent harmless from and against all losses, damages, claims, suits, costs (including reasonable attorney fees and court costs) or other liability whatsoever resulting from:

- (a) Tenant's failure to fulfill any term, condition or provision of this Agreement;
- (b) Any damage or injury happening in or about residence or Property to Tenant, other residents of the Property, or Tenant's guests, invitees, family, agents, servants, or employees or such person's property that is not as a result of Landlord's or Landlord's Agent's negligence or misconduct;
- (c) Tenant's failure to comply with any requirements imposed by any governmental authority; or
- (d) Any judgment, lien, or any encumbrance filed against the residence or the Property as a result of Tenant's action.
- (e) Tenant acknowledges and agrees that Landlord's Agent is acting solely as an agent for Landlord in the management of the Property and that any and all disputes, claims, demands made by Tenant relating to rent, utilities, court costs, late fees, other charges, lease terms, habitability, or any other obligations pursuant to this Agreement ("Lease Claim") are between Landlord and Tenant. Tenant further acknowledges and agrees that any claim, demand, or lawsuit brought by Tenant in connection therewith shall be against Landlord and not Landlord's Agent. Accordingly, Tenant agrees that if Tenant brings any legal action or other claim against Landlord's Agent arising out of or related to any Lease Claim, Tenant shall be solely responsible for all costs, expenses and reasonable attorney's fees incurred by Management in defending such action, regardless of the outcome.

## 1.10 USE AND OCCUPANCY OF PROPERTY. INDEMNIFICATION

**11. Use and Occupancy of Property; Tenant Responsibilities and Duties as to Property; Indemnification.** The Property shall be used for residential purposes only and shall be occupied only by the persons named in Tenant's application to rent the Property. Use of the Property is restricted to only those areas which are fit for living and habitable.

Tenant shall use the Property in a careful manner and not use or permit the use of any portion of the Property for any purpose other than a private, single family residence. Tenant understands that it is prohibited to make common areas (basements, roofs, etc.) into sleeping or storage areas. Tenant shall also maintain the lawns and landscaping in good order; promptly remove snow, ice and leaves from walkways and driveways (Multi-Family units exempt from maintaining lawns, landscaping, snow and ice removal except if unit has private entrance or private yard); keep the Property in a clean and sanitary condition; place all garbage and trash in dumpsters (if provided) or in suitable covered containers to be left in designated pickup locations no earlier than the evening before the scheduled pickup; and comply with all laws, codes, ordinances, rules and regulations, including, without limitation, health and housing codes and criminal law applicable to the Property and all covenants and restrictions applicable to the use of the property of Tenant and residents of the Property, or Tenant's guests, invitees, family, agents, servants, or employees, whether known to Tenant or not. Tenant shall conduct themselves in a manner that will not disturb the peaceful enjoyment of other tenants, residents and neighbors, and Tenant further shall not use or permit the use of the Property for any improper, illegal, immoral purpose or engage in conduct which shall be considered a nuisance or annoyance to other tenants, residents and neighbors, nor use, permit or suffer the same to be used by any person or persons in any noisy, dangerous, offensive, illegal, improper manner or engage in conduct which shall be considered a nuisance or annoyance to other tenants, residents, neighbors, Landlord and/or Landlord's agents or contractors, as the case may be. Such behaviors include, without limitation, domestic violence, physical abuse of any person, placing any person in fear of physical assault, verbal abuse of any person, illegal drug use, unacceptably loud or continuous/persistent noise, harassment of other tenants, Landlord and/or Landlord's agents and/or contractors, causing damage to the Premises and/or any common area (including tampering, unlawfully manipulating or damaging any thermostat, electric panel or other similar apparatus in, on or about the Premises and/or any common area). Tenant acknowledges and agrees that any breach of this Paragraph shall be considered a substantial breach of this Agreement warranting eviction.

Tenant also shall comply with all homeowner and condominium association rules and covenants that may be in place for the Property.

Tenant shall not allow or permit controlled dangerous substances of any type or paraphernalia used in connection with controlled dangerous substances in, within, on or about the Property or any common areas. Tenant shall have the obligation and affirmative duty of prohibiting other residents of the Property and Tenant's guests, invitees, family, agents, servants, or employees from possessing or bringing onto the Property or common areas any controlled dangerous substance or paraphernalia. The use, possession or distribution of controlled dangerous substances or paraphernalia in, within, on or about the Property or common areas by Tenant or Tenant's guests, invitees, family, agents, servants, or employees shall constitute a substantial breach of this Agreement by Tenant which shall entitle Landlord to terminate this Agreement and recover possession of the Property. It shall not be a defense to any action for possession resulting from Tenant's breach of this paragraph 11 that the Tenant did not consent to or have knowledge of the presence of the controlled dangerous substance or paraphernalia in, within, on or about the Property or common areas by Tenant's guests, invitees, family, agents, servants, or employees. This paragraph 11 does not limit any rights Landlord might have to seek termination of this Agreement without a showing of controlled dangerous substances or paraphernalia actually being in, within, on or about the Property if vehicular and foot traffic to and from the Property is of such magnitude so as to interfere with the enjoyment of the neighbors or, if applicable, common areas.

Tenant hereby releases Landlord and Landlord's Agent from any and all claims and liability to Tenant, other residents of the Property, or Tenant's guests, invitees, family, agents, servants, or employees, and shall indemnify and hold Landlord and Landlord's Agent harmless from and against all losses, damages, claims, suits, costs (including reasonable attorney fees and court costs) or other liability whatsoever resulting from: (a) any and all liability, loss, cost, damage or expense arising out of any violation by Tenant of such laws, codes, ordinances, rules or regulations; (b) any violation or non-performance by Tenant of any of the agreements or covenants contained herein; or (c) any other act or omission of Tenant, other residents of the Property, or Tenant's guests, invitees, family, agents, servants, or employees. Tenant shall be responsible for the payment of any fines or citations issued to the Tenant, the Property or Landlord arising out of (a) any violation by Tenant of such laws, codes, ordinances, rules or regulations; (b) any violation or non-performance by Tenant of any of the agreements or covenants contained herein; or (c) any other act or omission of Tenant, other residents of the Property, or Tenant's guests, invitees, family, agents, servants, or employees. If Tenant fails to pay any fines or citations issued to Tenant, the Property or Landlord arising out of (a) any violation by Tenant of such laws, codes, ordinances, rules or regulations; (b) any violation or non-performance by Tenant of any of the agreements or covenants contained herein; or (c) any other act or omission of Tenant, other residents of the Property, or Tenant's guests, invitees, family, agents, servants, or employees, Landlord may pay such fine or citation and such

amount shall be added to and deemed a part of the rental sum, and shall be payable, on demand, by Tenant to Landlord.

## 1.11 ABANDONMENT

**12. Abandonment.** If Tenant leaves the Property unoccupied for fifteen (15) days without paying rent in advance for that month, or while owing any back rent from previous months and Landlord or Landlord's agent reasonably believes you have abandoned the Property, Landlord or Landlord's Agent shall have the right to take immediate possession of the Property and to bar Tenant from returning. Tenant shall contact Landlord or Landlord's agent and arrange for the removal of any personal property remaining at the Property by no later than seven (7) days after either: (1) personal delivery to Tenant or (2) mailing first class to the Property and any actually known forwarding address of Tenant) of an abandoned property notice (or the personal property will be deemed abandoned and thereafter sold or otherwise disposed of. If Tenant notifies Landlord or Landlord's agent, in writing, prior to the expiration of the aforesaid seven (7) day notice period of Tenant's intention to remove the personal property, the date for disposal or sale will be extended for seven (7) additional days from the date of Tenant's notice. If the personal property is not removed; Landlord or Landlord's agent, may sell any or all of the personal property at a public or private sale; or may destroy or otherwise dispose of the personal property if Landlord or Landlord's agent reasonably determines that the value of the personal property is so low that the cost of storage and conducting a public sale probably exceeds the amount that would be realized from the sale; or Landlord or Landlord's agent may sell certain items and destroy or otherwise dispose of the remaining personal property. Landlord and/or Landlord's agent shall not be responsible for any loss to Tenant resulting from any removal or storage of any items of personal property unless the loss is caused by the gross negligence of Landlord or Landlord's Agent's. Tenant shall pay to Landlord any costs of removal of the personal property plus an administrative fee of \$150.00 prior to Landlord releasing the personal property to Tenant. If the Property is vacated prior to the end of this Agreement term, then Tenant shall be responsible for the remainder of the rent due for the entire Agreement term until the Property is rented, the Security Deposit is forfeited, Tenant is responsible for paying one month's leasing commission for securing a new Agreement, and Tenant is responsible for any other damages pursuant to the terms and conditions of this Agreement. In the event of Tenant's abandonment of the Property, Tenant shall provide Landlord or Landlord's agent with a forwarding address. Failure to provide such

forwarding address may result in Tenant not receiving important notices and correspondence, including, without limitation, the hereinabove mentioned abandoned property notice.

## 1.12 SURRENDER OF PROPERTY

**13. Surrender of Property.** Tenant shall, upon termination or expiration of this Agreement or the abandonment of the Property, surrender the Property and all fixtures and equipment of Landlord in good, clean and functioning condition, ordinary wear and tear excepted. The move-out inspection shall be made to determine whether there are any damages to the Property and whether Tenant may be liable for damages exceeding the amount of the Security Deposit.

Prior to this inspection, Tenant shall (a) ensure that the Property is thoroughly cleaned, including, without limitation, the stove, refrigerator, windows, bathtubs, and toilets, remove all personal property of Tenant as well as trash from the Property; clean gutters and downspouts, cut grass and remove leaves as necessary; (b) have carpets cleaned and deodorized by a professional company acceptable to Landlord and provide a paid receipt; and (c) eliminated any other household pests from the interior of the Property, including, without limitation, fleas, ticks, roaches, ants and rodents.

Within twenty-four (24) hours after vacating the Property, Tenant shall return to Landlord or Landlord's Agent all keys, garage door openers and documents, including all provided appliance manuals. Failure to comply will be cause to charge Tenant for changing the locks and or the cost of replacing the appliance manuals.

If Tenant does not accomplish such cleaning, trash removal, exterminating and return of Landlord's property above, Landlord may have such items completed at Tenant's expense, and Tenant shall reimburse Landlord for such expense. The costs and expenses referred to above shall be considered damages due to breach of this Agreement in excess of ordinary wear and tear.

### 1.13 FAILURE TO VACATE AT TERMINATION

Tenant shall not burn candles or incense in the Property. Tenant shall be responsible for all costs associated with any damage to the Property caused by smoking any substance. Damage includes but is not limited to: deodorizing carpet, wax removal, additional paint preparation, and replacement of drapes, repair or replacement of carpet, countertops, or any other surface damaged due to burn marks and/or smoke damage, or any other damage to the Property.

.This Smoke Free Addendum ("Smoke Free Addendum") is attached to and made a part of the Residential Rental Agreement dated 07/24/2026 by and between Landlord and Tenant for the property located at 2029 St. Paul St - 1 Baltimore, MD 21218

Landlord and Tenant are parties to a written Residential Rental Agreement (the "Residential Rental Agreement"). This Addendum states the following additional terms, conditions and rules which are incorporated into the Residential Rental Agreement.

1. **Purpose of Addendum.** The parties desire to mitigate (i) the irritation and known health effects of secondhand smoke; (ii) the increased maintenance, cleaning, and redecorating costs from smoking; (iii) the increased risk of fire from smoking; and (iv) the higher costs of fire insurance for a non-smoke-free building.

2. **Smoke-Free Property.** Tenant agrees and acknowledges that the property to be occupied by Tenant and members of Tenant's household has been designated as a smoke-free living environment. "Smoking" means inhaling, exhaling, burning, vaping, or carrying any lighted cigar, cigarette, pipe or any other device containing any tobacco product, or any other leaf, weed, plant or other products, including, electronic smoking devices, hookahs and marijuana, whether natural or synthetic. Tenant, members of Tenant's household and Tenant's guests and invitees shall not smoke anywhere in the property rented by Tenant (and all outdoor areas within a twenty-five (25) foot radius of the property), or the building where the Tenant's dwelling is located, including any associated balconies, decks, porches or patios; in the common areas of the building where the Tenant's dwelling is located, including, but not limited to, community rooms, community bathrooms, lobbies, reception areas, hallways, laundry rooms, stairways, offices, and elevators; or in any of the common areas or adjoining grounds of such building, including entryways, patios, and yards, nor shall Tenant permit any, members of Tenant's household or Tenant's guests or invitees to do so.

3. **Tenant to Promote No-Smoking Policy.** Tenant shall inform members of Tenant's household and Tenant's guests and invitees of the no-smoking policy. Further, Tenant shall promptly give Landlord a written statement of any incident where tobacco smoke is migrating or drifting into Tenant's unit from sources outside of the Tenant's unit.

4. **Landlord/Agent Not Guarantor of Smoke-Free Environment.** Tenant acknowledges that Landlord's adoption of a smoke-free living environment, and the efforts to designate the apartment building/property as smoke-free, do not make the Landlord, or any of its agents/property managers, the guarantor of Tenant's health or of the smoke-free condition of the Tenant's unit and the common areas. However, Landlord shall take commercially reasonable steps to enforce the smoke-free terms of its Residential Rental Agreements and to make the complex smoke-free. Landlord is not required to take steps in response to smoking unless Landlord knows of said smoking or has been given written notice of said smoking.

5. **Other Tenants are Third-Party Beneficiaries of Tenant's Agreement (If applicable).** Landlord and Tenant agree that, if the property is part of a multi-unit building/apartment building, the other Tenants at the apartment building are third-party beneficiaries of this Addendum. Therefore, Tenant's commitments in this Addendum are made to the other Tenants as well as to

Landlord. A Tenant may sue another Tenant for an injunction to prohibit smoking or for damages, but does not have the right to evict another Tenant. Any suit between Tenants herein shall not create a presumption that the Landlord breached this Addendum.

**6. Effect of Breach and Right to Terminate Residential Rental Agreement.** A breach of this Residential Rental Agreement Addendum shall give each party all the rights contained herein, as well as the rights in the Residential Rental Agreement. A material breach of this Addendum shall be a material breach of the Residential Rental Agreement and grounds for immediate termination of the Residential Rental Agreement by Landlord. Tenant also acknowledges that a breach of this Lease Addendum shall also render Tenant liable to Landlord for the costs of repair to Tenant's apartment unit due to damage from smoke odors or residue.

**7. Disclaimer by Landlord.** Tenant acknowledges that Landlord's adoption of a smoke free living environment, and the efforts to designate the property as smoke-free, does not in any way change the standard of care that the Landlord, or its agents/property managers, would have to a Tenant household to render buildings and property designated as smoke free any safer, more habitable, or improved in terms of air quality standards than any other rental property. Landlord specifically disclaims any implied or express warranties that the building, common areas, or Tenant's personal property will have any higher or improved air quality standards than any other rental property. Landlord cannot and does not warranty or promise that the property or common areas will be free from secondhand smoke. Tenant acknowledges that Landlord's ability to police, monitor, or enforce the agreements of this Addendum is dependent in significant part on voluntary compliance by Tenant, members of Tenant's household and Tenant's guests and invitees. Tenants with respiratory ailments, allergies, or any other physical or mental condition relating to smoke are put on notice that Landlord does not assume any higher duty of care to enforce this Addendum than any other landlord obligation under the Residential Rental Agreement.

**8. Effect on Current Tenants.** Tenant acknowledges that, if the property is part of a multi-unit building/apartment building, any current tenants residing in the complex under a prior Residential Rental Agreement will not be immediately subject to the No-smoking Policy. As current tenants move out, or enter into new Residential Rental Agreements, the smoke-free policy will become effective for their unit or new Residential Rental Agreement. A breach of this Residential Rental Agreement Addendum shall give each party all the rights contained herein, as well as the rights in the Residential Rental Agreement.

The undersigned Tenant(s) acknowledges having read and understood the foregoing.
