

Maryland Lease Agreement

This Lease Agreement ("Lease") is entered into on May 20, 2026, by and between Rudyaan Properties LLC ("Landlord"), and Elizabeth Ann March, Alexandra Olsen, Ryan Dorsainvil and Mackenzie Francis ("Tenant").

Leased Property. The Landlord hereby leases to the Tenant the townhome located at 312 E 25th Street, Baltimore, Maryland 21218 ("Leased Property").

Term. This Lease shall be for a fixed term, starting on May 29, 2026 ("Start Date") and ending on June 7, 2027 ("Termination Date"). The Tenant will be entitled to possession of the Leased Property beginning on the Start Date and shall maintain possession of the Leased Property until the Termination Date unless terminated through approved methods outlined in this Lease or under Maryland law.

If the Tenant wishes to extend the lease after the termination date, the tenant is required to serve a written notice on the Landlord in person or by registered mail at least 60 days before the Termination Date stating their intention to renew the term of this Lease by executing a new lease. Landlord acknowledges receipt of proper notice electing to either renew or not renew the Lease within 3 days of receipt of such notice.

Rent. The Tenant agrees to pay to the Landlord as rent for the use and occupancy of the Leased Property the sum of \$2,800.00 due on the **7th day** of each month ("Rent"). The portion of first month's Rent, ranging from May 29, 2026 to June 7th, 2026, will be prorated at a rate of \$933.33.

The Rent shall be paid by the following method(s):

- Electronic Payment Methods
- Personal Check
- Cashier's Check
- Money Order

The following electronic payment methods will be accepted:

- Direct Deposit to Bank account

The Rent shall be payable to Rudyaan Properties LLC, located at 8326 Chestnut Farm Ln, Ellicott City, Maryland 21043. Rudyaan Properties LLC can be reached at Vamsi.ba@gmail.com or 2016965393.

If any payment is returned for non-sufficient funds or because the Tenant stops payments, then, after that, the Landlord may, in writing, require the Tenant to pay future Rent payments by cash, cashier's check, or money order.

Non-Sufficient Funds. The Tenant shall be charged \$35.00 as reimbursement of the expenses incurred by the Landlord for each check that is returned to the Landlord for lack of sufficient funds. In addition, a check returned due to insufficient funds will be subject to any and all Late Payment Provisions included in this Lease. All charges will be immediately due from the Tenant, and failure to make immediate payment will constitute a default under the terms of this Lease.

The Landlord reserves the right to demand future Rent payments by cash, cashier's check, or money order in the event a check is returned for insufficient funds. Nothing in this Paragraph limits other remedies available to the Landlord as a payee of a dishonored check. The Landlord and the Tenant agree that 3 returned checks in any 12month period constitute frequent return of checks due to insufficient funds and may be considered a just cause for eviction.

Security Deposit. At the time of the signing of this Lease, the Tenant shall pay to the Landlord, in trust, a security deposit of \$2,800.00 to be held and disbursed for the Tenant's damages to the Leased Property or other defaults under this Lease (if any) as provided by law.

In accordance with the Annotated Code of Maryland, Real Property Article, the Tenant's security deposit will be deposited and maintained in an escrow account in a federally insured financial institution that does business in the State of Maryland, which will be exclusively used for maintaining security deposits, within thirty (30) days of receipt. At the Landlord's election, the security deposit may be held in insured certificates of deposit at branches of a federally insured financial institution within the State of Maryland or in securities issued by the Federal government or the State of Maryland. The Landlord must provide the Tenant, within forty-five (45) days after the termination of the tenancy by first class mail directed to the last known address of the Tenant, an itemized list of any damages to the Leased Property together with a statement of costs actually incurred. Within forty-five (45) days after the termination of the tenancy, the Landlord must return the security deposit to the Tenant together with simple interest as required by Section 8-203(e)(1) of the Real Property Article of the Maryland Annotated Code per annum, less any damages rightfully withheld. Interest will accrue at six (6) month intervals from the day the Tenant deposits said security with the Landlord, provided said security deposit is \$50.00 or more. The foregoing provisions do not apply to any Tenant who has abandoned the Leased Property or who has been evicted unless such Tenant makes a written demand for the return of the security deposit within forty-five (45) days of eviction, ejection, or abandonment of the Leased Property, and provides the Landlord with a forwarding address.

Late Fee. If the Landlord has not received Full Rent payment within 5 days after the due date, the Tenant shall pay a late charge of \$5.00 for every day that the Full Rent is not paid following its due date.

Default. The Tenant will be in default of this Lease if the Tenant fails to comply with any material provisions of this Lease by which the Tenant is bound. Subject to any governing provisions of law to the contrary, if the Tenant fails to cure any financial obligation (or any other obligation) after written notice of such default is provided by the Landlord to the Tenant, the Landlord may elect to cure such default, and the cost of such action will be added to the Tenant's financial obligations under this Lease. All sums of money or charges required to be paid by the Tenant under this Lease will be additional Rent, whether or not such sums or charges are designated as "additional rent." The rights provided by this Paragraph are cumulative in nature and are in addition to any other rights afforded by law.

Utilities. The Tenant agrees to pay all charges for all utilities, including electricity, internet, cable, gas, water, garbage disposal, and telephones, used in or on the Leased Property during the term of this Lease. The Tenant shall make payments for these utilities directly to the utility companies. The Tenant also agrees to comply with any environmental, waste management, recycling, energy conservation, or water conservation programs implemented by the Landlord.

Separate Gas Meter. The Landlord does provide a separate gas meter for the Leased Property so that the Tenant's meter measures only the gas service to the Leased Property.

Separate Electric Meter. The Landlord does provide a separate electric meter for the Leased Property so that the Tenant's meter measures only the electric service to the Leased Property.

Furnishings. The following furnishings or appliances will be provided by the Landlord:

The apartment is furnished with refrigerator, electric stove with oven, microwave oven, washer and dryer in basement, mini washer and dryer in one of the master bedrooms and fans in all bedrooms and living and dining areas.

The Tenant shall return all such items at the end of the Lease term in a condition as good as existed at the beginning of the Lease term, normal wear and tear excepted.

Keys. The Tenant will be given 4 key(s) to the Leased Property. If the Tenant misplaces a key or does not return all keys following the Termination Date, the Tenant shall be charged \$10.00. The Tenant is not permitted to change

any lock or place additional locking devices on any door or window of the Leased Property without the Landlord's approval. If allowed, the Tenant must provide the Landlord with keys to any changed locks immediately upon installation.

If the Tenant becomes locked out of the Leased Property, the Tenant will be charged \$150.00 to regain entry.

Occupancy of Leased Property. Except as stated otherwise in this Paragraph, only those individuals identified in this Lease as the "Tenant" (including their minor children) may reside in the Leased Property. The individuals identified as the "Tenant" shall sign this Lease. It is explicitly understood that this Lease is between the Landlord and each Tenant signatory individually and jointly. If any single signatory defaults, the remaining signatories are collectively responsible for timely Rent payment and all other terms of this Lease. The Tenant may have up to 2 guests on the Leased Property at any one time. A "guest" shall be considered anyone who is invited by the Tenant to be present at the Leased Property, and who is also not included in the Lease. The Tenant may not have guests on the Leased Property for more than 5 days. No other person shall be permitted to occupy the Leased Property except with the prior written approval of the Landlord.

Use of Leased Property. No retail, commercial, or professional use of the Leased Property is allowed unless the Tenant receives prior written consent of the Landlord and such use conforms to applicable zoning laws. In such a case, the Landlord may require the Tenant to obtain liability insurance for the benefit of the Landlord. The Landlord reserves the right to refuse to consent to such use in its sole and absolute discretion.

The Tenant is required to obtain the Landlord's approval in writing before bringing pets onto the Leased Property or allowing pets to reside there.

The Tenant must ensure that no actions or activities in or around the Leased Property obstruct or interfere with the rights of neighboring occupants, causing them harm or annoyance, or utilize the Leased Property for improper, illegal, or objectionable purposes. Additionally, the Tenant must prevent or refrain from creating or allowing any nuisances on the Leased Property, or engaging in any activities that may lead to increased insurance rates, affect fire insurance coverage, or result in the cancellation of any insurance policies for the Leased Property or its contents.

Use of the roof and/or the fire escapes by the Tenant and/or guests is limited to emergency use only. No other use is permitted, including but not limited to, the placement of personal property.

Assigning or Subletting. The Tenant may not do any of the following without the Landlord's prior written consent: (1) assign this Lease; (2) sublet all or any part of the Leased Property; (3) allow any person (other than guests) to use the Leased Property other than those uses specified in the Use of Leased Property Paragraph above. Unless the Tenant has obtained the Landlord's prior written consent to assign or sublease, any unapproved assignment or subletting may be deemed invalid by the Landlord, and the Tenant shall continue to remain responsible for all the terms and conditions of this Lease.

Insurance. The Tenant shall maintain insurance on their personalty at the Leased Premises. Landord shall maintain customary (i) casualty insurance on the full replacement cost and (ii) liability insurance for \$500,000.00.

Smoking. The Leased Property shall be smoke-free. "Smoking" or "to smoke" means and includes inhaling, exhaling, burning or carrying any lighted smoking equipment for tobacco. The Tenant will be liable for any damages caused due to the Tenant or the Tenant's guests smoking in the Leased Property.

Common Areas. The Tenant shall have the non-exclusive right to use the entrances, lobbies, accessways, hallways, stairways, elevators, sidewalks, driveways, parking areas, landscaped areas, and other areas of the Leased Property that are designated for the non-exclusive common use of the Tenant and their guests ("Common Areas"). The Tenant shall use the Common Areas in accordance with any rules and regulations the Landlord sets forth, which the Landlord may amend from time to time. The Tenant shall be responsible for paying for the costs to repair any damage to the Common Areas caused by the Tenant and their guests. The Landlord reserves the right to suspend the Tenant's use of the Common Areas in the event that the Tenant defaults on this Lease.

Landlord Access to Property. The Landlord or the Landlord's agents may enter the Leased Property during reasonable hours (E.g., 9:00 a.m. to 5:00 p.m.) during the term of this Agreement and any renewal thereof for the purposes of inspection, making repairs or improvements, supplying agreed services, showing the Property to prospective buyers or tenants, or in case of an emergency. Except in an emergency, the Landlord will provide the Tenant with at least twenty-four (24) hours' written notice of intent to enter. For purposes of this Agreement, an "emergency" includes any condition that poses an immediate threat to life, health, safety, or property. Tenant agrees to cooperate and make the Leased Property reasonably available for these purposes.

Showing of the Property. If lease not extended beyond the current term, during the last 45 days of the lease, Tenant shall permit the posting of "For Rent" or "For Sale" and shall allow the property to be shown to prospective Tenants or Buyers during the hours of 12:00 pm to 6:00 pm daily. Landlord shall give Tenants reasonable notice of such showings. If Tenant is not home, the property may be shown utilizing the key retained by Landlord or by use of a key lockbox, as authorized by Landlord. Tenant agrees to keep the Property reasonably clean and orderly, without any obstructions or interference with any showing of the property for rent or sale. Tenants agree to make reasonable accommodations to comply.

Property Maintenance. The Landlord shall have the responsibility to maintain the Leased Property in reasonably good repair at all times and perform all repairs reasonably necessary to satisfy any implied warranty of habitability. Except in an emergency, the Tenant is hereby informed that any property maintenance issues, repair requests, or concerns should be reported to the Landlord at vamsi.ba@gmail.com or vamsi.ba@gmail.com. A repair request will be deemed permission for entry into the Leased Property by the Landlord or their agents to perform such maintenance or repairs. The Tenant may not place any unreasonable restrictions upon the Landlord or the Landlord's agents' access or entry. The Landlord shall have the expectation that the Leased Property is in a safe and habitable condition upon entry.

The Tenant acknowledges that the Leased Property from time to time may require renovations or repairs to keep it in good condition and repair, and that such work may result in temporary loss of use of portions of the Leased Property and may inconvenience the Tenant. The Tenant agrees that any such loss shall not constitute a reduction in housing services or otherwise warrant a reduction in Rent. Further, subject to local law, the Tenant agrees, upon request of the Landlord, to temporarily vacate the Leased Property for a reasonable period, to allow for fumigation (or other methods) to control wood destroying pests or organisms, or other repairs to the Leased Property. The Tenant agrees to comply with all instructions and requirements necessary to prepare the Leased Property to accommodate pest control, fumigation, or other work, including bagging or storage of food and medicine, and removal of perishables and valuables. The Tenant shall only be entitled to a credit of Rent equal to the per diem Rent for the period of time the Tenant is required to vacate the Leased Property.

The Tenant further agrees to cooperate in any efforts undertaken by the Landlord to rid the Leased Property of pests of any kind. Failure of the Tenant to cooperate may be deemed an obstruction of the free use of the Leased Property so as to interfere with the comfortable enjoyment of life or the Leased Property, thereby constituting a nuisance.

The Tenant shall properly use, operate, and safeguard the Leased Property, including, if applicable, any landscaping, furniture, furnishings, and appliances, and all mechanical, electrical, gas, and plumbing fixtures, and keep them and the Leased Property clean, sanitary, and well ventilated. The Tenant shall be responsible for checking and maintaining all smoke detectors. The Tenant shall immediately notify the Landlord, in writing, of any problem, malfunction, or damage. The Tenant shall be charged for all repairs or replacements caused by the Tenant, pets, or guests of the Tenant, excluding ordinary wear and tear. The Tenant shall be charged for all damage to the Leased Property as a result of failure to report a problem in a timely manner. The Tenant shall be charged for repair of drain blockages or stoppages, unless caused by defective plumbing parts or tree roots invading sewer lines.

Renter's Insurance. Tenants shall, at their sole expense, purchase and maintain a comprehensive renters insurance policy throughout the entire lease term. This policy must provide a minimum of **\$150,000** in personal liability coverage. The policy must name the Landlord as an "Additional Interested Party" or "Interested Party." This ensures the Landlord receives notifications regarding any policy changes, lapses, or cancellations. Tenant must provide the Landlord with a copy of the insurance certificate before moving in. Updated proof of coverage must be

provided annually upon lease renewal, or at any time during the lease term within five (5) business days of Landlord's written request. Maintaining this insurance is a material condition of this Lease Agreement. Failure to obtain or maintain the required policy constitutes a default under this lease. In such event, Landlord may pursue all legal remedies, including lease termination.

Pets. No pets, dogs, cats, birds, fish, or other animals shall be allowed on the Leased Property, even temporarily or with a visiting guest. As required by law, service animals are the only exception to this rule. If a pet has been in the Tenant's apartment, even temporarily, the Tenant may be charged for cleaning, de-fleaing, deodorizing, or shampooing any portion of the Leased Property at the discretion of the Landlord.

Stray pets shall not be kept or fed in or about the Leased Property. They can be dangerous, and the Landlord must be notified immediately of any stray pets in or about the Leased Property.

Notices. Notices under this Lease shall not be deemed valid unless given or served in writing and forwarded by mail, postage prepaid, addressed to the party at the appropriate address set forth below. Such addresses may be changed from time to time by either party by providing notice as set forth below. Notices mailed in accordance with these Provisions shall be deemed received on the third day after posting.
