INSTRUCTIONS FOR RETURN OF INCOME TAX WITHHOLDING FOR NONRESIDENT SALE OF REAL PROPERTY (FORM MW506NRS)

THERE ARE FOUR COPIES OF FORM MW506NRS.

General Instructions

Purpose of Form

Form MW506NRS is designed to assure the regular and timely collection of Maryland income tax due from nonresident sellers of real property located within the State. This form is used to determine the amount of income tax withholding due on the sale of property and provide for its collection at the time of the sale or transfer.

Who must file Form MW506NRS

If the transferor/seller is a nonresident individual or nonresident entity, and is transferring an interest in real property located within the State of Maryland, unless the transaction is otherwise exempt from the income tax withholding requirement, the person responsible for closing must file Form MW506NRS with the deed or other instrument of transfer that will be filed with the Clerk of the Circuit Court for recordation. If there are multiple transferors/ sellers, a separate form must be completed for each nonresident individual or nonresident entity subject to the withholding requirements. The separate form requirement does not apply to spouses filing a joint Maryland income tax return.

A "nonresident entity" is defined to mean an entity that: (1) is not formed under the laws of Maryland more than 90 days before the date of sale of the property, and (2) is not qualified by or registered with the Department of Assessments and Taxation to do business in Maryland more than 90 days before the date of sale of the property.

When to file Form MW506NRS

Unless the transaction is otherwise exempt from the income tax withholding requirement, the person responsible for closing must include with the deed or other instrument of transfer, a Form MW506NRS for each nonresident transferor/seller, when the deed or other instrument of transfer is presented to the Clerk of the Circuit Court for recordation.

What to file

Copies A and B of each Form MW506NRS must be filed with the deed or other instrument of transfer when presented to the Clerk of the Circuit Court for recordation. A separate check or money order in the aggregate amount of the tax due for each nonresident transferor/seller with regard to a sale or transfer of real property must be paid to the Clerk.

Give Copy C to the transferor/seller at closing. The issuer retains Copy D.

Specific Instructions

Line 1. Enter the street address for the property as listed with the State Department of Assessments and Taxation (SDAT). If the property does not have a street address, provide such descriptive information as is used by SDAT to identify the property. Also include the SDAT property account ID number for the parcel being transferred. If the property is made up of more than one parcel and has more than one account number, include all applicable account numbers.

Line 2. Enter the date of transfer. The date of transfer is the effective date of the deed as defined in §3-201 of the Real Property Article, Annotated Code of Maryland. The effective date is the later of: (1) the date of the last acknowledgement; or (2) the date stated in the deed.

Line 3. Check the box if the transferor/seller is reporting the gain under the installment method.

Lines 4, 5 and 6. Unless transferors/sellers are spouses and filing a joint Maryland income tax return, a separate Form MW506NRS must be completed for each transferor/seller that is entitled to receive any part of the proceeds of the transfer. Enter the tax identification number or social security number for the nonresident transferor/seller and the social security number for the spouse, if applicable. (Do NOT enter the tax identification number on Copy B of Form MW506NRS.) Enter the name (or names, if spouses are filing a joint return) of the transferor/seller and the transferor/seller's address. Do not enter the street address of the property being transferred.

Line 7. Check the appropriate box for the transferor/seller.

Line 8. If a Certificate of Partial Exemption is issued by the Comptroller, do not complete lines 8a though 8h. Instead, enter the amount from Line 3 of the Form MW506E on Line 8i.

Complete this section to determine the total payment allocable to the transferor/seller that is subject to the income tax withholding requirements and the amount of tax required to be withheld. The total payment is computed by deducting from the total sales price (including the fair market value of any property or other nonmonetary consideration paid to or otherwise transferred to the transferor/ seller) the amount of any mortgages or other liens, the commission payable on account of the sale, and any other expenses due from the seller in connection with the sale.

Line f. If there are multiple owners, enter the percentage of ownership of the transferor/ seller for whom this form is being filed.

Line g. Multiply line e by line f to determine the transferor/seller's share of the total payment.

How to claim the tax withheld

The manner in which the income tax withheld is claimed by the nonresident individual or nonresident entity depends on the type of Maryland income tax return you are required to file. Follow the specific instructions below. Claiming the income tax withheld on a line other than as described below may result in the withholding being denied.

The income tax withheld and reported on Line 8 of the Form MW506NRS must be claimed as an estimated income tax payment.

This tax, and any other tax paid with the Form 510 must be allocated to the nonresident shareholders, partners or members and reported on a modified federal Schedule K-1 or Maryland statement. All tax allocated to a nonresident shareholder, partner or member must be claimed as a nonresident tax paid by S corporations, or other unincorporated business entities.

Trusts and Estates

Trustees of trusts and personal representatives of estates are required to file a Maryland Fiduciary Income Tax Return (Form 504). The income tax withheld and reported on Line 8 of the Form MW506NRS must be claimed as an estimated tax payment.
