Property Description	Our city-issued garbage and recycling bins were stolen.

Narrative

Incident Description	Around 3:30pm on Monday Nov 2nd someone came through the alley between my residence and my neighbors' residence with some packages in hand, went around the corner to where I keep my garbage and recycling bins, and took each of them with them. The bins do not appear to be anywhere near my residence as of filing this report. My neighbor also informed me that this person stole one of their packages from their side door entrance. Regarding my bins, I do not want to follow up on them. I just want this on file for when I request new bins from the city. I provided photos from my neighbor's security

camera showing them with my bins going down the driveway and walking through the shared alley with packages in hand.
