Sent	08/21/2026 7:24:42 PM	william linebarger (+14434 699379)	You're a liar
Received	08/21/2026 7:25:14 PM	william linebarger (+14434 699379)	Why am I a liar?
Sent	08/21/2026 7:25:35 PM	william linebarger (+14434 699379)	Because you lie. Are you going to buy the filter, or not?
Received	08/21/2026 7:27:50 PM	william linebarger (+14434 699379)	Please don't make this into something that other than what it is. I told you I would buy you all the water you need , so I don't understand why you are so angry.
Sent	08/21/2026 7:30:20 PM	william linebarger (+14434 699379)	Personally I think my anger is pretty damn understandable. But I'm calm now. Since you won't answer the question, I will just buy the filter and take it out of my rent for next month. I think that's more than fair.

Below the status bar is a search bar with a back arrow on the left, a magnifying glass icon, and the text "Search or ask a ques...". To the right of the search bar are icons for a share sheet and voice search. Below the search bar is a notification banner that says "Forgot something? 54min to add to tomorrow's delivery" with a yellow "Add items" button. At the bottom of the screen, there is a "See details" link and an upward arrow icon.

Received	08/21/2026 7:37:11 PM	william linebarger (+14434 699379)	There isn't any reason for you to do that since I will continue to supply you with water. My ex- wife is constantly sending me texts about the house, and she's got a bad temper and takes her anger out on me for some reason. I will be 69 in September and don't have much money. So I'm going to try and get her to buy my half of the house so I don't have to deal with it anymore. I will let you know this weekend what she says.								
Sent	08/21/2026 7:39:25 PM	william linebarger (+14434 699379)	I'm not asking anymore. You missed your chance for that. I already bought the filter and will be subtracting it from my rent. Technically since you don't have a license I don't have to pay anything, so this is a pretty good deal for you. I'm paying my share as a gesture of good will because I'd prefer not to have to move out and find a new apartment.								
Received	08/21/2026 7:40:52 PM	william linebarger	The one I bought was only \$200.

Sent	08/21/2026 7:43:21 PM	william linebarg er (+14434 699379)	Actually, the one you bought was \$31. The one I bought was \$375 + \$22.50 tax. I bought that one because you said the under the sink ones wouldn't fit.
Sent	08/21/2026 7:44:11 PM	william linebarg er (+14434 699379)	I gave you a chance to have input and you chose to lie and cheat. So this is the solution we're left with unfortunately.
Received	08/21/2026 7:52:07 PM	william linebarg er (+14434 699379)	I'm talking about the first one I purchased. That my ex-wife said she's not giving me on penny for since it's not her responsibility for lead that's coming from the outside city pipes. And now I have to pay \$400 out of my pocket that I don't have. When you live to 69, you realize you don't have much time left. So I'm not going to spend the last years of my life fighting with you and my ex-wife over this house. If my ex-wife doesn't want to pay me for my half, then I will just let her take it for nothing. I really don't care anymore.

Received	08/21/2026 9:40:26 PM	william linebarg er (+14434 699379)	I just talked to my daughter, and she is going to help me get the license that you keep taking about, I thought since I lived on the first floor apartment part time I didn't need one. I'm not sure how long it will take for the inspection or what day the inspector can meet me at the house once I fill out the paperwork. Can you remove everything that's in the downstairs hall because the inspector will not pass something like that. I will let you know when the inspector is coming over once we get to that part.
