**Subject: Request for Reasonable Accommodation for Accessible Route**

**Dear JBZ Management LLC,**

I am writing on behalf of Leslie Wilson, a tenant, to formally request reasonable accommodation under the Fair Housing Act due to a medical condition that requires accessibility modifications.

Leslie Wilson has a mobility-related medical condition that necessitates an accessible route to and from her apartment. Specifically, she requires:

A smooth-surface ramp that provides safe and accessible entry into the building.

A fully functional elevator for reliable access to her current unit.

If these accommodations are not feasible or cannot be maintained, Leslie Wilson requests a transfer to a ground-floor apartment that meets her accessibility needs.

Under the Fair Housing Act, housing providers are required to make reasonable accommodations for individuals with disabilities to ensure they have equal access to their housing. We kindly ask for prompt consideration of this request and a written response outlining the next steps within a reasonable timeframe.

Please let us know if you require any additional documentation from Leslie Wilson's healthcare provider. We appreciate your attention to this matter and look forward to working together to ensure a safe and accessible living environment.

Thank you for your time and cooperation.

Sincerely,  
Claire Miller, CRNP
