

Maryland Lease Agreement

This Lease Agreement ("Lease") is entered into on September 1, 2026, by and between Ramblewood Properties 1 llc ("Landlord"), and Carlos E Moran Tema ("Tenant").

Leased Property. The Landlord hereby leases to the Tenant the townhome located at 3617 St Margaret st, Baltimore , Maryland 21225 ("Leased Property").

Term. This Lease shall be for a fixed term, starting on September 1, 2026 ("Start Date") and ending on September 1, 2028 ("Termination Date"). The Tenant will be entitled to possession of the Leased Property beginning on the Start Date and shall maintain possession of the Leased Property until the Termination Date unless terminated through approved methods outlined in this Lease or under Maryland law.

The Landlord hereby reserves the right to cancel or terminate this Lease before the Termination Date if the Landlord sells the Leased Property. To exercise this right, the Landlord shall give the Tenant written notice of the Landlord's intention to sell the Leased Property and terminate this Lease. The notice shall prescribe the date by which the Tenant is required to vacate and surrender the Leased Property ("New Termination Date"). The New Termination Date must be at least 30 days after the date of the notice. The Tenant agrees to vacate and surrender the Leased Property on or before the specified New Termination Date. This Lease shall be null and void as of the New Termination Date set forth in the notice.

Rent. The Tenant agrees to pay to the Landlord as rent for the use and occupancy of the Leased Property the sum of \$1,500.00 due on the first day of each month ("Rent").

The Rent shall be paid by the following method(s):

- Electronic Payment Methods
- Cash

The following electronic payment methods will be accepted:

- Zelle

The Rent shall be payable to the Landlord, located at 8626 Silver Meadow Ln, Nottingham , Maryland 21236. The Landlord can be reached by phone at 4435642370 or by email at Will_contractor@yahoo.com.

If any payment is returned for non-sufficient funds or because the Tenant stops payments, then, after that, the Landlord may, in writing, require the Tenant to pay future Rent payments by cash, cashier's check, or money order.

Security Deposit. At the time of the signing of this Lease, the Tenant shall pay to the Landlord, in trust, a security deposit of \$1,500.00 to be held and disbursed for the Tenant's damages to the Leased Property or other defaults under this Lease (if any) as provided by law.

In accordance with the Annotated Code of Maryland, Real Property Article, the Tenant's security deposit will be deposited and maintained in an escrow account in a federally insured financial institution that does business in the State of Maryland, which will be exclusively used for maintaining security deposits, within thirty (30) days of receipt. At the Landlord's election, the security deposit may be held in insured certificates of deposit at branches of a federally insured financial institution within the State of Maryland or in securities issued by the Federal government or the State of Maryland. The Landlord must provide the Tenant, within forty-five (45) days after the termination of the tenancy by first class mail directed to the last known address of the Tenant, an itemized list of any damages to the Leased Property together with a statement of costs actually incurred. Within forty-five (45) days after the termination of the tenancy, the Landlord must return the security deposit to the Tenant together with simple interest as required by Section 8-203(e)(1) of the Real Property Article of the Maryland Annotated Code per annum, less any damages rightfully withheld. Interest will accrue at six (6) month intervals from the day the Tenant deposits said security with the Landlord, provided said security deposit is \$50.00 or more. The foregoing provisions do not apply to any Tenant who has abandoned the Leased Property or who has been evicted unless such Tenant

makes a written demand for the return of the security deposit within forty-five (45) days of eviction, ejection, or abandonment of the Leased Property, and provides the Landlord with a forwarding address.

Late Fee. If the Landlord has not received any Rent payment within 5 days after the due date, the Tenant shall pay a late charge of \$50.00 for every day that the Rent is not paid following its due date.

Default. The Tenant will be in default of this Lease if the Tenant fails to comply with any material provisions of this Lease by which the Tenant is bound. Subject to any governing provisions of law to the contrary, if the Tenant fails to cure any financial obligation (or any other obligation) after written notice of such default is provided by the Landlord to the Tenant, the Landlord may elect to cure such default, and the cost of such action will be added to the Tenant's financial obligations under this Lease. All sums of money or charges required to be paid by the Tenant under this Lease will be additional Rent, whether or not such sums or charges are designated as "additional rent." The rights provided by this Paragraph are cumulative in nature and are in addition to any other rights afforded by law.

Utilities. The Tenant agrees to pay all charges for all utilities, including electricity, internet, cable, gas, water, garbage disposal, and telephones, used in or on the Leased Property during the term of this Lease. The Tenant shall make payments for these utilities directly to the utility companies. The Tenant also agrees to comply with any environmental, waste management, recycling, energy conservation, or water conservation programs implemented by the Landlord.

Separate Gas Meter. The Landlord does provide a separate gas meter for the Leased Property so that the Tenant's meter measures only the gas service to the Leased Property.

Separate Electric Meter. The Landlord does provide a separate electric meter for the Leased Property so that the Tenant's meter measures only the electric service to the Leased Property.

Keys. The Tenant is not permitted to change any lock or place additional locking devices on any door or window of the Leased Property without the Landlord's approval. If allowed, the Tenant must provide the Landlord with keys to any changed locks immediately upon installation.

Occupancy of Leased Property. Except as stated otherwise in this Paragraph, only those individuals identified in this Lease as the "Tenant" (including their minor children) may reside in the Leased Property. The individuals identified as the "Tenant" shall sign this Lease. It is explicitly understood that this Lease is between the Landlord and each Tenant signatory individually and jointly. If any one signatory defaults, the remaining signatories are collectively responsible for timely Rent payment and all other terms of this Lease. The Tenant may have up to _____ guests on the Leased Property at any one time. A "guest" shall be considered anyone who is invited by the Tenant to be present at the Leased Property, and who is also not included in the Lease. The Tenant may not have guests on the Leased Property for more than _____ days. No other person shall be permitted to occupy the Leased Property except with the prior written approval of the Landlord.

Tenant Video Surveillance. The Tenant may install personal security cameras or video doorbells within the leased premises at their own expense, provided installation causes no structural damage or permanent alterations. All devices must be positioned strictly to respect others' privacy and must not capture video or audio of neighboring units, common areas, or any location with a reasonable expectation of privacy. The Tenant assumes all liability for legal compliance regarding surveillance, data recording, and wiretapping laws. Upon lease termination, the Tenant must remove all equipment and restore the property to its original condition at their own expense.

Landlord Video Surveillance. The Tenant agrees that the Landlord may install and operate video surveillance cameras in and around the exterior and common areas of the property, including parking lots, walkways, entryways, and shared recreational spaces, for the purpose of property management, maintenance, and crime deterrence. To protect privacy, the Landlord shall not install cameras inside the Tenant's private dwelling unit or in any area with a reasonable expectation of privacy. The Tenant acknowledges that these cameras are a passive deterrent, do not guarantee personal safety, and do not place a duty on the Landlord to monitor footage in real time. The Tenant, occupants, and guests are strictly prohibited from tampering with, blocking, or damaging any surveillance equipment, and doing so constitutes a material breach of this Lease.

Use of Leased Property. No retail, commercial, or professional use of the Leased Property is allowed unless the Tenant receives prior written consent of the Landlord and such use conforms to applicable zoning laws. In such a

case, the Landlord may require the Tenant to obtain liability insurance for the benefit of the Landlord. The Landlord reserves the right to refuse to consent to such use in its sole and absolute discretion.

The Tenant is required to obtain the Landlord's approval in writing before bringing pets onto the Leased Property or allowing pets to reside there.

The Tenant must ensure that no actions or activities in or around the Leased Property obstruct or interfere with the rights of neighboring occupants, causing them harm or annoyance, or utilize the Leased Property for improper, illegal, or objectionable purposes. Additionally, the Tenant must prevent or refrain from creating or allowing any nuisances on the Leased Property, or engaging in any activities that may lead to increased insurance rates, affect fire insurance coverage, or result in the cancellation of any insurance policies for the Leased Property or its contents.

Use of the roof and/or the fire escapes by the Tenant and/or guests is limited to emergency use only. No other use is permitted, including but not limited to, the placement of personal property.

Assigning or Subletting. The Tenant may not do any of the following without the Landlord's prior written consent: (1) assign this Lease; (2) sublet all or any part of the Leased Property; (3) allow any person to use the Leased Property other than those uses specified in the Use of Leased Property Paragraph above. Unless the Tenant has obtained the Landlord's prior written consent to assign or sublease, any unapproved assignment or subletting may be deemed invalid by the Landlord, and the Tenant shall continue to remain responsible for all the terms and conditions of this Lease.

Smoking. The Leased Property, including all indoor spaces, attached garages, balconies, and private patios, shall be strictly smoke-free. "Smoking" or "to smoke" means and includes inhaling, exhaling, burning, vaporizing, heating, aerosolizing, or carrying any lighted, heated, or ignited cigarette, cigar, pipe, hookah, joint, or any other delivery device or equipment. This prohibition explicitly applies to all of the following substances and formats:

- Tobacco and Nicotine: Traditional cigarettes, clove cigarettes, loose tobacco, and cigars.
- Cannabis: Marijuana, hemp, THC, and CBD products, whether medical, recreational, organic, or synthetic.
- Electronic Devices: Electronic cigarettes (e-cigarettes), vapes, vape pens, vaporizers, mods, and any electronic nicotine or non-nicotine delivery systems (ENDS) that emit vapor or aerosol.
- Other Substances: Any other organic, botanical, or synthetic plant matter or chemical compound intended for inhalation.

The Tenant shall ensure that all household members, guests, and invitees comply with this policy. The Tenant will be strictly liable for any and all damages, odor remediation, deep cleaning, or painting costs caused by the Tenant or the Tenant's guests smoking in or around the Leased Property. A violation of this clause constitutes a material breach of the Lease Agreement.

Common Areas. The Tenant shall have the non-exclusive right to use the entrances, lobbies, accessways, hallways, stairways, elevators, sidewalks, driveways, parking areas, landscaped areas, and other areas of the Leased Property that are designated for the non-exclusive common use of the Tenant and their guests ("Common Areas"). The Tenant shall use the Common Areas in accordance with any rules and regulations the Landlord sets forth, which the Landlord may amend from time to time. The Tenant shall be responsible for paying for the costs to repair any damage to the Common Areas caused by the Tenant and their guests. The Landlord reserves the right to suspend the Tenant's use of the Common Areas in the event that the Tenant defaults on this Lease.

Landlord Access to Property. The Landlord or the Landlord's agents may enter the Leased Property during reasonable hours (E.g., 9:00 a.m. to 5:00 p.m.) during the term of this Agreement and any renewal thereof for the purposes of inspection, making repairs or improvements, supplying agreed services, showing the Property to prospective buyers or tenants, or in case of an emergency. Except in an emergency, the Landlord will provide the Tenant with at least twenty-four (24) hours' written notice of intent to enter. For purposes of this Agreement, an "emergency" includes any condition that poses an immediate threat to life, health, safety, or property. Tenant agrees to cooperate and make the Leased Property reasonably available for these purposes.

Property Maintenance. The Landlord shall have the responsibility to maintain the Leased Property in reasonably good repair at all times and perform all repairs reasonably necessary to satisfy any implied warranty of habitability.

Except in an emergency, the Tenant is hereby informed that any property maintenance issues, repair requests, or concerns should be reported to the Landlord at Will_contractor@yahoo.com or Will_contractor@yahoo.com. A repair request will be deemed permission for entry into the Leased Property by the Landlord or their agents to perform such maintenance or repairs. The Tenant may not place any unreasonable restrictions upon the Landlord or the Landlord's agents' access or entry. The Landlord shall have the expectation that the Leased Property is in a safe and habitable condition upon entry.

The Tenant acknowledges that the Leased Property from time to time may require renovations or repairs to keep it in good condition and repair, and that such work may result in temporary loss of use of portions of the Leased Property and may inconvenience the Tenant. The Tenant agrees that any such loss shall not constitute a reduction in housing services or otherwise warrant a reduction in Rent. Further, subject to local law, the Tenant agrees, upon request of the Landlord, to temporarily vacate the Leased Property for a reasonable period, to allow for fumigation (or other methods) to control wood destroying pests or organisms, or other repairs to the Leased Property. The Tenant agrees to comply with all instructions and requirements necessary to prepare the Leased Property to accommodate pest control, fumigation, or other work, including bagging or storage of food and medicine, and removal of perishables and valuables. The Tenant shall only be entitled to a credit of Rent equal to the per diem Rent for the period of time the Tenant is required to vacate the Leased Property.

The Tenant further agrees to cooperate in any efforts undertaken by the Landlord to rid the Leased Property of pests of any kind. Failure of the Tenant to cooperate may be deemed an obstruction of the free use of the Leased Property so as to interfere with the comfortable enjoyment of life or the Leased Property, thereby constituting a nuisance.

The Tenant shall properly use, operate, and safeguard the Leased Property, including, if applicable, any landscaping, furniture, furnishings, and appliances, and all mechanical, electrical, gas, and plumbing fixtures, and keep them and the Leased Property clean, sanitary, and well ventilated. The Tenant shall be responsible for checking and maintaining all smoke detectors. The Tenant shall immediately notify the Landlord, in writing, of any problem, malfunction, or damage. The Tenant shall be charged for all repairs or replacements caused by the Tenant, pets, or guests of the Tenant, excluding ordinary wear and tear. The Tenant shall be charged for all damage to the Leased Property as a result of failure to report a problem in a timely manner. The Tenant shall be charged for repair of drain blockages or stoppages, unless caused by defective plumbing parts or tree roots invading sewer lines.

Pets. The Tenant is required to obtain the Landlord's written permission before housing or allowing pets on the Leased Property. Upon approval from the Landlord, a \$0.00 deposit will be necessary for each pet to cover any damages caused by the pet to the Leased Property. This deposit is separate from the security deposit specified in this Lease.

Stray pets shall not be kept or fed in or about the Leased Property. They can be dangerous, and the Landlord must be notified immediately of any stray pets in or about the Leased Property.

Notices under this Lease shall not be deemed valid unless given or served in writing and forwarded by mail, postage prepaid, addressed to the party at the appropriate address set forth below. Such addresses may be changed from time to time by either party by providing notice as set forth below. Disclosure of Information on Lead-Based Paint or Lead-Based Hazards

Lead Warning Statement:

Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, landlords must disclose the presence of known lead-based paint and/or lead-based paint hazards in the dwelling. The Tenant must also receive a federally approved pamphlet on lead poisoning prevention.

Landlord's Disclosure:

Because the Leased Property was built after 1978, the lead-based paint disclosure is not required under applicable law.
