Sent	08/21/2026 9:43:23 PM	william linebarger (+14434 699379)	I'd like to be there to talk to the inspector. So let me know and I'll take off work to be there.
Received	08/21/2026 9:46:25 PM	william linebarger (+14434 699379)	OK, if you think the stuff isn't a problem with the inspector, then you can keep it there.
Sent	08/21/2026 9:49:44 PM	william linebarger (+14434 699379)	Ok. Also, for the record, you told me before I moved in that there would be another tenant moving in downstairs at some point. And then later you claimed that you were going to be visiting frequently to fix up the place downstairs but never said you were living there. Of course I've since suspected you were living down there, but this is the first time you're admitting it. I might've chosen to live somewhere else if I'd known you would be living downstairs.
Received	08/21/2026 9:53:30 PM	william linebarger (+14434 699379)	OK, I didn't know it would be a problem. I only spend a little bit of time in the apartment. Just in the daytime when I'm in Hampden, visiting friends and family.
Sent	08/21/2026 9:54:23 PM	william linebarger (+14434 699379)	It's more the constant lying that bothers me. But really I'm just making sure I have a record of it.
Received	08/21/2026 10:00:43 PM	william linebarger (+14434 699379)	Do you enjoy attacking me every time you text me? What difference does it make if I live in the apartment part-time or full-time? It has nothing to do with you whatsoever. And if I change my mind about what I am going to do with the downstairs apartment, it has nothing to do with you. Why do you have cats? It's not in the lease, and you never told me. So that makes you

			untrustworthy.
Sent	08/21/2026 10:14:05 PM	william linebarger (+14434 699379)	I'm just making sure everything is documented. I was angry earlier for obvious reasons. I have cats because I have cats. You never asked, and there was nothing in the lease saying I couldn't have cats. I figured you would've asked if you cared. You've never brought it up until now - apparently it didn't bother you until I called out on your obvious lies and you had no comeback because it's true and documented. I don't want to engage in an argument with you. If you have nothing relevant to say about the apartment then stop texting me.
Received	08/21/2026 10:21:01 PM	william linebarger (+14434 699379)	You could have asked me before you brought the cats in if it was OK. But you didn't. The reason I brought it up was because you think everything I say and do is just one big lie. I didn't say anything because I try to accept people for who they are instead of looking for every little thing that I can use to start an argument with them.
Sent	08/21/2026 10:23:53 PM	william linebarger (+14434 699379)	I told you that I don't want to keep arguing with you. It's past 10pm and I'm tired. If you have something relevant to communicate about the apartment you can do so in the morning. This is my second request for you to stop texting me
Received	08/28/2026 4:04:16 PM	william linebarger (+14434 699379)	My daughter has registered the property with the city. This had to be done before I could go forward with getting the license. My daughter told me to repaint the windows on the outside and inside of the apartment and do some other things before the inspection happens. One thing noticed was the last two times I was in the apartment, my eyes became very itchy, and my throat became irritated. My daughter said that sometimes, as people get older, they become allergic to cats. So apparently, that's what happened to me. Before I can do the work in the upstairs apartment, you need to get rid of the cats as soon as possible so I can move forward with this process. When the cats have been

			removed from the apartment, my daughter said the entire apartment has to be clean of all cat hair and cat dander. So I can move forward. When the cats have been removed and the apartment is cleaned, my daughter and her boyfriend will go through the apartment to make sure that all the cat hair and dander have been removed from the apartment so I can proceed with the work that I need to do to pass inspection. I will be at the apartment on Monday or Tuesday to start painting the outside windows.

However I've already decided to move out so it's not an issue. I will let you know when I have an official move out date - it should be relatively soon. Please stop harassing me until then.
Sent	08/28/2026 5:02:11 PM	william linebarger (+14434 699379)	To clarify, you just need to access the outside of the apartment to paint the windows, right? I don't want you inside the apartment anymore while I'm not home.
