IMPORTANT INFORMATION ABOUT YOUR BILL

- ▶ The Maryland General Assembly established the Public Service Commission to regulate public service companies doing business in Maryland, to ensure their activities are consistent with the public interest. For information on how to participate in or observe a proceeding before the Public Service Commission, please visit the Public Service Commission's website.
- ▶ **Moving?** To stop or transfer service, contact BGE at least 3 business days prior to your move date. You are responsible for all service at your present address until you notify us.
- ▶ As a budget billing plan participant, your budget bill payoff balance is \$200.29. Please remember this includes your current bill and any prior payments or adjustments for your BGE gas and/or electric service only.
- ▶ The EmPower MD charge funds programs that can help you reduce your energy consumption and save you money. For more information, including how to participate, go to BGESmartEnergy.com.
- ▶ Even out your energy bills with Budget Billing-sign up at [BGE.com/budget billing](http://BGE.com/budget_billing).

Get winter ready and manage energy use

Before the cold weather hits, here are some things you can do ahead of time that could reduce your energy costs:

Be alert to the signs of a natural gas leak

Natural gas is colorless, tasteless, and odorless in its natural state. To help detect leaks, BGE adds mercaptan, a safety additive that gives natural gas its distinctive rotten egg smell.

If you suspect a natural gas leak, leave the area immediately and move to a safe location at least 100 feet away. Then call **911** or **877.778.7798**.

When you call, BGE will respond promptly to survey the area, perform safety measures, and repair BGE-owned equipment as needed. There is no charge to investigate a gas leak.

Visit bge.com/GasSafety for more natural gas safety information.

Stay alert. Avoid scams.

A real BGE representative will already have your account information when they contact you. Never provide your BGE account details or share your bill with anyone who requests it. For more information or to report suspicious activity, visit bge.com/Scams.

We're here to help connect you to financial assistance

With one easy application, you can apply for energy grants from the Maryland Office of Home Energy Programs (OHEP). These grants don't have to be repaid and can help offset the costs of home heating and cooling. The amount of the credit is based upon income, household size and energy usage.

Electric Universal Service Program (EUSP)

EUSP is a state program designed to help limited-income customers pay the electric portion of their bills. The program provides bill payment assistance and arrearage assistance, and is available once each "program year," which starts on July 1 each year. However, customers may apply any time during the year.

Maryland Energy Assistance Program (MEAP)

MEAP provides a grant for qualifying customers and is also available once each program year. However, customers may apply any time during the year.

Weatherization Assistance Program (WAP)

Those who qualify for MEAP may also be eligible to receive weatherization services through the WAP from the Maryland Department of Housing and Community Development. Ask about weatherization when applying for an energy assistance grant or for more information, call **855.583.8976**.

Utility Service Protection Program (USPP)

USPP helps eligible limited-income customers avoid service interruptions by offering monthly budget billing and protection from shutoffs. To qualify, you must be enrolled in the Maryland Energy Assistance Program (MEAP). Apply today and take control of your energy costs.

For more information, call Maryland OHEP at **800.332.6347** or visit **dhs.maryland.gov/ohep**.

Limited-income customers who are still unable to pay charges for service should visit **bge.com/PaymentArrangement** or contact BGE about alternate payment plan options that may help avoid service termination.
